Lincoln then tied her up and threw her in a portal that led back to The M.O.E. HQ in Montana with a warning sign: KEEP AN EXTREMELY CLOSE EYE ON HER! We cheered as we holstered our weapons and powered down.

Nico: Phew, that should do it.

Me: Vypra's gonna need to keep an extremely close eye on that hag from now on.

Lincoln: After what just happened this morning, they're not gonna take anymore chances with Nastina.

Eli: I think she's gonna need to be put on a tight leash and put in a cage if she gets nasty again!

Maria: Maybe, we can add in a shock collar if she gets testy!

Me: Nico already got her with The Hat of Discipline, she'll...! Oh wait, she'll rebel again.

Nico: Yep, but those are good suggestions. We'll get a shock collar on her and put her in a cage. I know we're taught to respect our elders, but Nastina, forget it! She fits the same category as Scoots!

Lincoln's Guardian Angels: WHAT?! SHE FITS THE SAME CATEGORY AS THAT SCOOTER RIDING OLD FART! THAT'S IT! WE'RE GONNA KILL HER!

Nico: What the?!

Lincoln: You just put Nastina in the same category as Scoots, and to my Guardian Angels, that's the trigger word that sets them off and now they want nothing more than to kill her!

Nico: Tartar sauce...!

Just then, Bandit Heeler got a call on his phone as he ducked out with the rest of the family following.

Bandit Heeler: Yeah. (Gasps) Really, you're on your way, and you're bringing the rest of Bluey and Bingo's friends for the BBQ at the park? Aw, thanks, mate. Once we get everything set up, we'll be sure to introduce Bluey and Bingo's friends to the team first, and then, you come in. Alright, see you then.

Bandit hung up.

Bluey Heeler: Dad, was that?

Bandit Heeler: Yep, he's on the way along with the rest of your friends and Bingo's friends. Now, we got to keep this a secret, this is also someone J.D. hadn't seen since high school from the looks of it.

Chilli Heeler: That's true.

Bingo Heeler: I still feel bad he hadn't seen his friend in years.

Stripe Heeler: I know, and after what happened two years ago, J.D.'s gonna find out the truth.

Radley Heeler: Same with his parents.

Bandit Heeler: Right. So, you can't say a word about this to Lincoln, Bluey, same with Clyde, Bingo.

Bluey and Bingo Heeler: Okay, Dad.

The Heeler Family came back.

Nico: Who was that, Bandit?

Bandit Heeler: We got a call from Bluey and Bingo's friends to meet at the park for a BBQ.

Me: Whoa!

Lincoln: A barbecue for my rescue, that's for the first part, and we'll get a chance to meet Bluey and Bingo's friends.

Bluey Heeler: We made sure to tell them of you and Clyde, Lincoln, or rather, they know about you and Clyde already because of the news.

Me: Word traveled pretty fast.

Radley Heeler: You've no idea, you guys have really made quite the reputation. Even my old friends at the oil rig were talking.

Frisky Heeler: Along with some old friends of mine and Chilli's. Plus, you'll be needing even more help especially against Anti-Monitor.

Nico: We're always ready to accept all the help we can get.

Radley Heeler: Glad to hear.

Suddenly, we heard the wails of the souls of the damned, and we saw a massive pitch black tornado of darkness appear with vampire bats, fiends, and the wailing souls of the damned swirling around it, and it was enough to send chills down our spines! Then, when the tornado faded, what stood in its place is a girl who was tall at 360'11" in height, she has the body of a goddess, long dark blue hair, crimson red eyes, vampire fangs, she has Darkbishop Archfiend on her forehead, black short-sleeved blouse, black frilly short-sleeved shirt, black skirt, black knee-high high-heeled boots with black butterfly buckles, and long black long-sleeved coat with darkness, stars, demons, fiends, vampires, dark magic, Black Magic, Satanic Magic, phoenixes, and angels on the coattails, and on the back is Darkbishop Archfiend, and she has a darkness greatsword in hand.

Lincoln: (GASPS) Jackie Nefaria, Avatar of Darkbishop Archfiend and Vampire Dark Queen of The Archfiends.

Jackie Nefaria: Good to see you, Lincoln. Hello, sisters, Nico, and Qin.

Nico: Oh man, the younger sister of The Nefaria Sisters is here?!

Qin: Another Vampire Dark Queen of The Archfiends is here!

Me: Lincoln, you know her?! Same with you and Qin, Nico?!

Lincoln: Indeed I do, J.D.

Anna Anyanova: And so do we, this is Jackie Nefaria, Avatar of Darkbishop Archfiend and Vampire Dark Queen of The Archfiends, she's Lincoln's Guardian Angel from Transylvania and she's the younger sister of Renata Nefaria, Natalia Nefaria and the Nefaria Sisters, she's a Goth Girl who was born into darkness, and she has all the powers of dark magic, darkness, occult magic, and she can even summon all the forces of the undead and horror and have all kinds of powers that can give people nightmares forever. Jackie Nefaria was born with midnight black angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, dark magic, black magic, Satanic magic, The Dark Arts, The Occult, immense omnipotent powers of darkness, the creatures of the night, the vampires, the archfiends, and deities of darkness multiplied by infinity, and she also has all the powers of Darkbishop Archfiend. She's the member of The Dark Archfiend Vampire Coalition, a group formed by Melanie Nefaria and her many sisters who are also Avatars of the other Archfiend Duel Monsters to defend Lincoln and use the powers of darkness to punish his enemies and protect the world from the dark forces of the dark witches, wizards, and warlocks who used their dark powers and gifts to inflict pain and misery on humanity, and she's one of the eight members of The Dark Archfiend Vampire Chess Masters, eight powerful elite warriors of darkness who happen to be The Avatars of Darkbishop Archfiend, Desrook Archfiend, Imprisoned Queen Archfiend, Infernalqueen Archfiend, Shadowknight Archfiend, Terrorking Archfiend, Masterking Archfiend, and Vilepawn Archfiend, are also among the most powerful of The Dark Archfiend Vampire Coalition who ride out into the darkness of the night to terrorize Lincoln's enemies by summoning demons and archfiends to haunt their dreams and turn them into neverending nightmares that'll last for eternity. Jackie Nefaria moved to Royal Woods where she met

Lincoln, and she taught him The Darkness Archfiend Path, and Lincoln gained even more omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, dark magic, black magic, Satanic magic, The Dark Arts, The Occult, immense omnipotent powers of darkness, the creatures of the night, the vampires, the archfiends, and deities of darkness multiplied by infinity, and he also gained the powers of Darkbishop Archfiend, and she knew Lincoln was already born with immortality and invincibility, but she also knew that Lincoln was also a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and a powerful master of darkness along with being born as a powerful master of light, and more than once, she'd kissed him on the lips and made out many times underneath the full moon and he came back home glowing with more power and energy and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. She's also great friends with Lucy and The Young Morticians' Club, and she despises Flip with a bloody passion, and she swore to not only destroy him, but also, to curse him and his family to an eternity of being killed and mutilated over and over again, never knowing the release of death, and having every last bit of his ill-gotten wealth snatched away from him!

WE SCREAMED IN TERROR!

Me: OH, SWEET UNHOLY JUMPING BUTT BURPS!

Nico: Yeah, Jackie is that terrifying especially when she gets pissed, and if you piss her off, it's not gonna end well for you at all.

Qin: I can't even count how many curses she's inflicted on the shitheads back in New Jersey!

Lincoln: Or Royal Woods.

Renata Nefaria: And she's known as The High Priestess of Dark Curses, a master and creator of the darkest kinds of curses.

Jackie Nefaria: Which are also fatal, but only to the most irredeemable. (To Lincoln) And it's so good to see you again, Lincoln, it's been eight years since we last met, but you've really grown that much.

Suddenly, Jackie Nefaria had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Jackie Nefaria was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Jackie Nefaria: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Jackie Nefaria's waist and hugged her, and Jackie Nefaria was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar,

Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jackie Nefaria: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, dark beard stubble on your jawline, thick brown goatee, and dark chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Suddenly, Lincoln pinned Jackie Nefaria to the floor with his massive muscular arms still wrapped around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Melanie Nefaria with crimson red gems on the gold lightning bolts and fiery red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: But, this means your appearance is going to mean we'll be meeting the rest of your sisters as well after Nico's rescues. (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Takanuva.

Pohatu: Another Me? That means who I'm facing is none other than...!

Lincoln: Kai of Kamen Rider Den-O.

Eli: (Sensed seven massive energy signals) WHOA! And I just sensed seven massive energy signals, and The Force is strong in them!

Lincoln: Seven massive energy signals?! It's them! The Princesses of The Planets!

Nico: Who?

Anna Anyanova: The Princesses of The Planets, a group of Lincoln's Guardian Angels who are the princesses of many of the planets of the universe like Coruscant, Kamino, and beyond, and they have the same powers as ALL THE GUARDIAN ANGELS OF LINCOLN LOUD like always and beyond. But they are stronger than the Sith and the Jedi and more, and they have fought against many dangerous threats to the universe, and that also included The Sith and the notorious Sith Lord, Palpatine! They knew of what happened long ago when The Xiaolin Monks defeated Chase Young back in 2015 and banished him to the distant volcano planet, Dhakgun, and where he set up his base on Mount Horrorflame where he continued to wreak havoc all over the universe and where he was responsible for starting the events that led to Andross becoming power mad and many more that led to so many other lives being destroyed before we permanently ended him and fulfilled The Prophecy of Amaterasu.

Me: WHOA!

Eli: I've heard about them from the legends on many of the planets The Jedi have gone too, and many of them despise The Sith and Palpatine.

Lincoln: Along with Näkhäsh, Father of Shadows and Creator of the Dark Side of the Force.

Leap Frog was next.

Leap Frog (to Lightning Dust): You guys met Kris Sallington's enemy. What's her name?

Lightning Dust: You are not going to like this. Her name is Darlene Cross. She was an old bully of hers that she busted and sent to prison for the rest of her fucking life. The reason? She murdered 10 people and sexually abused, tortured and killed her sister Vina! Darlene was given the Death Penalty but escaped prison before her sentence could be carried out and vowed revenge on Kris!

THEY GASPED IN SHOCK!

Leap Frog: OH MAN! I know Darlene Cross.

Lightning Dust: You do?

He took off his mask and had black hair and green eyes.

Leap Frog: Aw Darlene, (Sighs) I can't believe you would become this horrible monster. I may have been a villain but I would never kill or rape. You see Lightning Dust, Darlene Cross was my ex girlfriend. We dated for a while. But then she showed me her evil self. She killed and murdered children and raped girls. I broke up with her and when I heard she got sent to death row, I was happy. But when I heard she escaped I was shocked. But it's good you kept her alive. I want to say some things to her before Kris and J.D. kill her.

Lightning Dust: It will be done. Love may be blind, but that is why you need to run a VERY THOROUGH background check on people to make sure they are right for you. But Vincent, I'm sorry it didn't work out with you two.

Leap Frog: It's all right Lightning Dust.

Ponyta: If Nico heard that his skeleton would have fallen out.

Mika Kuzuru: Yeah no kidding.

Princess Celestia: Yeah that is shocking!

Dawn Eclipse: It sure is.

Princess Celestia (G5): I agree on that.

King Solar: At least we can let you talk to her one last time after we're done here.

Leap Frog: I would like that very much.

Solar Eclipsa: Good.

Amber Morning: Yeah.

Spotlight: Just to get it off your chest.

Leap Frog: Indeed. (Puts mask on) Lets do this!

Lightning Dust used her Keyblade called The Thunder Redemption. They fired waves of lightning and light and smashed them down

Paula: Professor Paradox made sure he can't escape and this is gonna be fun!

Toru Hagakure: Now we got him right where we want him

Aussa: Yeah and Kai is going to be another long forgotten after today.

Princess Luna: That is for sure and it will hurt!

Dusk Eclipse: It sure will and it will be good we are rid of him.

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a massive planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the female inhabitants and the females will feel like they're in permanent heat and want to mate and have sex with the male inhabitants, and protected by a race of omnipotent powerful warrior angels born for pure primal lust, passion, sex, and seduction: the females are born with the voluptuous bodies of all the Goddesses of Lust, Passion, Sex, and Seduction, massive busts, and curvy hips that'd make men hoot and howl like jackals, and the males who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength, war, and sex, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, passion, sex, and seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln woke up, but he had a nosebleed when he saw the females.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Lustaira, a massive planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air of Lustaira is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the females and the females will feel like they're in permanent heat and want to mate and have sex with the males, and protected by The Lustairans, a race of omnipotent powerful warrior angels born for pure primal lust, passion, sex, and seduction: the females are born with the voluptuous bodies of all the Goddesses of Lust, Passion, Sex, and Seduction, massive busts, and curvy hips that'd make men hoot and howl like jackals, and the males who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength, war, and sex, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, passion, sex, and seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

Lincoln: Oh boy...! I've been to Lustaira eight years ago, I was able to endure being on Lustaira with ease because I'm not only a gentleman, but I also has control over his primal urges when I turned 13 and puberty and my hyperpuberty hit me like a freight train, and I didn't get any nosebleed rocket attacks, and that place was really intense.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Lustaira.

Lincoln landed on Planet Lustaira, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Lustaira.

Suddenly, Lincoln let out a primal growl as his body started feeling even hotter than ever!

Lincoln: (GROWLS) Lustaira's aphrodisiac air, my body's growing hotter, and I'm starting to feel the sudden urge to have sex with my harem yet again.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male who's really tall at 9,999'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, long purple hair going down to his shoulders, purple eyes, massive purple angel wings, and he has on a purple loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Asmodeus Lustaira, King of The Lustairans of Planet Lustaira.

Lincoln: I do, he's the father of my Guardian Angel, Laura Lustaira, Queen of The Lustairans of Planet Lustaira, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female bodybuilder who was tall at 1,000'11" in height, she has the voluptuous body of all the female Goddesses of Lust, Passion, Sex, and Seduction times infinity and massive bust clocking in at 600 cm, curvy hips, smooth legs, and bottom that would make many men hoot and howl like jackals, long purple hair, pink eyes, she was dressed in a purple two-piece bikini, and enormous purple angel wings with fire reflecting in the feathers.

Lincoln: (Smirks) I knew that was you, Laura Lustaira.

Laura Lustaira: (Smirks) Well, I wonder what it was that gave me away. You're always so sharp and focused just like the rest of your body thanks to all that training and hard work you underwent under us.

Then, all of the other Googol of Vigintillions of male Lustairans came to Lincoln.

Asmodeus Lustaira: That's correct, and this was something Laura wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Asmodeus Lustaira: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Asmodeus Lustaira chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Asmodeus Lustaira: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Asmodeus Lustaira and the other Googol of Vigintillions of male Lustairans embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, passion, sex, and seduction, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a purple aura with flames of lust surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Asmodeus Lustaira: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Laura Lustaira: But, first, follow me inside, I have a little something for you, my Alpha Male King of Lustful Passion.

Lincoln followed Laura Lustaira to The Temple of Lustful Passion and down into their underground dungeons, and there, he saw Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy.

Lincoln: Whoa! Are those the prisoners you and your men captured for trying to rape the female Lustairans?

Laura Lustaira: Yes, when an army of male Infernairans showed up to destroy The Temple of Lustful Passion, my men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Lustairans are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Lincoln: Oh man.

Laura Lustaira: Because of us pumping that cocktail into their bodies, they turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of the prophecy.

Lincoln: Me. Alright then.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of the Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes, and he began absorbing them and he assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused Laura Lustaira even more, and at the same time, the Googol of Vigintillions of male hulking musclebound prisoners suddenly began growing extremely weaker and they were also shrinking in height as all their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass were being sucked out of them one at a time and was pumped into Lincoln.

Suddenly, Lincoln's deep sapphire eyes were glowing even more as he felt all of the excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass of the Googol of Vigintillions of male hulking musclebound prisoners really flood his body with power and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more.

Prisoner: (Groans In Pain) Me can't take much more of this..., puny God sucking us dry!

Then, when Lincoln was done and the stingers changed back, nothing was left of the prisoners, and Lincoln sucked their souls dry of every last bit of energy and lust they were flooded with, and he had them sent to The Black Abyss.

Suddenly, Lincoln was too caught up with the excessive surges of excessive power rushing through his veins and body because of him absorbing all of the Googol of Vigintillions of male hulking musclebound prisoners and assimilated of their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass: he felt like his body was even more on fire and really bursting with power and strength and his deep sapphire blue eyes were still glowing, and then...!

MASSIVE SOUL-CRUSHING EARTH SHATTERING ROAR OF DOMINANCE!

Lincoln let out a massive soul-crushing earth shattering dominant roar as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythical beasts and animals exploded out, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more, and he pounded his chest like an Alpha Male gorilla and flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Laura Lustaira felt the heat of Lincoln's raw display of raw manliness and male dominance.

Laura Lustaira: Ah, yes, the roar of male dominance, the display of raw manly power! It's been a very long time hearing it. But, before you absorb our planet, Temple of Lustful Passion, the planet's many temples, the planet's crimson red core of lust, and Lustaira's burning Sun of Lustful Passion into your body, it's been two years since we last had an...intimate moment.

Suddenly, Laura Lustaira went up to Lincoln and she placed her hands on his massive hairy pecs and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Laura Lustaira also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high and infinite sex drive, infinite hyperpuberty, and genes he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from glowing deep sapphire blue to glowing deep blood red with slit pupils.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Laura Lustaira's waist and pinned her to the ground with her legs around his waist, her stomach pressed against his twelve-pack abs, and her massive bust pressed against Lincoln's massive pecs and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Laura Lustaira with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she then took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold

Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep blood red eyes turned neon glowing deep blood red along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Laura Lustaira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out a loud roar and manly wolf howl of dominance, and a nude Laura Lustaira left feeling pleasured.

Laura Lustaira: (In Heaven) Oh God, you've become such a...primal...virile, and manly beast, Linky.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Laura Lustaira to his room and he flew deeper and deeper into the planet, and he found Lustaira's crimson red core of lust, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Lustaira, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with The Temple of Lustful Passion and the planet's many temples into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Lustaira's burning Sun of Lustful Passion and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, and despite being asleep, Arachneva Jorogumaira felt it as she smiled in her sleep.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And

you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Lustaira, a massive planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air of

He finished and returned the book to Lincoln's room.

Me: (GASPS) THE PLANET OF LUST!? OH MAN!

Helen Hellraira: Oh God, I remember Lustaira, if you thought Hellraira was scary, my father told me there are nine planets that are based on the Nine Circles of Hell.

Nico: And I remember Lustaira from the legends, and no Saiyan warrior would ever set foot on that planet! The air of Lustaira is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the females and the females will feel like they're in permanent heat and want to mate and have sex with the males, and the female Lustairans were born with the voluptuous bodies of all the Goddesses of Lust, Passion, Sex, and Seduction, massive busts, and curvy hips that'd make men hoot and howl like jackals, along with vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability.

Lincoln: I think it's best not to show them what they look like though.

May: And how were you able to survive going to a planet like that?!

Lucy Loud: Lincoln's able to endure that planet with ease because he's not only a gentleman, but he also has control over his primal urges especially when puberty and his hyperpuberty kicked in and it hit him like a freight train, and that made it evident when he went to Lustaira eight years ago, and he proved himself to be the perfect gentleman and he didn't get any nosebleed rocket attacks.

Maria: Lucky...!

Then, we saw Laura Lustaira enter and she sat with Lincoln.

Me: Whoa, and who's the voluptuous angel who looks like she wants to get intimate with you?

Anna Anyanova: Oh God, this is Laura Lustaira, Queen of The Lustairans of Planet Lustaira and Goddess of Absolute Lust, Passion, Sex, and Seduction, she's Lincoln's Guardian Angel from Planet Lustaira, a massive red planet of fire and lust whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing roars of raw power, strength, lust, passion, sex, and seduction that rages through eternity, and the air of Lustaira is a powerful aphrodisiac air that fills the lungs of those who dare to come here full of lust and sexual hunger: the males will feel like they're in permanent heat and want to mate and have sex with the female Lustairans and the females will feel like they're in permanent heat and want to mate and have sex with the male Lustairans. But, Laura Lustaira herself is far beyond them, a Goddess of Absolute Lust, Passion, Sex, and Seduction and The Lustairan's powerful and skilled warrior and commander. In addition to being a powerful and strong hand-to-hand combatant, powerful skills in wrestling, fighting, and martial arts, she has immense omnipotent power over everything related to lust, sex, passion, and seduction, godly superhuman strength, power, godly superhuman durability, godly superhuman endurance, godly superhuman adrenaline, and the power to summon the spirits of lust to control her enemies, and with every challenge, her power only grew stronger. Laura Lustaira was born with enormous angel wings with fire reflecting in the enormous crimson red feathers, the voluptuous body of all the female Goddesses of Lust, Passion, Sex, and Seduction times infinity and massive bust clocking in at 600 cm, curvy hips, smooth legs, and bottom that would make many men hoot and howl like jackals, and she carried the heart of a sex goddess within her wielding the raw might of her people times infinity, as well as omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, lust, sex, passion, and seduction. When an army of male Infernairans showed up to destroy The Temple of Lustful Passion, she and her men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Lustairans are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions, and they are turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy. After what happened, Laura Lustaira set out to find the one that her people have talked about in an ancient prophecy: a young man with a powerful spirit and determination that would carry on the legacies of the many races who'd fallen victim to The Infernairans, and that young man...was Lincoln Loud. Laura Lustaira descended unto Earth and Royal Woods in a crimson red fireball where she met Lincoln, and he saw her and she swore to protect him with her lust-filled heart. She trained Lincoln in The Path of The True Alpha Male Lust God: training him in powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance and lust, raw adrenaline, raw might, raw strength, raw power, male dominance, male aggression, and the powers of lust, sex, seduction, and passion, and under her lustful gaze and guidance, Lincoln gained even more omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive elephant level libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass immense omnipotent powers of fire, flames, lust, sex, passion, seduction, powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance and lust, raw adrenaline, raw might, raw strength, raw power, male dominance, and male aggression, and she also enhanced and made his immortality and invincibility even more powerful than ever, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, an extremely powerful, godly, gigantic, massive, handsome, sexy, and extremely super strong manly wolfman and God with rugged good looks and endowed with abnormally massive and powerful upper and lower body muscles and twelve-pack abs and numerous massive and long brown wolf tails that are just as strong as his body which also grows even more stronger than ever along with enormous white angel wings and numerous sets of large white angel wings underneath his enormous white angel wings, and he becomes even more ripped than ever due to continuing on with bodybuilding and working out even more, and because of it along with the diet plan his Guardian Angels gave him, along with his hyperpuberty and genes, Lincoln gained the excessively godly powerful, massive, and excessively godly muscular body: every last massive muscle in his upper and lower body was shredded with incredible definition and bulging even more with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body and bursting with raw power, long wild and flowing hair, chiseled jawline with dark stubble on the jawline, dark hair covering his muscular forearms, and dark chest hair covering his massive pecs, and that drew out her primal lustful instincts like no one else ever had and she saw he was the one her people described in the prophecy. More than once, she kissed him deeply and full of smoldering passion, covering him in love bites causing him to come home glowing, breathless, and wagging his numerous tails like crazy, and her love for him had only intensified, and they also engaged in a smoldering lovemaking session that lasted for so many hours, and she was left glowing with energy and lust. She helped Lincoln build even more godly muscle, honed his instincts, and sharpened his inner and outer beast with sacred training from her people's priests. Laura Lustaira also gave him the ability and power to grow even more stronger with every hit he took, and she gifted him The Divine Will of The Alpha Male Lust God that her people worshipped, a powerful force of virility and strength that made Lincoln the embodiment of Lustaira's future, and with every time he has sex with his harem, he grows even stronger than ever. Lincoln absorbed the Googol of Vigintillions of her fellow male Lustairans along with using his Cell stingers on his numerous tails to absorb the Googol of Vigintillions of male prisoners and assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and he absorbed Lustaira itself along with The Temple of Lustful Passion, the planet's many temples, the planet's crimson red core of lust, and Lustaira's burning Sun of Lustful Passion into his body to preserve their legacy. One day, she received a fiery greatsword crafted by Lincoln himself, engraved with runes and forged from Lustaira's sacred ore, and to thank him, she kissed Lincoln with overwhelming smoldering passion and their hearts pounded like drums, and Lincoln returned the kiss with equal smoldering passion, and promised that when he comes of age, he will marry her and the rest of his celestial cosmic harem, and she hates the perverts with an extremely bloody passion and won't hesitate to castrate them, and she hates all of Lincoln's enemies with a fury as hot as Lustaira's fiery core, and swore to use the flames of her people to burn them all to ashes.

WE GASPED!

Nico: Oh my God, I remembered hearing the legends about her!

Nicole: That explains the deep red barrier in Lincoln's room going up last night.

Laura Lustaira: Yes, and everything Lincoln told you last night was true, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely excessive virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Lustaira's Blessing of Blazing Lust Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Laura Lustaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Take it to your bedroom, you two!

Zick woke up to see Spiritomb staring at him

Spiritomb: Morning Zick!

Zick: Oh morning Spiritomb.

Spiritomb: Time for breakfast!

Zick: Oh boy!

He went and got ready and went to the table.

Me: Morning Zick.

Zick: Morning guys.

I gave him stuffed french toast and pancakes.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was his 3rd Hypothetical Akuma, Lincoln Gluttonslob, and he's on the planet of Gluttonyairaia.

Me: What the?! Is that your?!

Lincoln: My 3rd Hypothetical Akuma, and bad news: he's on the planet of Gluttonyairaia.

Nico: Number 2 of the 8 Forbidden Planets of the Sins! Oh God!

J.D. 2: Planet Gluttonyairaia, one of the Nine Planets of Hell spoken about by Helen Hellraira and the Hellrairans, a massive dark planet of filth whose landscapes are decorated with endless temples and a massive palace, mountainous rock formations, and the echoing cries of the gluttonous doomed to suffer for all eternity, and the air of Gluttonyairaia is foul with the putrid smell of the dead and unspeakable horrors that can never be named.

WE GASPED!

Caleb Maxwell: Oh God...! (Thinking) If there's also planets based on The Circle of Anger and The Circle of Violence, I'm gonna wind up suffering a major attack from the memories of years of Drake's violence and madness along with memories of his anger, along with my own moments of anger and violence back in the 1980s and from the times I killed Drake's thugs back then in 1985 during the final days of my life along with killing his assassins back in 1993 to 1995 when I went with Mr. Blunt to West Virginia and when I returned to New York in 1996 to get revenge. This is not good, I don't want the rest of the team to find out, or they're gonna freak out!

But, we heard his thoughts.

Lincoln: We're gonna investigate about my 3rd Hypothetical Akuma, he's not a bad person, but I can sense whoever caused this is gonna be in for one nasty dose of karma.

Me: You said it.

Lincoln: Alright, now let's finish breakfast and head for Gluttonyairaia.

Nico: (GULPS) Going on a journey to The Forbidden Planets of The Sins?! This is gonna be worse than going to Hell!

We finished breakfast and we headed to Gluttonyairaia to help Nunnally unlock her Rainbow Power and solve the mystery of Lincoln's 3rd Hypothetical Akuma, Lincoln Gluttonslob, and punish the one responsible for his creation.

The U.S.S. Valorous Phoenix was flying through space.

Nico: Captain's Log, Stardate 14285.9: The U.S.S. Valorous Phoenix is en route to the planet Gluttonyairaia and this is gonna be a really unpleasant planet as we solve the mystery of Lincoln's 3rd Akuma and punish theone responsible for his creation

Staraptor: My trainer is Fu. She is an amazing friend.

Fu: It's true and we do a great job together.

Me: Awesome.

Nico: Nice choice.

Staraptor: Thank you.

Me: Awesome. Oh guys, I did a scan of the planet and saw that Dark Gale's gene-slammers are all done and we cleaned up its mess.

We cheered!

Qin: Thank goodness!

Me: Took 6 months but it was worth it.

Nico: I'm glad. Because a new type just replaced them

Me: The Children of the M.O.E.

Qin: Yeah.

Xenia: We're ready for that one.

Kendra: We already met Shendu's daughter

Xenia: Really?

Kendra: During my bonding time.

Kendra, Charlie Brown and Articuno were practicing in the training yards!

Kendra fired a fireball and it hit a dummy that looked like Valmont and exploded!

KRABBBBBBBBBOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOOMMMM!

Charlie Brown: Nice shot!

Articuno fired an Ice beam and froze a statue of Evil Tso Lan.

Kendra fired waves of fireballs and blasted statues of the Demon Sorcerers and blew them apart!

Kendra: YEAH!

Articuno: That was fun!

Kendra: It sure was.

Charlie Brown: No kidding

Articuno: Thanks for agreeing to spend time with me, Kendra

Kendra: Anytime Articuno.

Charlie Brown: Yeah this will be fun.

Kendra: Awesome!

Articuno: Remember when we first met?

Kendra: I sure do.

Charlie Brown: That is awesome.

Kendra: Yep.

Their stomachs growled.

Kendra: Getting hungry. Lets go to a chili all you can eat buffet.

Articuno: Do you regret being mutated?

Kendra: Not at all. Its a gift.

Articuno: Awesome.

Kendra: Lets go tell Nico where we're going.

They nodded.

They came in and told us

Nico: You guys going anywhere?

Kendra: We're going to a chili buffet.

Me: Cool! Can I come?

Kendra: Sure!

Nico: Have fun

Me: We will.

We were off

Articuno: Do we have to go far?

Me: Not at all. It's right up here.

We turned and saw it.

We were at the Volcano Chili Oasis Buffet.

Me: There it is.

Articuno: Nice place

We went in and got seats.

Me: This place has chili of so many kinds ranging from mild to ultra nuclear super armageddon hot.

Kendra: Wow!

Articuno: What should I pick?

Me: any flavor you want.

We went and got food.

I got a big bowl of super ultra spicy armageddon hot.

Kendra got curry chili.

Articuno got Curry cinnamon

Charlie Brown got chicken and curry flavor.

We got to eating.

Me: (Eating) Mmm!

But then...

WHOOSH!

My fire aura exploded out big time!

Me: Wow!

Articuno: Whoa!

Me: Good stuff.

They got to eating.

Kendra: (Eating) Mmm! Yummy!

Articuno: I'm surprised this isn't melting me!

Me: Me too.

We had a second bowl.

Kendra had the spiciest one and took a bite and then...

KRABBBBBBBBBBOOOOOOOOOOOOOOOOOOOOOMMMMMM!

FIRE EXPLODED OUT OF HER MOUTH!

Kendra: (Wheezing) Spicy!

We finished bowl after bowl after bowl.

We were stuffed after eating 20 bowls.

Me: Ahh! (BURPS) Oh pardon

Articuno: I even helped you against the Satanic Pumpkin

Me: You sure did.

Kendra: That was fun.

Charlie: It sure was.

Articuno burped

Me: Excuse you

Articuno: Nico and the others are missing out!

Me: I know. But this is great food.

Kendra: It sure is.

Kendra burped

Charlie Brown burped

Charlie Brown: Oh excuse me

Articuno: What now?

Me: Lets go walk it off.

Kendra: Good idea.

They went outside

Kendra: Nice day isn't it?

Me: Yep.

?: For your death!

We saw a figure we haven't seen in a while! DAOLON WONG!

Me: Daolon Wong!

FLASHBACK PAUSES

Qin: I remember us facing Daolon Wong when I joined the team.

Nico: I remember that

Jackie Chan: It has been a while since we faced him.

Qin: Yeah.

Nico: What happened next?

Me: Well we had a fun battle.

FLASHBACK RESUMES

Daolon Wong: Shame Chan isn't here. Oh well. I'll just mail him your corpses!

Me: The only corpse here is going to be you!

Kendra: That's right!

I fired a blast of energy and it blasted his right arm completely off!

HE SCREAMED IN AGONY AND PAIN!

Daolon Wong: WHAT HOW!? You've gotten stronger!? HOW!?

Me: None of your business!

Kendra got sweaty as her stomach growled

Kendra: Enter the dragon!

She snapped her fingers and donned her green jumpsuit. Then turned into ARMORSIGHT!

Her clothes ripped off as her hair fell out

Armorsight roared in fury!

Finally, she flexed her muscles as they increased

Armorsight: I am ready for action

She cracked her knuckles

CRUNCH!

Daolon Wong: You all don't scare me!

Me: You should be scared. We've gotten stronger and more powerful ever since 2019. Remember?

Articuno: You're in for cold day in Hell!

He fired ice beams and froze him.

Armorsight bashed him.

Charlie Brown and me blasted him with fire.

?: Looks like the fun started!

Shendu came.

Me: Right on time Shendu.

Daolon Wong tried to slap Charlie Brown

But Shendu grabbed his arm.

Shendu: Slapping a little kid? Don't you have any manners!?

He fired a blast of fire and blasted him down.

Daolon Wong: Look who's talking, traitor!

Shendu: You are the traitor! Just like my worthless useless son Draco!

Armorsight punched him

Me: Take that!

Then a Dragonair came!

Me: WHOA! Dragonair! Cool!

Shendu: It's not one of the Dark Gale gene-slammers is it?

Articuno: It should know better then to attack me!

Me: Wait I sense that it's not Dark Gale. Someone else.

Dragonair: (In a girls voice) I am the daughter of Shendu.

Shendu: (GASP) Huoˇniaˇo Shendu?!

She reverted back and was a girl with orange hair, red eyes, fire angel wings, orange and red clothes, had Dragonair on her forehead and had a fire sword and had the Trigram of Fire with Shendu on her arm as a cutie mark and had Dragonair's tail.

Huoˇniaˇo Shendu: Hello father. Great to see you again after 900 years.

Daolon Wong: Another filthy spawn of yours, Shendu?!

Shendu: My daughter! She is half fire demon. I married a princess long ago. I'm just glad she is back with me.

Me: The other Demon Sorcerers may have kids too. We'll find out later.

I fired waves of energy and blasted Daolon Wong.

Daolon Wong tried to slap her

But she blocked his strike and blasted him with intense fire and blasted him with laser vision!

Me: WHOA! Awesome!

Shendu: Now it's personal!

Me: Big time!

Me, Shendu, Huoˇniaˇo Shendu, Kendra, Charlie Brown and Articuno: ELEMENTAL STARDUST DEATHRAY!

We fired a massive blast of energy and elements and it enveloped Daolon Wong and obliterated him into nothing and completely destroyed him and banished him to the Black Abyss!

Armorsight: Some get me a towel

I pulled out a dark green one.

Me: Here you go.

Armorsight: Thank you

She roared in pain as she began shrinking

Me: Here we go.

I put on my blind man glasses.

Huoˇniaˇo Shendu: I know the feeling myself. Had to get used to it.

Her muscles shrank as her roars became human screams

She then turned back into Kendra.

Her hair and eyes turned back.

She put on the towel.

Me: There.

Articuno: Are you ok?

Kendra: I'll be fine.

Shendu: Good.

Me: At least that's one of Jackie Chan's major enemies dead,

Kendra: Yep.

Huoˇniaˇo Shendu: If I ever see my brother Draco, he is dead.

Me: Draco will get what's coming. But Huoˇniaˇo we had no idea Shendu was your dad too. We thought it was just Draco.

Huoˇniaˇo Shendu: It's a really long story. One that dates back to over 900 years ago

Articuno: What's your favorite memory of your dad?

Huoˇniaˇo Shendu: Where my father battled the ruthless Genghis Khan and destroyed all his men.

Me: That was back in the 13th Century.

Huoˇniaˇo Shendu: That's right.

Shendu: Good times.

Huoˇniaˇo Shendu: I wonder how Aunts Po Kong and Bai Tza and my uncles are all doing?

Me: Tso Lan is on the team, Bai Tza is on the team and the rest are all in the M.O.E.

Kendra: It's true

Huoˇniaˇo Shendu: I see.

I looked at my watch.

Me: 8:41 PM. WHOA! Time sure flew.

We went back home.

FLASHBACK ENDS

Qin: WOW!

Camie: That is incredible!

Lola: Yeah!

Eli: She wasn't the only one.

Trini Drakkon: They met me during Eli's bonding session.

Qin: That was cool!

Lola: That was when Barriss Offee appeared.

Eli: Yep.

Tangrowth: We kicked butt there.

Xenia: Wow!

Me: But it was awesome meeting Trini.

Nico: We don't know where they're coming from. But we just wanted to give you guys the heads up

Xenia: We appreciate that.

Lola: Yeah.

Me: This will be interesting and cool.

Varie: Yeah

Takanuva: Yep. Yesterday was awesome.

Nico: I didn't expect Kai to have his own Rider form

Me: Well since Negataros was destroyed he had to have some form of transformation to fit it.

Nico: Too true.

Me: But it was really cool!

Qin: It sure was.

Lola: Yep.

Nico: And no timelines were damaged

Poromon: For better or for worse.

Me: Yeah.

Eli: And the neat part is we have Dinosaurs again. Like I said, I have a soft spot for that.

Me: No worries. But that is EVERYONE's dream to see dinosaurs returned to the world.

Camie: Too true.

Lola: Yep.

Nico: Do dinosaurs count as animals?

Me: Yes they do. Dinosaurs are the ancestors of many animals and lizards that are around today.

Nico: True.

Lily: Yeah.

Eli: It's cool though.

Qin: But also Takanuva's was a powerful Celestial Being!

Takanuva: Fitting for me because my power is equal to that in a way.

Deadpool: Celestial Beings come from many worlds

Me: Yep that's right Wade. Like the Eternals, The Celestials or the Celestialsapiens or anything like that.

Xenia: Yep.

Lola: That was still fun.

Camie: It sure was.

Lisa Loud: We have arrived at our destination.

Nico: On screen.

We saw that we were at a brown stormy planet.

Maria: We're here.

Me: So that's Gluttonyairaia.

We arrived on Gluttonyairaia, and it's everything Lincoln said and his rainbow energy aura exploded as he grew stronger, same with all of us.

The stench of death was all over and it was in every way like the 3rd Circle of Hell, Gluttony.

Qin: So disgusting!

Me: (GULPS) So, this is Gluttonyairaia. Man, it's worse than The Circle of Hell, Gluttony.

Lincoln: Yep.

Nico: It sure is even more terrifying, and the smell of death is in the air.

Lincoln: This place hasn't changed one bit, it's still as awesome as ever.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) I've heard of the stories of Gluttonyairaia, and The Infernairans made the mistake invading the planet.

Lincoln: And because of it, they were killed.

Qin: Yeah.

?: (Strong Manly Voice) (Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male who's really tall at 9,999'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a purple sun and moon on his chest, long black hair going down to his shoulders, purple eyes, massive purple angel wings, and he has on a purple loincloth, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Beelzebub Gluttonyairaia, King of The Gluttonyairaians of Planet Gluttonyairaia.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln, you know him?!

Lincoln: I do, he's the father of my Guardian Angel, Jiadha Gluttonyairaia, Queen of The Gluttonyairaians of Planet Gluttonyairaia, I've also been to Gluttonyairaia eight years ago as well. And I know you're here

Suddenly, Lincoln turned around and saw a beautiful female who was tall at 1,000'11" in height, she has the voluptuous body of all the female Goddesses times infinity and massive bust clocking in at 600 cm, curvy hips, smooth legs, and bottom that would make many men hoot and howl like jackals, long purple hair, pink eyes, she was dressed in a purple two-piece bikini, and enormous purple angel wings with stars reflecting in the feathers.

Lincoln: (Smirks) I knew that was you, Jiadha Gluttonyairaia, Queen of The Gluttonyairaians of Planet Gluttonyairaia.

Jiadha Gluttonyairaia: (Smirks) Well, I wonder what it was that gave me away. You're always so sharp and focused just like the rest of your body thanks to all that training and hard work you underwent under us.

Me: Lincoln, you know her?

Lincoln: Indeed I do, J.D.

Nicholette Torrington: And so do we, this is Jiadha Gluttonyairaia, Queen of The Gluttonyairaians of Planet Gluttonyairaia, she's Lincoln's Guardian Angel from Planet Gluttonyairaia, one of the Nine Planets that were spoken about by Helen Hellraira and her people, a massive dark planet of endless feasts, rotting abundance, and gluttonous monstrosities where hunger is never satisfied and indulgence reigns supreme, and the air of Gluttonyairaia is foul with the putrid smell of the dead and unspeakable horrors that can never be named. Jiadha Gluttonyairaia is the Queen of the Gluttonyairaians, a race of omnipotent powerful warrior angels of bottomless appetite, grotesque power, and monstrous transformation who have used the powers of Gluttony to inflict unimaginable pain and suffering on the guilty, and the male Gluttonyairaians who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength and war, but they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of hellfire, darkness, and the powers of Gluttony times infinity, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility. But, Jiadha Gluttonyairaia herself is far beyond them, a voluptuous, towering figure of grotesque beauty and infernal majesty, with skin like molten chocolate and eyes glowing with cursed amber flame with The Powers of Gluttony at her disposal and her people's most powerful and skilled warrior and commander, and her mouth when opened fully reveals a black hole of consumption that devours anything, even souls and dimensions. Her power is absolute gluttony: to consume, to absorb, to digest all things and convert them into power. She can eat energy, time, sound, memories, emotions, even deities. She is the living Abyss of Hunger. In addition to being a powerful and strong hand-to-hand combatant, powerful skills in wrestling, fighting, and martial arts, she has immense omnipotent power over everything related to Gluttony, godly superhuman strength, power, godly superhuman durability, godly superhuman endurance, godly superhuman adrenaline, and the power to summon the spirits of Gluttony to control her enemies, and with every challenge, her power only grew stronger. Jiadha Gluttonyairaia was born with enormous black angel wings, the body of a goddess and large breasts and no matter how much she ate, she never ever gains weight, and she carried the heart of The Goddess of Gluttony within her wielding the raw might of her people times infinity and her power transcends that of her people: immense control over hunger, consumption, matter manipulation, biomass growth, corruption, demonic gluttony, omnipotent digestion, and the ability to grow stronger with each devoured thing, as well as omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of hellfire, darkness, mud, filth, and the powers of Gluttony. When an army of male Infernairans showed up to destroy The Temple of Gluttony, she and her men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Gluttonyairaians are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions, and they are turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and their minds are corrupted wanting more of the serum pumped into their bodies, and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy. After what happened, Jiadha Gluttonyairaia set out to find the one that her people have talked about in an ancient prophecy: a young man with a powerful spirit and determination that would carry on the legacies of the many races who'd fallen victim to The Infernairans and who'd out-glut her own people with purpose and strength, and that young man...was Lincoln Loud. Jiadha Gluttonyairaia descended unto Earth and Royal Woods in a column of darkness where she met Lincoln, and he saw her and she swore to protect him with her heart. She trained Lincoln in The Path of The Glutton God: training him in powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance, raw adrenaline, raw might, raw strength, raw power, male dominance, male aggression, and the powers of the darkness of Hell, hellfire, mud, and the powers of Gluttony, and how to harness Gluttony as a weapon, not just of consumption, but of conversion. Through her, he learned to devour attacks, absorb energies, consume sins, and transmute the matter into unbreakable power, and over time, Lincoln gained the ability to digest entire armies, absorb dimensions, and feed on forgotten gods all while retaining his honor and humanity, and under her gaze and guidance, Lincoln gained even more omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive elephant level libido, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass immense omnipotent powers of the darkness of Hell, hellfire, mud, and the omnipotent powers of Gluttony times infinity, powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, roars of dominance, raw adrenaline, raw might, raw strength, raw power, male dominance, and male aggression, and she also enhanced and made his immortality and invincibility even more powerful than ever, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, an extremely powerful, godly, gigantic, massive, handsome, sexy, and extremely super strong manly wolfman and God with rugged good looks and endowed with abnormally massive and powerful upper and lower body muscles and twelve-pack abs and numerous massive and long brown wolf tails that are just as strong as his body which also grows even more stronger than ever along with enormous white angel wings and numerous sets of large white angel wings underneath his enormous white angel wings, and he becomes even more ripped than ever due to continuing on with bodybuilding and working out even more, and because of it along with the diet plan his Guardian Angels gave him, along with his hyperpuberty and genes, Lincoln gained the excessively godly powerful, massive, and excessively godly muscular body: every last massive muscle in his upper and lower body was shredded with incredible definition and bulging even more with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body and bursting with raw power, long wild and flowing hair, chiseled jawline with dark stubble on the jawline, dark hair covering his muscular forearms, and dark chest hair covering his massive pecs, and that drew out her primal instincts like no one else ever had and she saw he was the one her people described in the prophecy. More than once, she kissed him deeply and full of smoldering passion, covering him in love bites causing him to come home glowing, breathless, and wagging his numerous tails like crazy, and her love for him had only intensified, and they also engaged in a smoldering lovemaking session that lasted for so many hours, and she was left glowing with energy. She helped Lincoln build even more godly muscle, honed his instincts, and sharpened his inner and outer beast with sacred training from her people's priests, and his True Alpha Werewolfairan-Vampirairan-Cyborg nature grew even more potent with each bite. Jiadha also gave him the ability and power to grow even more stronger with every hit he took, and she gifted him The Divine Will of The Alpha Male Glutton God that her people worshipped, a powerful force of virility and strength that made Lincoln the embodiment of Gluttonyairaia's future, and with every time he eats, he grows even stronger than ever, and combined with his enormous appetite that rivals The Saiyans and our resident gluttons, he still never gains weight, only muscle and energy. Lincoln absorbed the Googol of Vigintillions of her fellow male Gluttonyairaians along with using his Cell stingers on his numerous tails to absorb the Googol of Vigintillions of male prisoners and assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and he absorbed Gluttonyairaia itself along with The Temple of Gluttony, the planet's many temples, the planet's cursed core, and its' burning Sun of Gluttony into his body to preserve their legacy. One day, Lincoln forged for her the Fork of Famine, a trident-bladed halberd made of obsidian and starbone, able to pierce even divine bellies, and Jiadha gifted him her Stomach Stone, the metaphysical core of her world's Gluttonous Will, and he also devoured the cursed essence of Gluttonyairaia, its sinful skies, its planetary stomach, and the Glutton-Sun, sealing their legacy inside himself forever, and to thank him, she kissed Lincoln with overwhelming smoldering passion and their hearts pounded like drums, and Lincoln returned the kiss with equal smoldering passion, and promised that when he comes of age, he will marry her and the rest of his celestial cosmic harem, and she hates the perverts with an extremely bloody passion and won't hesitate to castrate them, and she hates all of Lincoln's enemies with a fury as hot as Gluttonyairaia's fiery core, she sees them as a dry, tasteless crumb on a greasy plate. She swore to roast them, glaze them, serve them on a silver platter and devour their souls until only shame remains, and even swore to use the dark powers of her people to force them to eat until they become fat slobs, and when they overeat, they'll become so bloated, they'll explode in a mess of gore.

Me: Oh man...! So, thanks to her, you learned how to devour attacks, absorb energies, consume sins, and transmute the matter into unbreakable power, and over time, you gained the ability to digest entire armies, absorb dimensions, and feed on forgotten gods all while retaining his honor and humanity.

Lincoln: Yep.

Nico: Incredible!

Then, all of the other Googol of Vigintillions of male Gluttonyairaians came to Lincoln.

Beelzebub Gluttonyairaia: That's correct, and this was something Jiadha wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Beelzebub Gluttonyairaia: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Beelzebub Gluttonyairaia chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Beelzebub Gluttonyairaia: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Beelzebub Gluttonyairaia and the other Googol of Vigintillions of male Gluttonyairaians embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of darkness, hellfire, and the omnipotent powers of Gluttony times infinity, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! This feels incredible. RRGH! (WOLF ROAR)

When it was all done, Lincoln's rainbow, white, golden yellow, and blue energy aura with elemental forces, animals, and mythological beasts and rainbow protective aura and holy white aura and blue cosmic energy aura was raging like a really massive wildfire and he has a dark purple aura with dark flames of death surrounding him and overflowing with such infinite primal power and ferocity as he pounded his chest like a gorilla.

Lincoln: Whoa...! (GROWLS) This feels so incredible!

Suddenly, Lincoln flexes his massive muscles as his massive biceps bulged even more with veins forming and the image of tank turrets firing formed on his massive biceps and the image of cannons firing formed on his massive pecs.

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Beelzebub Gluttonyairaia: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Jiadha Gluttonyairaia: But, first, follow me inside, I have a little something for you, my Alpha Male King of Gluttony.

Lincoln and all of us followed Jiadha Gluttonyairaia to The Temple of Gluttony and down into their underground dungeons, and there, he saw Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy.

Lincoln: Whoa! Are those the prisoners you and your men captured for trying to rape the female Gluttonyairaians?

Jiadha Gluttonyairaia: Yes, when an army of male Infernairans showed up to destroy The Temple of Lustful Passion, my men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Gluttonyairaians are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Lincoln: Oh man.

Jiadha Gluttonyairaia: Because of us pumping that cocktail into their bodies, they turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of hunger and wanted more of that serum and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of the prophecy.

Lincoln: Me. Alright then.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of the Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes, and he began absorbing them and he assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused Laura Lustaira even more, and at the same time, the Googol of Vigintillions of male hulking musclebound prisoners suddenly began growing extremely weaker and they were also shrinking in height as all their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass were being sucked out of them one at a time and was pumped into Lincoln.

Suddenly, Lincoln's deep sapphire eyes were glowing even more as he felt all of the excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass of the Googol of Vigintillions of male hulking musclebound prisoners really flood his body with power and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more.

Prisoner: (Groans In Pain) Me can't take much more of this..., puny God sucking us dry!

Then, when Lincoln was done and the stingers changed back, nothing was left of the prisoners, and Lincoln sucked their souls dry of every last bit of energy and lust they were flooded with, and he had them sent to The Black Abyss.

Suddenly, Lincoln was too caught up with the excessive surges of excessive power rushing through his veins and body because of him absorbing all of the Googol of Vigintillions of male hulking musclebound prisoners and assimilated of their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass: he felt like his body was even more on fire and really bursting with power and strength and his deep sapphire blue eyes were still glowing, and then...!

MASSIVE SOUL-CRUSHING EARTH SHATTERING ROAR OF DOMINANCE!

Lincoln let out a massive soul-crushing earth shattering dominant roar as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythical beasts and animals exploded out, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more, and he pounded his chest like an Alpha Male gorilla and flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Jiadha Gluttonyairaia felt the heat of Lincoln's raw display of raw manliness and male dominance.

Jiadha Gluttonyairaia: Ah, yes, the roar of male dominance, the display of raw manly power! It's been a very long time hearing it. But, before you absorb our planet, the cursed essence of Gluttonyairaia, its sinful skies, its planetary stomach, and the Glutton-Sun, into your body, it's been two years since we last had an...intimate moment.

Suddenly, Jiadha Gluttonyairaia went up to Lincoln and she placed her hands on his massive hairy pecs and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Jiadha Gluttonyairaia also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Jiadha Gluttonyairaia's waist and pinned her to the ground with her legs around his waist, her stomach pressed against his twelve-pack abs, and her massive bust pressed against Lincoln's massive pecs and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold

halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jiadha Gluttonyairaia with purple gems on the gold lightning bolts and purple crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she then took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Eli: What's this?! Lincoln's power is rising even more.

Jiadha Gluttonyairaia: That's my special gift to him: Gluttonyairaia's Blessing of Divine Darkness Glutton Justice, and each of the Forbidden Zone Planet Queens have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolfman with really massive and powerful upper and lower body muscles and twelve-pack abs. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and he brought her closer to his body even more and she really felt how much stronger he really is.

Jiadha Gluttonyairaia: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well. We'll have plenty of time tonight to reconnect in a more...intimate way.

Shanan: Oh crud, I also forgot Gluttonyairaians both males and females were extremely passionate when it came to sex and lovemaking.

Lily the Mermaid: Ooh boy.

Lincoln: That'll be for much later.

Horsea was scared.

Maria held her.

Lincoln: Okay, guys, we're in for one intense battle, we're here on the planet of Gluttonyairaia to help Nunnally unlock her Rainbow Power and solve the mystery of my 3rd Hypothetical Akuma, Lincoln Gluttonslob, and punish the one responsible for his creation, and I can tell you about him. Lincoln Gluttonslob, the 3rd Hypothetical Akuma of Lincoln Loud and he is a SLOB AND GLUTTONOUS PIG! He eats and eats and eats and eats and eats and sits in that chair all day getting fatter and fatter. His goal is to eat and eat until he explodes! He has all the powers of Lincoln but they are weaker because of his fat body! He was made because of Chandler making fun of him and calling him a worthless pig and decided to eat like one! He vowed to eat until he explodes and kills himself.

Lincoln got out his sketchbook, and we saw him! He looked like a fat version of Lincoln drowning himself in food and watching TV all day.

WE GASPED!

Nico: GEEZ!

Me: He really let himself go.

Qin: No shit!

Me: Chandler, you goddamn pig!

Nico: So, that's how he was created. That dumb piece of shit, he's dead!

I told Bingo about my forgiveness for Zachary while leaving out the gruesome parts, she was only four at that time.

Sam Simpson heard a Pokémon cry

Sam Simpson: Here that?

Me: I don't see anything.

But then...

HOING!

Nico: WHOA!

Nico had his underwear pulled up and over his head and given an atomic wedgie!

SNAP!

Nico: HEY!

SOMETHING SNUCK UP AND GAVE NICO AN ATOMIC WEDGIE!

Nico: WHO DID THAT?!

Nico pulled his underwear off him.

Then...

POP!

Nico had his pants pulled down!

Poliwag: I SEE LONDON! I SEE FRANCE! I SEE NICO'S UNDERPANTS!

Nico: Poliwag!

May blushed.

We heard laughter.

Then it revealed itself and it was an INTELEON!

Me: An Inteleon! Wow!

Sam: That was clever.

Inteleon: Yeah I love doing that while invisible.

Me: Prankster.

Sam: Yep.

She gave it apples.

Inteleon: Thank you.

He ate them.

Sam: Want to come with me?

Inteleon: I would be honored.

Me: Awesome.

Nico: Maybe we should call Roman Goodwin here too.

Me: Okay.

We didso.

Roman Goodwin: Hey guys.

Nico: I don't know why. But we thought we should call you

Me: Yeah.

But then my back started getting itchy.

Me: What the?

I was scratching it.

Nico: You okay?

Me: Yeah my back is getting itchy.

Nico: Let me see.

Nico looked and saw something.

Nico: Here's your culprit.

He pulled off a Spinarak.

Me: Hey a Spinarak. What was a cute little guy like you doing on my back?

Nico: Maybe it's hungry

Spinarak: (In a girls voice) Sorry I just love giving tickles.

Roman: (GASP) Latros Uru Goodwin!

She reverted back and was a carbon copy of Carly but had red hair and a neon red dark signer outfit and had the Spider Mark with Earthbound Immortal Uru and a black widow spider as a cutie mark.

Latros Uru Goodwin: Hey daddy. Good to see you again.

They went and hugged.

Rhianna Goodwin: Latros!

She went and hugged too.

Yusei: You're a Dark Signer too, right?

I saw their marks not reacting.

Me: No reaction.

Latros Uru Goodwin: No I'm not actually.

She revealed on her arm that there was no Nazca Line mark.

Me: No Spider Mark.

Latros Uru Goodwin: I have all of Earthbound Immortal Uru's powers and have all the powers of spiders.

Me; Wow!

Roman: Yep that's right.

Me: Amazing.

Crow: I get it. You're a regular Signer with Uru's powers

Latros: That's right.

Me: Wow! What are your memories of your father?

Latros: When I beat him in a duel with my personal deck centered around the Malefic Dragons.

We gasped!

Me: WHOA! That is cool!

Lola: Yeah!

Latros: Yep. I won and had daddy take me to the mall.

Roman: She spent $10,000 on clothes!

Leni: She and I are totes going to get along great!

Roman (chuckles): She really enjoyed the clothes, let me tell you

Me: I can see that.

Latros: I heard how you guys have been finding the children of the M.O.E. I will gladly help you all out.

Me: Cool.

Latros: But watch out for the daughter of Devack. She hurls big bunches of bananas that can crack your head open.

Nico: Thanks for the heads up.

Me: Yeah.

We took off to get after Lincoln Gluttonslob, so Lincoln can work his magic and help him and punish the Chandler from Lincoln Gluttonslob's world before we kill him and send him to The Black Abyss for good.

We were flying in the air, and there we found Lincoln Gluttonslob, Lincoln's 3rd Hypothetical Akuma.

Me: There he is. I can't believe Chandler did this, that dickhead!

Caleb Maxwell: Hey, save the profanity for after we lure the shithead out.

We landed.

Me: Lincoln, is that you?

Lincoln Gluttonslob: (Depressed Voice) Oh, hey guys.

Nico: Oh man, and he's also depressed too? Damn that Chandler!

Lincoln: We know how you became like that, and the one who's to blame for it...is right here!

Lincoln fired an energy blast that exposed Chandler from Lincoln Gluttonslob's world!

Lincoln Gluttonslob: CHANDLER! This is all your fault! You've always been a miserable, heartless, monstrous bully who got off on making fun of me and making me miserable! And what you said in calling me a worthless pig, that went too far, if anything, YOU are the worthless pig here!

Chandler from that world was about to scream his head off, but Lincoln fired sticky slime at his mouth to shut him up.

Nico: Nice one. Honestly, I don't even want that sewage brat to even say a single damn word, he doesn't get to speak anymore!

Caleb Maxwell: Nor does he deserve to live!

Caleb Maxwell was about to walk over to kill him, but Lincoln made a wall of holy fire that cut off the dark angel's advance!

Lincoln: No, Caleb, I know you want to kill him, but leave this to me. (To Lincoln Gluttonslob) You're not a bad Akuma, no, if anything, you're a Good Akuma, and I've got an idea on how you can get some well-deserved payback and retribution on Chandler.

Lincoln Gluttonslob: You would help me? Really?!

Lincoln: (Smiles) That's right.

Lincoln Gluttonslob had tears in his eyes and a smile on his face.

Lincoln Gluttonslob: What do you have planned?

Lincoln: I'm going to transfer all of your body fat into your world's Chandler, and the rest will be left to me.

Lincoln got out a liposuction machine, and he attached the tubes onto Lincoln Gluttonslob's body and onto the Chandler from Lincoln Gluttonslob's world.

Lincoln: Alright, here goes.

Lincoln activated the machine, and the liposuction machine began sucking out all of the fat from Lincoln Gluttonslob's body and began pumping it into the Chandler from Lincoln Gluttonslob's world. But, then, we proceeded to see the transformation from Lincoln's 3rd Hypothetical Good Akuma as his hair and nails became more healthier and nourished, his skin became healthier and cleaner, and he becomes thinner and his health improved dramatically, but at the same time, the Chandler from Lincoln Gluttonslob's world went from skinny into fat slob, his hair and nails which were already dirty and smelly became even more dirtier and disgusting, his already disgusting skin became dirtier and unhealthier, and his health became really horrific! HE TURNED INTO CHANDLER GLUTTONSLOB!

Then, as soon as it was done, Lincoln removed the tubes and the machine vanished, and Lincoln's 3rd Hypothetical Good Akuma was restored to good health as he saw in the mirror.

Lincoln Gluttonslob: Whoa! I'm restored to good health. (Sees his fat clothes falling, but sees he's in a pair of comfortable shorts) And I don't need those fat clothes! Now what?

Lincoln: Now comes this.

Lincoln activated a sequence on his left Bracer's wrist computer and a machine appeared on top of his 3rd Hypothetical Good Akuma and inside a glass jar is a blood red serum, a massive powerful and potent cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Then, the tubes descended down and were attached onto Lincoln's 3rd Hypothetical Good Akuma's chest, back, arms, stomach, crotch, and legs. Then, Lincoln activated the machine, and the machine began pumping the massive powerful and potent cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions into his 3rd Hypothetical Good Akuma's body.

Lincoln Gluttonslob: (GROWLS) Ooh yeah, this feels incredible. RRGH!

Then, when the machine was done pumping the massive powerful and potent cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions into his 3rd Hypothetical Good Akuma's body, the tubes were removed and the machine disappeared.

Then, Lincoln approached his 3rd Hypothetical Good Akuma.

Lincoln: Okay, now drink this.

Then, Lincoln also got out a bucket, but inside it was his potent and mega powerful True Alpha Male Werewolfairan-Vampirairan-Cyborg hybrid blood, and it was neon glowing red. His 3rd Hypothetical Good Akuma drank it all.

Lincoln Gluttonslob: That was good. Wait, what was that?

Lincoln: That was my potent and mega powerful True Alpha Male Werewolfairan-Vampirairan-Cyborg hybrid blood you just ingested, and the cocktail that was pumped into your body, that was a massive powerful and potent cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Lincoln Gluttonslob: Wait, what? (GROWLS) Oh man, I'm burning up! But, at the same time, it feels...so good! RRGH! I WANT MORE!

Lincoln: (Smirks) Trust me, you're about to get your wish.

Suddenly, Lincoln Gluttonslob started to remember everything he did with his friends and family and all the good times he had.

Then, the memories of all the good times he'd had throughout his life began flooding his mind: he saw that he was and always will be a true noble hero with a pure heart and soul who always lifts the darkness of all those around him with a smile and always helps those in need and a true immortal and invincible godly angel who's always been a truly cosmic powerful of good.

Lincoln Gluttonslob: I remember now. I remember all the good times I had with my friends, family, and the girls I was always with, and when Chandler from my world ruined it, I gave up on living.

Then, a determined look took hold in his eyes.

Lincoln Gluttonslob: But, that ends here, I won't let those words he said ruin my life any longer, I am not a disgusting pig, Chandler is! And what he has done has crossed the line.

Then, without warning, Lincoln Gluttonslob's body began changing as he grew to 950'11" in height, his muscles started throbbing and they grew much larger, and he now has abnormally massive upper and lower body muscles and twelve-pack abs with dark hair covering his forearms and pecs and jawline and his white hair grew longer to the length of his shoulders. But, then, he let out a growl as his eyes turned deep sapphire blue and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and then, brown fur then began growing and covering his arms and legs he grew a sturdy wolf muzzle covered in tan fur with black wolf nose and tan fur covering his massive pecs, hands and most of his forearms, his feet, and twelve pack abs, and large brown wolf ears grew on top of his head, and claws appeared on the tips of his fingers and toes and his canines grew into sharp fangs.

Suddenly, Lincoln Gluttonslob felt a sharp pain on his wider and now muscular back, and then, enormous white angel wings with rainbow tips on the now 99,999'11" large white feathers grew and sprouted out with a very massive wingspan of

Talk about a total body transformation.

Lincoln: And you also got a new name: Lincoln Musclethrob.

Lincoln updated his sketchbook: Lincoln Musclethrob, The 3rd Hypothetical Good Akuma of Lincoln Loud who was born from Lincoln Gluttonslob because of Lincoln working his magic and then, transferring all of the fat from Lincoln Gluttonslob, the original form of his 3rd Hypothetical Akuma into the Chandler who had caused him to become that as his hair and nails became more healthier and nourished, his skin became healthier and cleaner, and he becomes thinner and his health improved dramatically, and when Lincoln also made him drink a bucket of his True Alpha Male

Werewolfairan-Vampirairan-Cyborg Hybrid blood which caused him to transform into a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, and he transformed into his new form: a 10,000'11" tall, extremely powerful, godly, gigantic, massive, handsome, sexy, and extremely super strong manly wolfman and God with rugged good looks and endowed with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, enormous white angel wings with orange, golden yellow, and aurora tips on the 999,999'11" white feathers with a very massive wingspan of 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999'0" and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings with colored tips underneath his enormous white angel wings with various incredible wingspans and the shoulder blades of his massive white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his massive white angel wings have eyes with rainbow irises along with white fur on the shoulder blades, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow tips and rainbow markings and orange phoenix feathers that are just as strong as his body which also grows even more stronger than ever along with enormous white angel wings and numerous sets of large white angel wings underneath his enormous white angel wings, and he becomes even more ripped than ever due to continuing on with bodybuilding and working out even more, HE WAS NOW A TOTAL BABE MAGNET AND INFINTE HOT TRUE ALPHA MALE! It was thanks to Lincoln's help, Lincoln Musclethrob gained the excessively godly powerful, massive, and excessively godly muscular body: every last massive muscle in his upper and lower body was shredded with incredible definition and bulging even more with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body and bursting with raw power, long wild and flowing hair, chiseled jawline with dark stubble on the jawline, dark hair covering his muscular forearms, and dark chest hair covering his massive pecs, and who can draw out the primal instincts of any lady he meets, and his powers once weak grew extremely stronger, and he's now at the same level as Lincoln!

Me: Ooh! Lincoln Musclethrob, I like that new name you got for him, Lincoln.

Lincoln: Thanks. (To Lincoln Musclethrob) And here's an additional surprise.

Lincoln made a portal, and out came Lily the Mermaid and all the girls, the counterparts of Lincoln's harem, from Lincoln Musclethrob's world.

Lincoln Musclethrob's Lily the Mermaid: (Smiles Warmly) Yes, we're here, Linky, and we're so glad you are finally freed from what Chandler said about you, and you finally saw that what he said...!

But, before she could finish, Lincoln Musclethrob rushed in, grabbed her and hoisted her up to his face and held her in place with his abnormally massive and powerful muscular arms and he kissed her with smoldering passion which caught her off guard, but she returned it as she placed her hands on his massive hairy pecs, and he did the same with all the girls, the counterparts of Lincoln's harem from his world.

Girls of TLPS: (CAT CALLS AND WOLF WHISTLES)

May: HOLY...!

Maria: HOT DAMN! Lincoln Musclethrob's just as much of a gentleman and True Alpha Male as our Lincoln and his Good Akuma, Super Brother!

When Lincoln Musclethrob was done, the girls were blushing profusely and were really aroused and turned on!

(Smirks) Plus, now that I'm no longer a fat slob, here's a little something for you, ladies.

With a confident smirk, Lincoln Musclethrob proceeded to do the bodybuilding poses Lincoln used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose. That made their noses literally gush out blood like a fountain, and they swarmed around him and they felt every last hard muscle in his body, and Lincoln Musclethrob let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs, and one of the girls even clutched his buttcheeks.

Lincoln Musclethrob's Lily the Mermaid: (Swooning) So manly...! And so nice and hard.

Then, Lincoln Musclethrob flexed even harder as his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and they felt them for themselves and the atomic red blush on their faces became even more hotter and more intense.

Lincoln Musclethrob's Girl Jordan: And they're also throbbing with such raw power, it feels like I'm touching white hot liquid fire and raw power, so hot and so manly.

They couldn't help themselves as they continued rubbing his body.

The girls of Lincoln Musclethrob's world could only nod.

Lincoln Musclethrob's Paige: (Thinking) And he also let out such a manly wolf roar too? That's also so hot!

Then, Lincoln Musclethrob went up to the girls of his world and he hugged each of them in his abnormally massive and powerful muscular arms, and he leaned down and kissed the girls on the lips, which they returned with equally intense passion, as they placed their hands on his massive pecs, and he leaned down to their right trapezius and he slowly bit them and he fed on their blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flared up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as them, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

Lincoln Musclethrob then slowly unlatched his fangs from their right trapezius as they healed and the puncture marks sealed up, and he also kissed where he bit them.

WE ALL TURNED GREEN IN THE FACE AND BARFED BECAUSE OF CALEB'S USE OF THE LAND VERSION OF THE 13 BAD WORDS!

BUT, WE WEREN'T THE ONLY ONES AFFECTED BY CALEB'S RANTING AND CURSING! WHEN CHANDLER GLUTTONSLOB HEARD IT, HE WAS UNABLE TO COVER HIS EARS DUE TO BEING A FAT SLOB, AND AS A RESULT, HIS EAR DRUMS BURST AND HIS EARS WERE BLEEDING, HIS NOSTRILS

Me: UH OH! NOT AGAIN! THEY'RE GONNA BLOW!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: (LETS OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE)

THOSE FOUR LET OUT A MASSIVE SCREAM OF PURE ANGER AND RAGE AND THEY FINALLY WENT INSANE, AND THEY WENT AT THE SLOB AND CALEB MAXWELL AND TYLER MAXWELL KICKED HIM REAL HARD IN THE LEGS AND THIGHS, AND ALEXANDER MAXWELL BIT HIM ON THE ARM AND TORE OFF SOME FLESH! ALLIE MAXWELL GOT OUT HER GUNS AND SHE SHOT AT HIM! THEN, SHE KICKED HIM HARD IN THE STOMACH!

THEY WERE SCREAMING AND SHREKING LIKE DEMONS WITH PURE RAGE AS THEY BEGAN TO SLASH AT HIM WITH THEIR GREATSWORDS, MASSIVE SPEAR, AND KNIVES AND THEY BASHED CHANDLER GLUTTONSLOB ALL OVER THE PLACE AND WE LOOKED ON WITH PURE HORROR AND TERROR! THEN, THE SIBLINGS ROSE UP INTO THE AIR, AND THEY SMASHED MALLETS DOWN ON HIM, AND IT DIDN'T END THERE, THEY CONTINUED FIRING BULLETS AND DARK ENERGY BLASTS DOWN ON HIM! WE EVEN DUCKED OUR HEADS DOWN WHEN WE SAW BLOOD FLYING OVER OUR HEADS!

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Suddenly, I was surrounded by an immense orange and yellow aura with flames and with wolves surrounding me as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: Uh oh..!

Me: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！ 祝福された者たちの魂よ、蘇り、強大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！ 我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: Translation: I call upon the flames of Summer and The Heavens to bring down these terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abominations to his eternal resting place!)

I sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames rose from the ground and they formed into red wolves with glowing orange and golden yellow markings on their paws that look like flames and they ran at Chandler Gluttonslob and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Chandler Gluttonslob, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final Fantasy 16 and the immense powers of all 13,000 Duel Monsters, All MTG Cards, All Pokemon, All Digimon, All My Singing Monsters, All Monster Rancher Monsters, All Ben 10 Aliens, All Bakugan, The Shadow Dragons, Z-Fighters, all of Team Loud Phoenix Storm's enemies, frenemies, friends, and all its members, all mythological creatures, Twilight and Friends, All Huntik Spirits, Clow Cards, the Power Rangers, Kamen Riders, their enemies, Animals, Aliens, and so much more along with the immense divine powers of The Gods and Goddesses of The Ancient World.

Finally, I formed a massive blue fireball in my left hand and I threw it down, and then, it sunk into the ground unleashing a storm of lightning bolts and raging fire, and...!

KRABOOM!

IT EXPLODED IN A MASSIVE FIERY EXPLOSION OF BLUE FIRE AS IT ROSE UP INTO THE AIR AND THE EXPLOSION ALSO HIT CHANDLER GLUTTONSLOB AND PILLARS OF BLUE FIRE ROSE FROM THE GROUND AND HIT HIM AND HE GOT BURNED!

Alexander Maxwell and Tyler Maxwell: TIME TO DIE, ASSHOLE!

Alexander Maxwell and Tyler Maxwell charged at Chandler Gluttonslob, and they fired extremely powerful blasts of black and crimson red, white, golden yellow, and blue energy, stars, aura energy, white and blue heavenly flames, Divine Darkness, dark magic, black magic, Satanic Magic, shadows, dark flames, hellfire, vampire bats, phoenixes, and angels at him, and Tyler Maxwell also attacked him with swings of his massive spear and he even shot at him with his machine guns, while Alexander Maxwell slashed at him with his massive greatsword and shot at him with his guns.

Chandler Gluttonslob tried to charge at Alexander Maxwell and Tyler Maxwell, but because of him being fat, he couldn't, but that didn't stop Caleb Maxwell!

Caleb Maxwell: DON'T YOU FUCKING DARE LAY YOUR DIRTY HANDS ON MY BROTHERS!

CALEB MAXWELL GOT IN FRONT OF HIS TWO BROTHERS AND SWATTED AWAY THE SLOB LIKE A FLY, AND HE CHARGED AT HIM WITH HIS MASSIVE GREATSWORD IN HAND, AND...!

Caleb Maxwell: DIE, CHANDLER!

Eli: Oh no!

Cage Blunt: (Smirks) He's back! The Dark Angel of Bloody Vengeance is back!

Nunnally: Chandler, I've had it with you running loose, I am the Queen of the Kingdom of Brittania and loving wife of Eli and the benevolent ruler with a golden heart. When my cutie mark comes to life, my heart will shine with the dawn of a new art!

THE SUN, LIGHT AND NATURE SWIRLED AROUND HER

Nunnally raised her massive greatsword into the air, and A MASSIVE AND INTENSE POWERFUL SURGE OF INTENSE AND POWERFUL ENERGY AND MAGIC WAS FELT!

Me: WHOA!

Eli: INCREDIBLE!

When we are all different

But one and the same

Like starlight and moonshine

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

You would spend your whole life shinin'

So let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

Lincoln Musclethrob: It's finally over, and thanks for saving me.

Nico: No problem, and this wasn't your fault, it was your world's Chandler that did this to you.

Lincoln: We decided to turn what he did to you against him, and gave him a dose of karma. And as a result, you also transformed and the girls of your world are now in your harem.

Lincoln was right: we saw the girls, the counterparts of Lincoln's harem, from Lincoln Musclethrob's world now had Elemental Thunderbird Necklaces of Eternal Love with colored gems on the gold lightning bolt links and colored crystal links and jade beads from their merged Crystal Necklaces of The Buddha and Jade Necklaces of Shangdi and white and gold accented Elemental Thunderbird Chokers on their necks and rainbow Thunderbird Wedding rings on their left pinkies.

Lily the Mermaid: That is true. And we can consider that the first Evil Chandler wiped out. We didn't get a chance to wipe out Lord Sewage Breath.

Super Brother: Thanks to my world's Caleb Maxwell for killing him.

Super Brother's Caleb Maxwell: I should've never made him into an undead evil Akuma, I knew that he only cared about himself, and that he was an asshole.

Caleb Maxwell: Along with the other undead evil Akumas that you had no trust for.

Then, Lincoln sent Lincoln Gluttonslob to The M.O.E., and Lincoln Musclethrob joined us.

Lincoln: Especially when it was on one of the Nine Planets of Hell.

Lincoln Musclethrob: At least, Chandler got what he deserved.

Lincoln: Yep. Now, there's one last thing to do.

Lincoln flew into the planet and he found The Planetary Stomach, the core of Gluttonyairaia, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into The Planetary Stomach, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with the cursed essence of Gluttonyairaia and its sinful skies into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting Amaterasu's Heavenly Mirrors of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow flame patterns and rainbow markings and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH!

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura and cosmic blue energy aura with starlight and constellations was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Gluttonyairaia's massive Glutton-Sun and he absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as more veins formed, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo, second smaller halo with intricate designs made of light and The Sun and The Moon in it, and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner glowed, and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs, and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips of his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH!

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more.

We came back home to Gotham Royal York, and then, we went to the gym at Lynn's Table.

Lincoln: That was so incredible! (Flexes his massive arms and his massive biceps bulged even more with the visible veins bulging out even more and were throbbing with raw power and white hot liquid fire coursing through his body) (GROWLS) RRGH!

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the

bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

We laughed!

Luna: I can't even keep count of the many times that's happened to Lincoln! He also came home with his nose gushing out blood like a fountain along with getting covered in kisses and his tails wagging.

Nico: That's happened before? That must've been some intense make-out sessions Lincoln's had.

May: Just like ours, and it always ends with him engaging in one intense session of lovemaking and sex!

WHOOSH! CLANG!

Lynn almost whacked her in the head with a baseball bat.

Lynn: I thought I warned you not to say that!

May: YIPE!

Nico: Maybe you shouldn't say that out loud especially in front of Lynn who's the most physically aggressive of Lincoln's sisters.

Lincoln: Lynn, put the bat down, otherwise, you're gonna have problems with Caleb again.

Lynn did so.

Suddenly, we heard the wails of the souls of the damned, and we saw a massive pitch black tornado of darkness appear with vampire bats, fiends, and the wailing souls of the damned swirling around it, and it was enough to send chills down our spines! Then, when the tornado faded, what stood in its place is a girl who was tall at 360'11" in height, she has the body of a goddess, long midnight blue hair, crimson red eyes, vampire fangs, she has Darkbishop Archfiend on her forehead, black frilly long-sleeved sweater, black skirt, black knee-high high-heeled boots with black butterfly buckles, and long black long-sleeved coat with darkness, stars, demons, fiends, vampires, dark magic, Black Magic, Satanic Magic, phoenixes, and angels on the coattails, and on the back is Darkbishop Archfiend, and she has a darkness greatsword in hand.

Lincoln: (GASPS) Jackie Nefaria, Avatar of Darkbishop Archfiend and Vampire Dark Queen of The Archfiends.

Jackie Nefaria: Good to see you, Lincoln. Hello, sisters, Nico, and Qin.

Nico: Oh man, the younger sister of The Nefaria Sisters is here?!

Qin: And another Vampire Dark Queen of The Archfiends is here!

Me: Lincoln, you know her?! Same with you and Qin, Nico?!

Lincoln: Indeed I do, J.D.

Nicholette Torrington: And so do we, this is Jackie Nefaria, Avatar of Darkbishop Archfiend and Vampire Dark Queen of The Archfiends, she's Lincoln's Guardian Angel from Transylvania and she's the younger sister of Melanie Nefaria, Renata Nefaria, Natalia Nefaria, and the Nefaria Sisters, she's a Goth Girl who was born into darkness, and she has all the powers of dark magic, darkness, occult magic, and she can even summon all the forces of the undead and horror and have all kinds of powers that can give people nightmares forever. Jackie Nefaria was born with midnight black angel wings, immortality, invincibility, omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, dark magic, black magic, Satanic magic, The Dark Arts, The Occult, immense omnipotent powers of darkness, the creatures of the night, the vampires, the archfiends, and deities of darkness multiplied by infinity, and she also has all the powers of Darkbishop Archfiend. She's the member of The Dark Archfiend Vampire Coalition, a group formed by Melanie Nefaria and her many sisters who are also Avatars of the other Archfiend Duel Monsters to defend Lincoln and use the powers of darkness to punish his enemies and protect the world from the dark forces of the dark witches, wizards, and warlocks who used their dark powers and gifts to inflict pain and misery on humanity, and she's one of the eight members of The Dark Archfiend Vampire Chess Masters, eight powerful elite warriors of darkness who happen to be The Avatars of Darkbishop Archfiend, Desrook Archfiend, Imprisoned Queen Archfiend, Infernalqueen Archfiend, Shadowknight Archfiend, Terrorking Archfiend, Masterking Archfiend, and Vilepawn Archfiend, and are also among the most powerful members of The Dark Archfiend Vampire Coalition who ride out into the darkness of the night to terrorize Lincoln's enemies by summoning demons and archfiends to haunt their dreams and turn them into neverending nightmares that'll last for eternity. Jackie Nefaria moved to Royal Woods where she met Lincoln, and she taught him The Darkness Archfiend Path, and Lincoln gained even more omnipotent power, Omniscience, Omnipotence, Cosmic Awareness, immense regeneration, immense superhuman strength, superhuman durability, superhuman senses, superhuman speed, superhuman endurance, immense omnipotent powers of darkness, the shadows, dark magic, black magic, Satanic magic, The Dark Arts, The Occult, immense omnipotent powers of darkness, the creatures of the night, the vampires, the archfiends, and deities of darkness multiplied by infinity, and he also gained the powers of Darkbishop Archfiend, and she knew Lincoln was already born with immortality and invincibility, but she also knew that Lincoln was also a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and a powerful master of darkness along with being born as a powerful master of light, and more than once, she'd kissed him on the lips and made out many times underneath the full moon and he came back home glowing with more power and energy and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her a darkness greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem. She's also great friends with Lucy and The Young Morticians' Club, and she despises Flip with a bloody passion, and she swore to not only destroy him, but also, to curse him and his family to an eternity of being killed and mutilated over and over again, never knowing the release of death, and having every last bit of his ill-gotten wealth snatched away from him!

WE SCREAMED IN TERROR!

Me: OH, SWEET UNHOLY JUMPING BUTT BURPS!

Nico: Yeah, Melanie is that terrifying especially when she gets pissed, and if you piss her off, it's not gonna end well for you at all.

Qin: I can't even count how many curses she's inflicted on the shitheads back in New Jersey!

Lincoln: Or Royal Woods.

Melanie Nefaria: And she's known as The Priestess of Dark Curses, a master and creator of the darkest kinds of curses.

Jackie Nefaria: Which are also fatal, but only to the most irredeemable. (To Lincoln) And it's so good to see you again, Lincoln, it's been eight years since we last met, but you've really grown that much.

Suddenly, Jackie Nefaria had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Jackie Nefaria was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach, and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Jackie Nefaria: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Jackie Nefaria's waist and hugged her, and Jackie Nefaria was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine hair on his massive forearms, stubble on his jawline, and chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Jackie Nefaria: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, hair on your massive forearms, dark beard stubble on your jawline, thick brown goatee, and dark chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps.

Suddenly, Lincoln pinned Jackie Nefaria to the floor with his massive muscular arms still wrapped around her waist and he leaned his head down to her face and kissed her on the lips with intense passion which she returned as she placed her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Jackie Nefaria with crimson red gems on the gold lightning bolts and fiery red crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

He then helped her up and he kept her close to his body as she took the time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The

Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: But, this means your appearance is going to mean we'll be meeting the rest of your sisters as well after Nico's rescues. (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Zick.

Zick: Another Me? But, that means, the villain we're facing today is...!

Lincoln: Magnacat, but this time, we're ready for him, so that way, we'll avoid what'd happened last year when we first went after him.

Nico: Yep. But, first things first.

Lincoln made a massive breakfast table and a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein, and so was Super Brother, Lincoln Musclethrob, and all of us.

Super Brother: Good thing we always have a means to refuel in case Caleb does something that makes us hurl.

Lincoln Musclethrob: I don't blame any of you though, after hearing him curse like that, I'd throw up too. How do you guys even managed to stand your ground whenever he does that?

Me: We have some pretty rotten foulmouths among our team as well, and I also got the most rotten mouth ever whenever I start cursing like that. But, on Caleb's level, (SHUDDERS), even I wanted to stuff his mouth with a bomb to keep him from cursing like that.

We were full, but our energy auras flared up extremely.

BELCHES!

Nico: Now, that was good, nice one, Lincoln.

Lincoln: Thanks. (To Caleb Maxwell) Now, where were we, Caleb?!

Caleb Maxwell: Oh..., shit!

Suddenly, Lincoln, Super Brother, Lincoln Musclethrob, Nico, and I got up and we were approaching Caleb Maxwell as we cracked our knuckles and necks and our muscles bulged with power and the veins on our muscles throbbed: HE KNEW IT MEANT TROUBLE!

Tyler Maxwell, Alexander Maxwell, and Allie Maxwell got in between!

Alexander Maxwell: Don't even think about it! If you want to get at Caleb, you'll have to go through us first, you fucking pussies!

Lincoln's harem, my harem, Nico's harem, Super Brother's harem, and Lincoln Musclethrob's harem: WHAT WAS THAT?! DID YOU JUST CALL OUR HUSBANDS PUSSIES?! BOYS, PLEASE TEAR THEIR ASSES APART BEFORE WE GET

OUT A SAW AND SAW THEIR BALLS OFF FOR THEIR VULGAR LANGUAGE!

That was the signal, and then...!

Lincoln, Super Brother, Lincoln Musclethrob, Nico, and me: (ROARS AND ANIMAL NOISES)

WE ROARED LIKE CAVEMEN AND MADE ANIMAL NOISES AND WE RAN AT CALEB AND HIS SIBLINGS!

Caleb Maxwell: Nice going, Alexander! (GETTING READY TO RUN) RUN FOR IT!

THEY RAN FOR THEIR LIVES! ALLIE MAXWELL WAS LAGGING BEHIND, AND CALEB MAXWELL GRABS HER HAND, BUT SHE LOSES HER GRIP AND SLIPS AWAY!

Allie Maxwell: CALEB!

We kept running after them!

Lincoln, Super Brother, Lincoln Musclethrob, Nico, and me: (ANIMAL NOISES)

Caleb Maxwell: Let's hide at Uncle Christiano's restaurant!

They ducked into Christiano Maxwell's restaurant, but they were in a panic!

Alexander Maxwell: What are we gonna do, Caleb? It's only a matter of time before Lincoln, Super Brother, Lincoln Musclethrob, Nico, and J.D. come in after us!

Tyler Maxwell: This is all your fault, Alexander! You were the ones who called them pussies, and you heard their harems, when they catch us, they're gonna saw off our genitals!

Caleb Maxwell: Guys, enough! I know you don't want anything bad to happen to me because of the Hell I went through with Drake back in 1979 and most of the 1980s, but you know I can take care of myself.

Alexander Maxwell: And look what that got you, your future went up in flames when you gave into those dark murderous intentions and killed Drake's two bodyguards, you also killed many thugs loyal to Drake in a fit of rage, and you were killed in 1985 by that shithead and those four senior Syndicate members.

Caleb Maxwell: Alexander, shut up! I know that already! Shit, we'll need to head to Yuridia, there we will be safe from them.

But, then, as they were about to run, Lincoln, Super Brother, Lincoln Musclethrob, Nico, and I were at the door!

Caleb Maxwell: Huh?! WHAT THE?!

Me: (WHOOPING)

We ran in!

Caleb Maxwell: Crap! They found us!

We ran after them trying to grab them, and they fought back!

Caleb Maxwell: Back! Back, you hairy savages!

But, then, they were sent flying with a punch by us, and a pot of stew came down on them, and they screamed in pain and ran out of the restaurant only to be caught by Lincoln, Super Brother, Lincoln Musclethrob, Nico, and I, and we tied them up and shoved bars of soap down their mouths, and we brought them back, and we also captured Allie Maxwell and shoved bars of soap down her throat!

Lincoln: We warned you about trying to run and trying to piss us off, but you guys don't learn, do you?

They coughed up the bars of soap!

Caleb Maxwell: Blech! Damn it!

Then, we untied them.

Allie Maxwell: We were too caught up on protecting Caleb because of what happened to him back in 1979 and throughout the 1980s until his murder in 1985 on Halloween night, but we hadn't realized just how horrific the darkness he carried inside him was, and we paid the price for it.

Alexander Maxwell: We have no regrets! We failed to protect Caleb, and he lost his future and his life, and it's all Drake's fault, we will hate him for all eternity!

Tyler Maxwell: Along with those fucked-up relatives of his! But, Dad...!

Caleb Maxwell: Dad's already at peace knowing that Mr. Blunt promised to watch after me, Allie, and Mom, but you two, you became independent where as I shut everyone out and let myself stew in my own hatred and darkness.

Poromon: That's right, do you have any shame at all?!

Allie Maxwell sprayed Poromon with a hose!

Allie Maxwell: Knock it off, puffball!

Manaphy: Spray my fiancée again, and we'll sabotage your next date with Mad Cat Max by getting the cops on you!

Caleb Maxwell: What was that?! Did you just threaten to turn the cops on Allie, my own sister who'd gotten into the ranks of The NYPD just because of her wanting to help Max Powers A.K.A. Mad Cat Max?! Do you have any sense of shame at all?!

Manaphy: Hah, me having shame for our quartet of destruction and chaos?! No way! You four have run wild for the very last damn time, it's time someone put you four in your place! I AM VICTORIOUS!

Poromon: That you are, babe!

The Mascots also jeered and hurled insults at Caleb Maxwell and his siblings bashing them for all their destructive antics and absolutely violent and bloody chaos!

May: Wow, that was...interesting.

But, Caleb Maxwell had flames appearing behind him and his red eyes were neon red as he glared at Poromon and Manaphy and the Mascots with hatred and revenge!

Caleb Maxwell: You guys are finished! I'm gonna tear you apart limb from limb!

Allie Maxwell: No one threatens to put us in our place and gets away with it! Except for Nico!

Nico: Thank you! Wait, that's still really bad! But, (Sighs), Caleb, Allie, Tyler, Alexander, if you want, you can tear apart their clones.

Nico made clones of The Mascots, and Caleb Maxwell, Allie Maxwell, Tyler Maxwell, and Alexander Maxwell gave into their desires for revenge, and they tore the clones of The Mascots apart limb from limb, and when they were done, they were covered in blood, and were cackling like unhinged lunatics as the clones vanished!

Lincoln: I thought it was a bad idea, but if it's the only way to get them to cool down, then, fine by me.

Poromon: As long as we do not get hurt by those unhinged lunatics.

As we found out from Adrian Aquarius yesterday, there's a prophecy that goes back 1,000 years ago during the time of Storious' betrayal, and the prophecy states this, "On the fated day of The Guardian of The Stars' moment to shine, she and the wielders of the holy blades and books both East and West will unite together, and they alongside The Immortal Phoenix of The Eternal Flame, they shall vanquish and destroy the deranged leader of The Megid and bring about the end of his evil story". So, we're going to meet with the other members of The Literature Force of America, the American version of The Kamen Rider Saber team, and recruit them as well, so we'll be ready for the fated day of our future showdown against Storious.

For Day 1, we're going to meet the next member of The Literature Force of America, the American version of The Kamen Rider Saber team, his name is Akio Ignatius, he's a young man whom J.D. also met in high school, but he was a year younger than him, he was born with with enormous angel wings, excessive tons of godly superhuman strength, excessive tons of godly superhuman speed, excessive tons of godly superhuman agility, excessive tons of godly superhuman reflexes, excessive tons of godly superhuman durability, excessive tons of godly superhuman endurance, immense regeneration, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, Cosmic Pyrokinesis, omnipotent powers of fire, lava, infernos, and all the powers of the Fire Gods and Goddesses, and he's the leader of The Literature Force of America, and he's known as Kamen Rider Dragon Fang.

But, here's the tragic story: three years ago, when he was 17, Akio and his parents were on their way home from a family reunion, but then, out of nowhere, they were ambushed and killed by an army of thugs sent by Gerald and Venn Vexos, and Akio Ignatius was the only survivor and he started living on his own, but he never forgot what happened because of what those two damn sickos did, and he made a solemn vow: he would never let anything bad happen to anyone, he'd make sure of that and it triggered an ultimate transformation in him just like J.D., Lincoln, and you, and he also found out that he's part of the prophecy about Storious' death. Now, we'll be meeting the now 20 year old Akio Ignatius who'll share his tale with us, and we're also going to destroy King Valentine and stop him from destroying Erion.

We had all of TLPS and The M.O.E. with us.

Lincoln: Whoa, we're here in the world of Odin Sphere, and I know what we're going to do here, not only am I going to rescue the six girls here, but we got ourselves a massive rescue arc to get ready for the future battle with Storious.

Me: Yep, just as we found out from Adrian Aquarius yesterday, there's a prophecy that goes back 1,000 years ago during the time of Storious' betrayal, and the prophecy states this, "On the fated day of The Guardian of The Stars' moment to shine, she and the wielders of the holy blades and books both East and West will unite together, and they alongside The Immortal Phoenix of The Eternal Flame, they shall vanquish and destroy the deranged leader of The Megid and bring about the end of his evil story". So, we're going to meet with the other members of The Literature

Force of America, the American version of The Kamen Rider Saber team, and recruit them as well, so we'll be ready for the fated day of our future showdown against Storious.

Nico: Yep. So, who's the next one we're meeting?

Lincoln: Yep. Say, Bluey, did you and your family meet with Akio Ignatius?

Bluey Heeler: No, but Rusty and his family did, and it was around the time we found Adrian Aquarius and took him in.

Rusty and his brother and sister were heading to the park, but then, they found a young man dressed in red and with enormous brown angel wings like Adrian, and he looked really depressed like something horrible happened.

Me: That was Akio Ignatius.

Rusty Kelpie: We took him in, and he told Digger, Mom, and Dad what happened.

Digger Kelpie: It was just like what happened to Adrian, he lost his family, and as for the rest of his family, Dad told me they were also affected by the news of his parents' death, and...

Rusty's older brother didn't say anymore, but the wounded look on his face told us everything: the other members of his family moved away not wanting to stay to comfort Akio and wrapped up in their own grief which led to their suicide and that made us hate The Vexos Brothers even more.

Rusty's Dad: That hurt us deeply. He always stopped by to see us, and when he found out about what happened with the other members of his family, he broke down and cried. He tried to be strong when he started living on his own, but in that moment of vulnerability, he let the sadness he had inside him out.

Rusty's Mom: And we comforted him with all our hearts, and that also reached Rusty and Dusty who also joined in as well. We also decided to adopt him just like what Bandit and Chilli did with Adrian, and he got along great with our kids. Plus, he also found out his dad was also an old friend of my husband.

Me: I remember that, Akio's dad was in the military before he was honorably discharged after years of active service and retired, he had medals and badges and his old uniform framed and on display.

Then, we saw many of King Valentine's minions bursting into flames.

Me: WHOA!

Digger Kelpie: (Smirks) Aha! Our special guest is here!

?: Looks like I made it on time.

Me: (GASPS) That voice! Alan, do you remember that voice?

Alan Bushman: I do, and there's no mistaking it.

Me: (GASPS) I knew that voice sounded familiar! Akio Ignatius!

Alan Bushman: The Volcanic Inferno Storm Angel of Denver, Colorado!

Digger Kelpie: You got here just in time.

Akio Ignatius: Yes, and I already explained my story to you and the others, Digger, and had to keep it a secret from Bluey, Bingo, Bandit, Chilli, and all of their friends and their families until your little brother and little sister's friends were older, but all of you deserve to know the story.

Akio Ignatius explained his story, and it was really tragic: three years ago, when he was 17, Akio and his parents were on their way home from a family reunion, but then, out of nowhere, they were ambushed and killed by an army of thugs sent by Gerald and Venn Vexos, and Akio Ignatius was the only survivor and he started living on his own, but he never forgot what happened because of what those two damn sickos did, and he made a solemn vow: he would never let anything bad happen to anyone, he'd make sure of that and it triggered an ultimate transformation in him just like me, Lincoln, and Nico, and he also found out that he's part of the prophecy about Storious' death.

Needless to say, we were shocked, horrified, and we had tears in our eyes.

Me: Oh man! So, that's what happened to Mr. and Mrs. Ignatius back in 2021?! Alan and I used to come over to his house all the time when we were in high school, and his parents always welcomed us in.

Sumner: Daniel and Melanie told us all about the family reunion, and they were so happy after that, but I can't believe those lowlife Vexos Brothers murdered them in cold blood.

Patti: And after the funeral, I can't believe the other relatives moved out of Colorado, and then, they committed suicide leaving Akio all alone.

Me: But, those idiots didn't know that he like many of us was born with immortality and invincibility, but his parents weren't. But, we finally got rid of The Vexos Brothers after getting The Seven Black-Star Dragon Balls, but their mom is still out there and she has remorse and regrets giving birth to those sickos.

Akio Ignatius: Even if she has remorse, I can never forgive Venn and Gerald for killing my parents in cold blood and causing the rest of my family to commit suicide.

Suddenly, we saw the Brave Dragon Wonder Ride Book glowing and it reacted with Adrian's book and his greatsword.

Me: Whoa!

Akio Ignatius: So, you finally figured it out. Yes, I'm the leader of The Literature Force of America, the American version of The Kamen Rider Saber team, and as you figured out, I'm known as Kamen Rider Dragon Fang, and you already know about the prophecy from Adrian Aquarius.

Alan Bushman: That's right, and we got to find the others before Megan McAllister's big day against that insane lunatic, Storious.

Akio Ignatius: We've also got another big problem: our old enemy, Damian Thanatos, the American version of Storious, has also resurfaced, and he's just as, if not even more insane than Storious, and he desired to destroy our world using The Grand Codex of Legends and Stories over 1,000 years ago. But, in the chaos, The Grand Codex of Legends and Stories fell apart and formed into many Codices, and after he was defeated by our ancestors, Damian Thanatos was sealed away. 1,000 years later, we defeated him around the same time Storious was killed, and we used a powerful spell that took Damian's Grimoire of Destruction and reformed it into its true form: The Grand Codex of Legends and Stories. With it, we casted the spell that destroyed Damian Thanatos and banished him forever to The River of Fire, where he was chained to The Pillars of Eternal Damnation.

We were amazed.

Nico: That is awesome, but this is a bad sign. Not only are we gonna be dealing with Storious, but also, Damian Thanatos, the American version of Storious, and I'm also sure there's also the American versions of Hayato Fukamiya A.K.A. Kamen Rider Calibur, Bahato A.K.A. Kamen Rider Falchion, and Isaac A.K.A. Kamen Rider Solomon.

We got a move on to King Valentine's lair, and he was already fighting Prince Cornelius, Princess Velvet, Meril, Myris, and Master Krois, and the Ice Elemental. We fired rainbow energy blasts at King Valentine who was about to cause The End of The World and destroyed the Crystalization Cauldron, and Lincoln sucked King Valentine dry of all his infinite magical powers.

King Valentine: How dare you all get in my way!

Akio Ignatius and Adrian Aquarius fired massive blasts of fire, flames, lava, water, snow, ice, snowflakes, ice crystals, and lightning and wind at King Valentine, and he was forever destroyed and he was sent to The Black Abyss.

Akio Ignatius and Adrian Aquarius: Agents of chaos, no matter where you go, your story will always end here and now as long as we're here to defend mankind and everyone across the universe and beyond!

We cheered as we holstered our weapons and powered down, and we welcomed Akio Ignatius to the team.

Adrian Aquarius: So far so good, we already found Akio Ignatius, our leader.

Akio Ignatius: And it won't be long before we find the other members of our team, Adrian. But, I also heard of what you guys did months ago to Venn and Gerald Vexos.

Akio Ignatius looked outside.

Akio Ignatius: Mom..., Dad..., everyone..., it's finally done. Your killers have been put down for good.

Suddenly, Akio Ignatius' eyes had tears welling up, and he finally cried as Rusty Kelpie and his family, and the entire Heeler Family and their friends hugged him: it's finally over, his family was avenged and he can truly move on.

Adrian Aquarius: What those two Vexos Brothers did to Akio left a deep scar and wound on his heart, but after what you did, he can finally move on.

Nico: I'm already starting to sense a pattern: you guys lost your families to some of J.D.'s old enemies in the past. Does this mean...?!

Adrian Aquarius: Yes, the other members of the team also had lost their families because of the dark actions of J.D.'s old enemies in the past.

WE GASPED!

Alan Bushman: Oh man! That means...! All the stories coming out in Denver, Colorado were true, our best buds whom we'd met in high school and have these incredible powers, immortality, invincibility, and are part of the prophecy of Storious' final demise have lost their families.

Me: This may have been done because of Storious and Damian Thanatos, the American counterpart of Storious and the American Saber team's most dangerous enemy.

Akio Ignatius: I don't think that's the case. Storious may be insane and pure evil along with Damian Thanatos, but they didn't have a hand in this.

Adrian Aquarius: Either way, all of J.D.'s enemies who murdered the families of our teammates are gonna pay for this. I've already gotten justice for my family when I'd slain Yoshinobu Sago and The Gokoku Sotenkai yesterday, and months ago, the team got justice for your family by killing Venn and Gerald Vexos, Akio.

Lincoln: We'll need to keep an eye on the lowlives from Denver, now that they know we're looking for you guys, they're no doubt going to come after us.

Me: They've got a lot to answer for: their crimes in the past and the murders of the families of my old friends.

?: That's for sure.

Suddenly, we saw a beautiful girl who was tall at 690'11" in height, she has the body of a goddess and large breasts, long marine blue hair with marine blue flower in her hair, blue eyes, massive blue angel wings, she has The Ice Barrier Frost Masters of Loyalty symbol on her right arm and the pendant on her necklace, The Ice Barrier Crest on her forehead, and Numbing Grub of The Ice Barrier on her marine blue skirt, marine blue short-sleeved blouse, ice blue sleeveless midriff top with Numbing Grub of the Ice Barrier on it, marine blue bridal gloves, marine blue stockings, marine blue knee-high boots with butterfly buckles, long white sleeveless trenchcoat with stars, snow, ice, snowflakes, ice crystals, phoenixes, and angels on the coattails, and on the back is Numbing Grub of The Ice Barrier, and she has an ice greatsword and with her are the six girls.

Lincoln: (Gasps) Natasha Frostine, Avatar and Gene-Slammer of Numbing Grub of the Ice Barrier.

Natasha Frostine: That's right, and I got the girls away from that mad lich who got hit by a fire blast by Akio.

Nico: Nice move.

Me: And Akio really made quite the blow on that lich before we got here.

Lincoln: If he held out against the American version of The Megid, then against King Valentine, it was like a walk in the park. (To Natasha Frostine) And it's so good to see you again, Natasha.

Natasha Frostine: You too, Lincoln, it's been eight years since we last met, but wow, you've really grown that much.

Suddenly, Natasha Frostine had her hands on Lincoln's massive hairy pecs, and she proceeded to kiss him on the lips and all over the place: face, arms, pecs, twelve-pack abs, and stomach. When Natasha Frostine was done, Lincoln was covered in lipstick marks on his face, massive muscular arms, hairy pecs, twelve-pack abs, and stomach,

and he had an atomic red blush on his face and he was literally in Heaven.

Lincoln: (In Heaven) That's...something I've not...forgotten.

Nico and I snickered, and so did the rest of us.

Skippy the Bush Kangaroo: (Australian Accent)(Snickers) We hadn't forgotten about that bit either.

Matilda Roo: (Australian Accent) Same here.

Natasha Frostine: Sorry about that, but it's so good to see you again, Lincoln.

Lincoln wrapped his abnormally massive and muscular arms around Natasha Frostine's waist and hugged her, and Natasha Frostine was very surprised at just how much more taller, more handsome, much stronger, buffer, hunkier, and much more muscular Lincoln's gotten since she last saw him, and she also felt just how much more stronger and how much more muscular he's really become, and she had an atomic red blush on her face, and the atomic red blush on her face soon became even deeper when she saw his longer vampire fangs and straight teeth and even more enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings, along with hearing his mature, deeper, and manlier voice and seeing the larger brown wolf ears with rainbow markings on his head, 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, thick brown goatee on his chin, fine dark hair on his massive forearms, dark stubble on his jawline, and dark chest hair on his pecs, He-Man's chest harness, and many other accessories, and she also met his Rabbit Miraculous, Eini, the Universe 666 Miraculous, his familiars, the male white Rabbit Familiar, Alistair, the white Vampire Bat Familiar, Artemis, and the white Wolf Familiar, Seiko that came out of his backpack.

Lincoln: It sure has been a long time, I haven't seen you since you were seventeen, and as you can see, I really grew a lot since then.

Natasha Frostine: My God, you sure have, you've really really grown up to be very big and very strong like a tree, Lincoln, perhaps even bigger and stronger, you've really grown a lot from the cute eleven-year-old little boy into a 10,000'11" tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs, and you still have those vampire fangs and enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath your enormous white angel wings, that's so awesome, and the large brown wolf ears on your head and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails with rainbow markings and rainbow tips and phoenix feathers on them, dark hair on your massive forearms, dark beard stubble on your jawline, and dark chest hair on your pecs and many accessories and large gold halo and large gold Amaterasu's Heavenly Mirror of The Four Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo with four large orbiting gold rings on each corner behind your head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four large orbiting gold rings and the wilder rainbow hair going down to the upper part of your neck with white streaks and multi-colored highlights in it with multi-colored phoenix fire ombre streaks, that's really new. (Rubs Lincoln's massive pecs with her hands) You've really really grown a lot and became a man, but you're still the same kind man from long ago, plus, you've also grown even more bigger in muscle mass, you can land an airplane on that massive, wider, and more muscular back, squash a melon with those really muscular quads and thighs. (Rubs Lincoln's twelve-pack abs) And cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure that chiseled chest or massive biceps. Plus, I've also met your familiars, and they are really awesome.

Nico: And he's still the same true immortal and invincible angel you knew. And Lincoln, you know her?

Lincoln: Indeed I do, Nico.

Anna Anyanova: And so do we, this isNatasha Frostine, Avatar and Gene-Slammer of Numbing Grub of the Ice Barrier, she's Lincoln's Guardian Angel from New York, she's a powerful and extremely deadly angel who was born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Numbing Grub of the Ice Barrier. She's The Ice Grub Master of The Ice Barrier Frost Masters of Loyalty, a group of loyal girls who are the Avatars and Gene-Slammers of The Ice Barrier Duel Monsters and they're born with superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and their goal is to protect and defend Lincoln from his enemies, and they are the most loyal of Lincoln's Guardian Angels, and they would never ever betray Lincoln, his friends, and his family, nor their own, and they hate people who betray others for their own personal gain, and they've punished Lori, Lynn, Lola, Lisa, and Luan in the most fiercest way possible many times for their treacherous actions and murderous schemes against Lincoln. Natasha Frostine moved to Royal Woods where she met Lincoln, and she taught him how to master the powers of superhuman strength, Cosmic Cryokinesis, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Numbing Grub of the Ice Barrier, and over time, Lincoln gained even more incredible superhuman strength, Cosmic Cryokinesis, omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, and the powers of ice, frost, snow, ice cold temperatures, Absolute Zero, and all the creatures of ice and cold, and the powers of Numbing Grub of the Ice Barrier, and Lincoln was already born with immortality and invincibility, and she also helped him grow and seriously bulk up in muscle mass and she also knew Lincoln is a True Alpha Werewolfairan-Vampirairan-Cyborg Hybrid and an extremely powerful and attractive one, and more than once, she'd kissed him on the lips and made out many times and he came back home all covered in kisses and his tails were wagging like crazy, and it made her love for him grow even stronger, and she helped him really grow and bulk up even more in muscle mass and she also helped him grow in intelligence, power, and knowledge. Lincoln made her an ice greatsword, and to show her thanks, she kissed Lincoln passionately on the lips which he returned with intensity, and as a result, he promised that when he comes of age, he'll marry her along with the rest of his harem, and she used her powers to keep Lincoln's enemies in line, and she taught Lana, Alexis, and May a lot in using the powers of ice, and Natasha Frostine hated Lynn with a blazing passion, and she swore to end her if she ever tried to hurt Lincoln ever again!

Caleb Maxwell: Lynn...! (SCREAMING AND SCREECHING LIKE A MADMAN)

Caleb Maxwell threw a Donald Duck-style tantrum and clobbered Lynn hard!

Lynn: Ouch! Okay, I should've expected that.

Lori: Figures you'd literally do something like that, anytime you hear any sort of revelation of what we did to Lincoln, you throw a tantrum an attack us. One of these days, you're gonna lose your hands for this.

Nico: Amihan explained your story, and I don't think I want to know what it was that made you that pissed off at Lynn.

Me: I remembered it too well. (SHUDDERS) The memory of what she did caused me not to sleep that night.

Lincoln: And Lynn wound up angering the wrong Guardian Angel because of it, and now that you're here, Natasha.

Lincoln with his massive muscular arms still wrapped around Natasha Frostine's waist leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her.

Natasha Frostine: You're still just as gentle as ever when you feed on one of your Guardian Angels, Lincoln.

Suddenly, an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Drifa Frostine with marine blue gems on the gold lightning bolts and marine blue crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and a rainbow Thunderbird wedding ring on her left pinkie.

Natasha Frostine: (Surprised) Lincoln, are these...?!

Lincoln: Yep, that's an Elemental Thunderbird Necklace of Eternal Love and Elemental Thunderbird Choker of Eternal Love, which means you're now part of my harem and one of my many future wives, Natasha Frostine.

Natasha Frostine had a smile on her face and tears streaming down her cheeks as Lincoln still had his massive muscular arms wrapped around Natasha Frostine's waist, and he leaned down to her face and kissed her on the lips, and with Natasha Frostine's hands still on his massive hairy pecs, Lincoln deepened the kiss and we cheered for them. When Lincoln separated, Natasha Frostine had an atomic red blush on her face, hearts in her eyes, her nose was really gushing out blood, and her heart was pounding like a loud drum.

Natasha Frostine: (In Heaven) My God. Oh, Lincoln, tell the guys to run to their rooms, the six girls I rescued are...!

Red Savarin and Travis Tackett: GUYS, YOU KNOW THE SIGNAL! MOVE!

Natasha Frostine: HOLD...! (Saw us gone) It!

We ran into our rooms leaving Lincoln, Nicole, and his harem, then they went up to the six girls, and when Lincoln saw them, he had a bright red atomic blush on his cheeks and muzzle and his nose was gushing out blood like a fountain, the six girls are Himari, Kanon, Fiora Laumiru, Luka Hitzfelt Akagane, Izuna Magahoshi, and Rara from Princess Kiss! ~Shoujo 1000-nenki Monogatari~

Lincoln: Oh whoa, it's Himari, Kanon, Fiora Laumiru, Luka Hitzfelt Akagane, Izuna Magahoshi, and Rara from Princess Kiss! ~Shoujo 1000-nenki Monogatari~

Nicole: Uh oh, I think Red and Travis were right to say that, the girls are cute.

Lincoln: And that makes them easy targets for perverts and serial killers, and that will not happen on my watch. And I'm also gonna be keeping an eye on you, Caleb! One wrong move against them any any of my future wives, and I'm gonna trash you so hard, your head's going to pop off from your shoulders, you nutcase!

Caleb Maxwell: (In his room) WHAT?!

Nicole: He's not a pervert, Lincoln, but I see what you mean: the dark and cursed reputation of being a heartless ruthless bastard especially to girls who are pure evil left a dark mark on Caleb's love life and cursed him forever as he easily turns into a demon when he gets pissed off.

Lincoln: And that side of him also horrifies the good girls, especially his bad temper and language when he starts cursing. Are you girls okay?

Himari: Yes, we're okay, thanks to you.

His goal is to eat and eat until he explodes! He has all the powers of Lincoln but they are weaker because of his fat body! THEY GASPED!

Princess What's Her Name's day to shine

WORK IN PROGRESS

In the early morning hours of 12:00 AM, Lincoln was asleep along with his harem and kids, and he had a dream as it took him to a distant galaxy, and there he saw what he couldn't believe: he saw a hot desert planet whose landscape is decorated with funerary temples and pyramids and a Sphinx, and defended by a race of powerful Anubian jackal angels who inhabit the desert planet and are powerful warriors and spellcasters who are masters of spells, funerary magic, and Egyptian Magic and are the descendants of our ally, Anubis, Egyptian God of The Dead. The males are hyper-muscular juggernauts bred from the wars and battles they've fought against for countless eons, their veins coursing with divine power, dominant male virility, and godly testosterone, and their black fur shining underneath the blazing Sun especially upon their abnormally massive upper and lower body muscles and twelve-pack abs, and each male towers beyond comprehension with abnormally massive upper and lower body muscles hardened by countless battles, every sinew wrapped in unrelenting tension, every breath a warcry, their twelve-pack abs are like walls of iron, their fists shatter the skies and galaxies, and their very presence causes lesser beings to back down and bow before them. They are The Embodiment of Divine Egyptian Regality, and their power grows with no upper limit.

Lincoln woke up.

Lincoln: Holy moly, what on Earth Omega was that?!

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) No way, that world you saw, that was Anubisairaia, a hot desert planet whose landscape is decorated with funerary temples and pyramids and a Sphinx, and protected by the Anubisairaians, a race of very powerful Anubian jackal angels who inhabit the desert planet and are powerful warriors and spellcasters who are masters of spells, funerary magic, and Egyptian Magic and are the descendants of our ally, Anubis, Egyptian God of The Dead. The male Anubisairaians are hyper-muscular juggernauts bred from the wars and battles they've fought against for countless eons, their veins coursing with divine power, dominant male virility, and godly testosterone, and their black fur shining underneath the blazing Sun especially upon their abnormally massive upper and lower body muscles and twelve-pack abs, and each male Anubisairaian towers beyond comprehension with abnormally massive upper and lower body muscles hardened by countless battles, every sinew wrapped in unrelenting tension, every breath a warcry, their twelve-pack abs are like walls of iron, their fists shatter the skies and galaxies, and their very presence causes lesser beings to back down and bow before them. The Anubisairaians are The Embodiment of Divine Egyptian Regality, and their power grows with no upper limit.

Lincoln: Whoa, it's been eight years since I've been to Anubisairaia.

Lincoln got up and got dressed, and he left a note explaining it, and he headed to Anubisairaia.

Lincoln landed on Planet Anubisairaia, and it was everything he saw in his dream and his rainbow energy aura exploded as he grew stronger.

Lincoln: I'm back on Planet Anubisairaia, and the heat here is still as immense as ever along with its sun.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) It's still as intense as ever.

?: (Strong Manly Voice)(Divine Heavenly Godly Voice) You have arrived, Lincoln Loud.

Suddenly, Lincoln saw an extremely strong-looking male jackal who's really tall at 9,999'11" with abnormally massive and powerful upper and lower body muscles and twelve-pack abs, he was shirtless with a yellow sun and moon on his chest, long black hair going down to his shoulders and gold Nemes headpiece, yellow eyes, enormous black angel wings, white headdress, gold bands on his massive biceps and thighs, and he has on a white cloth around his waist, and this was someone Lincoln recognizes all too well.

Lincoln: (GASPS) Aken Anubisairaia, King of The Anubisairaians of Planet Anubisairaia.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) You know him, Lincoln?

Lincoln: I do, he's the father of my Guardian Angel, Amira Anubisairaia, Queen of The Anubisairaians of Planet Anubisairaia, and I know she's right...here!

Suddenly, Lincoln turned around and saw a beautiful female jackal who was tall at 1,000'11" in height, she has the body of a Goddesses and large breasts, long silky black hair, yellow eyes with yellow eye markings, she was dressed in a white sleeveless strapless midriff top, white fabric around her waist, gold bands on her biceps and thighs, white headdress, and enormous black angel wings.

Lincoln: (Smirks) I knew that was you, Amira Anubisairaia.

Amira Anubisairaia: (Smirks) Well, I wonder what it was that gave me away. You're always so sharp and focused just like the rest of your body thanks to all that training and hard work you underwent under us.

Then, all of the other Googol of Vigintillions of male Anubisairaians came to Lincoln.

Aken Anubisairaia: That's correct, and this was something Laura wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Aken Anubisairaia: I know. You had the dream, it's time.

Lincoln: Yes, it is.

Suddenly, Aken Anubisairaia chanted an ancient incantation and a magic circle appeared below Lincoln's feet and it glowed with incredible power.

Aken Anubisairaia: Do not worry, we will always be with you, Lincoln, now and forever. Our legacy will be preserved within you.

Suddenly, Aken Anubisairaia and the other Googol of Vigintillions of male Anubisairaians embraced Lincoln, and one by one, they began entering his body and they merged with him as he absorbed them: mind, body, and soul, and that led to Lincoln suddenly gaining an infinitely astronomical massive power boost and he gained their vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of the desert sands, immense fire, heat, infinite arsenal of spells, funerary magic, Egyptian Magic, and necromancy, and the powers of Anubis, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with

Lincoln: (GROWLS) RRGH! Ooh yeah, this is so awesome! (WOLF ROAR)

Aken Anubisairaia: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Letting the beast out, all the males of the Forbidden Zone planets including us do tend to do that on many occasions to show our virile dominance which made the many females swoon over us.

Lincoln 2: (Through the Rainbow Thunderbird and animals on Lincoln's forehead) Lincoln's grown that much bolder and confident thanks to his Guardian Angels, now there's one last thing for you to do, Lincoln.

Amira Anubisairaia: But, first, follow me inside, I have a little something for you.

Lincoln followed Amira Anubisairaia to The Pyramid of Desert Mystery and into the underground dungeons, and there, he saw Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy.

Lincoln: Whoa! Are those the prisoners you and your men captured for trying to rape the female Anubisairaians?

Amira Anubisairaia: Yes, when an army of male Infernairans showed up to destroy The Pyramid of Desert Mystery, my men captured them and brought them to the tomb and into the underground dungeons where they along with many male prisoners who were caught trying to rape the female Anubisairaians are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions.

Amira Anubisairaia: Because of us pumping that cocktail into their bodies, they transformed into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of the prophecy.

Lincoln: Me. Alright then.

Then, Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and stabbed them into the chests of the Googol of Vigintillions of 999,999'11" massive hulking musclebound brutes, and he began absorbing them and he assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused Laura Lustaira even more, and at the same time, the Googol of Vigintillions of male hulking musclebound prisoners suddenly began growing extremely weaker and they were also shrinking in height as all their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass were being sucked out of them one at a time and was pumped into Lincoln.

Prisoner: (Groans In Pain) Me can't take much more of this..., puny God sucking us dry!

Then, when Lincoln was done and the stingers changed back, nothing was left of the prisoners, and Lincoln sucked their souls dry of every last bit of energy and lust they were flooded with, and he had them sent to The Black Abyss.

Suddenly, Lincoln was too caught up with the excessive surges of excessive power rushing through his veins and body because of him absorbing all of the Googol of Vigintillions of male hulking musclebound prisoners and assimilated of their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass: he felt like his body was even more on fire and really bursting with power and strength and his deep sapphire blue eyes were still glowing, and then...!

MASSIVE SOUL-CRUSHING EARTH SHATTERING ROAR OF DOMINANCE!

Lincoln let out a massive soul-crushing earth shattering dominant roar as his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythical beasts and animals exploded out, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more, and he pounded his chest like an Alpha Male gorilla and flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Amira Anubisairaia felt the heat of Lincoln's raw display of raw manliness and male dominance.

Amira Anubisairaia: The roar of male dominance, the display of raw manly power! It's been a very long time hearing it. But, before you absorb our planet, The Pyramid of Desert Mystery, the planet's many tombs and pyramids, the planet's core, and Anubisairaia's burning Sun of Desert Flames into your body, it's been two years since we last had an...intimate moment.

Suddenly, Amira Anubisairaia went up to Lincoln and she placed her hands on his massive hairy pecs and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Amira Anubisairaia also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high and infinite sex drive, infinite hyperpuberty, and genes he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from glowing deep sapphire blue to glowing deep blood red with slit pupils.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Amira Anubisairaia's waist and pinned her to the ground with her legs around his waist, her stomach pressed against his twelve-pack abs, and her massive bust pressed against Lincoln's massive pecs and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Amira Anubisairaia with turquoise gems on the gold lightning bolts and turquoise crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she took time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded gems behind the four orbiting large gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle and beside his left and right thighs and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, rainbow tips on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Suddenly, Lincoln's deep sapphire blue eyes turned neon glowing deep sapphire blue along with the visible veins on his upper and lower body, and then...!

Lincoln: (GROWLS)(WOLF ROAR)

RIPS!

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Amira Anubisairaia looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out loud roars and manly wolf howls of dominance, and a nude Amira Anubisairaia left feeling pleasured.

Amira Anubisairaia: (In Heaven) Oh God, you've become such a...primal...virile, and manly beast, Linky.

Lincoln's white and gold trimmed shorts reappeared and his orange loincloth reappeared around his waist and he beamed Amira Anubisairaia to his room and he flew deeper and deeper into the planet, and he found Anubisairaia's core, the inner and outer core of the planet consisted primarily of iron and nickel and are extremely infernally hot with a temperature at more than 1,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000,000 degrees Fahrenheit, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat, and his rainbow, white, golden yellow, and blue energy aura was flaring up and he was growing stronger thanks to him absorbing the immense heat.

Then, Lincoln flew into the core of Planet Anubisairaia, and his rainbow, white, golden yellow, and blue energy aura flare up even more as he began absorbing the core and the planet itself along with The Pyramid of Desert Mystery and the planet's many temples, pyramids, and tombs into his body and he was really growing even stronger than ever, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,9

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Anubisairaia's burning Sun of Desert Heat and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, and despite being asleep, Arachneva Jorogumaira felt it as she smiled in her sleep.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came, Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Anubisairaia, a hot desert planet whose landscape is decorated with funerary temples and pyramids and a Sphinx, and protected by the Anubisairaians, a race of very powerful Anubian jackal angels who inhabit the desert planet and are powerful warriors and spellcasters who are masters of spells, funerary magic, and Egyptian Magic and are the descendants of our ally, Anubis, Egyptian God of The Dead. The male Anubisairaians are hyper-muscular juggernauts bred from the wars and battles they've fought against for countless eons, their veins coursing with divine power, dominant male virility, and godly testosterone, and their black fur shining underneath the blazing Sun especially upon their abnormally massive upper and lower body muscles and twelve-pack abs, and each male Anubisairaian towers beyond comprehension with abnormally massive upper and lower body muscles hardened by countless battles, every sinew wrapped in unrelenting tension, every breath a warcry, their twelve-pack abs are like walls of iron, their fists shatter the skies and galaxies, and their very presence causes lesser beings to back down and bow before them. The Anubisairaians are The Embodiment of Divine Egyptian Regality, and their power grows with no upper limit.

He finished and returned the book to Lincoln's room, but we were shocked!

Me: (GASPS) Oh, no way!

Cody: Oh man, so there's a planet of Anubian jackal angels who are descendants of Lord Anubis?! That's incredible!

Nico: And I remember the legends of Anubisairaia. No Saiyan warrior would ever set foot there, the planet was just as hot as Egypt itself, and the threat of dying of thirst was prominent.

May: And how were you able to survive going to a planet like that?!

Lincoln: Training under extreme heat and having the power to absorb the heat and the excessive and infinite energy of the sun helped out greatly.

Maria: Lucky...!

Then, we saw Amira Anubisairaia enter and she sat with Lincoln.

Me: Whoa, and who's the Anubian jackal angel that's joined us?

Anna Anyanova: This is Amira Anubisairaia, Queen of The Anubisairaians of Planet Anubisairaia, she's Lincoln's Guardian Angel from Planet Anubisairaia, a hot desert planet whose landscape is decorated with funerary temples and pyramids and a Sphinx. Amira Anubisairaia is The Queen of The Anubisairaians, a race of powerful Anubian jackal angels who inhabit the desert planet and are powerful warriors and spellcasters who are masters of spells, funerary magic, and Egyptian Magic and are the descendants of our ally, Anubis, Egyptian God of The Dead. The male Anubisairaians are hyper-muscular juggernauts bred from the wars and battles they've fought against for countless eons, their veins coursing with divine power, dominant male virility, and godly testosterone, and their black fur shining underneath the blazing Sun especially upon their abnormally massive upper and lower body muscles and twelve-pack abs, and each male Anubisairaian towers beyond comprehension with abnormally massive upper and lower body muscles hardened by countless battles, every sinew wrapped in unrelenting tension, every breath a warcry, their twelve-pack abs are like walls of iron, their fists shatter the skies and galaxies, and their very presence causes lesser beings to back down and bow before them. The Anubisairaians are The Embodiment of Divine Egyptian Regality, and their power grows with no upper limit. Yet even these living gods kneel before Amira Anubisairaia, their Queen and Goddess of Divine Battle and Mystical Arts, she's a towering Anubian Jackal of divine beauty, mystical power, and enchanting mystery that's as elusive as it is alluring, her body honed through natural good looks and countless eons of training and fighting, her yellow eyes glowing with a godly power that pierces someone's soul, her voice divine and absolute commands legions of men, offers wisdom to many seeking her guidance, calms the souls of the dead as she guides them to the afterlife, and silences those who threaten her planet and her home, and her presence evokes a divine presence that makes even the strongest warrior back down and bow before her. She is The Goddess of The Desert Sands, her black angel wings drawing in the souls of the dead friend and foe alike and sending them to the sacred Underworld to await whether they can go on to the afterlife or be devoured by the fierce beast awaiting them. She wields The Sickle Swords of Anubisairaia, weapons forged from pure gold and etched with hieroglyphs from the tombs of her planet: the names of the fallen warriors and with every strike, the fallen warriors who dared to invade her planet are forced to also attack in the name of Amira Anubisairaia. Amira Anubisairaia's power knew no limits: she commands the desert sands, forms fire born from the heat of the desert, has an infinite arsenal of spells, funerary magic, and Egyptian Magic at her command, and she can also bring the dead back and also summon their souls to fight by her side. But, she also felt a prophecy in the desert sands as she discovered a prophecy told on the walls of her palace: the prophecy speaks of a God among men, a young man who's destined to carry on the legacy of her people and her planet and who's destined to be her King of The Desert Sands and God of Divine Battle, that young man was Lincoln Loud. Amira Anubisairaia descended upon Earth upon a chariot of gold, and when she looked into Lincoln's eyes, she knew she found him, she recognized him as the one destined to tame The Divine Power and become more than even her male titans, a True God of Life and Death, the one who sends the souls of the blessed to their eternal home in the afterlife and sends the souls of the damned to their eternal damnation. As his Guardian Angel, Amira Anubisairaia pledged her immortal service to him, swearing to forge him in The Divine Crucible of Power and awaken his hidden divinity. Amira Anubisairaia trained Lincoln in the Ancient Arts of Anubisairaian Combat forging him into a living weapon. He learned to command the desert sands, summon fire born from the heat of the desert, and use an infinite arsenal of spells, funerary magic, Egyptian Magic, and bringing the dead back to life and summoning the souls of the slain warriors to fight at his side. Through Amira Anubisairaia's brutal training underneath the blazing sun and the blazing desert heat of Anubisairaia, Lincoln's body transformed further as his already massive godly muscles thick with divine testosterone and immense male virility grew and swelled even further, his veins bulged even more with immense divine power, his punches and kicks split the sand dunes and destroy enemy fortresses, and decimates entire vast legions of enemy soldiers asunder, and Lincoln gained excessive tons of godly muscle mass, elephant-level testosterone and virility, divine superhuman strength, divine speed, divine reflexes, divine durability, divine endurance, divine agility, and his presence commands the very respect that Amira commands as well. Amira Anubisairaia gifted him The Winged Scarab of Anubisairaia, a winged scarab pectoral that fused with his body and feeds his already godly superhuman strength with every evil supervillain and evil God he slays and absorbs their energy, lifeforce, and powers and abilities, The Ankh of Divine Power, a gold Ankh that allows Lincoln to head to The Egyptian Underworld which proved adamant due to him having to go there to receive training from the Egyptian Gods as well, and finally, The Gold Crown of Sovereignty, a gold Egyptian Nemes crown created from gold with the gold Uraeus, the gold snake, and gold vulture by its left side and gold horns and in between them is a large crimson red gem that is surrounded by a gold ring that sits atop his head, and the gem glows feeding his strength with every act of love and justice he sees, and she also inked Lincoln with The Eye of Ra on his chest and The Eye of Horus on his back to only to protect him from evil, but also, to seal the promise of him marrying her. Lincoln also gave her The Winged Scarab of The Divine, a gold necklace with a winged scarab pendant that was forged from the sacred furnace of Anubisairaia, and their bond grew stronger than ever and hotter than the desert sun. Amira Anubisairaia's love for Lincoln was divine, primal, and boundless. She often embraced him in passionate kisses, leaving marks on his skin and passion roaring in his heart. They fought, trained, and burned together in sacred love-duels under the blazing sun and eternal heat of Anubisairaia. She once told him, "Your divinity is beautiful because it's both just and pure. That's why I kneel before you, my Lord of Divinity and Power." But, to those who wish harm upon Lincoln Loud, Amira Anubisairaia will end them as she descends upon them with righteous fury and using her power to drain the lifeforce from them until they are left as mummified corpses and then have their bodies wrapped in bandages and sealed in The Sarcophagus Tombs of The Irredeemable where the only sound that'll comfort them is the sound of their own screams echoing within their own tombs as they spend eternity in unendurable torment.

WE GASPED!

Nico: Oh my God, I remembered hearing the legends about her!

Suddenly, we saw something appear in the center of the gold chestplate of Lincoln's harness: The Winged Scarab of Anubisairaia, an ornate jeweled winged scarab pectoral that fused with his body and feeds his already godly superhuman strength with every evil supervillain and evil

God he slays and absorbs their energy, lifeforce, and powers and abilities.

Then, we saw something appear on The Winged Scarab of Anubisairaia: The Almighty Ankh of Divinity, and finally, something appeared hovering above his head: The Golden Crown of Almighty Godly Power, a golden version of St. Edward's Crown crafted from gold with rainbow gems, pearls, and diamonds and fur trim, and the gold Uraeus, the gold snake, and gold vulture by its left side and large golden bull horns on the side and on top is a large crimson red gem with an eternal flame inside it that's surrounded by a gold ring that sits atop his head, and the gem glows feeding his strength with every act of love and justice he sees.

Me: WHOA!

Nico: That's awesome. But, wait, I sense other crowns that merged with The Golden Crown of Almighty Godly Power and The Almighty Ankh of Divinity.

Arpina Infernaira: Crap...! He found out! Okay, the truth is the other Forbidden Zone Queens and the other Forbidden Zone Queens of The Nine Planets of The Sins also gave Lincoln crowns and ankhs as well that gives Lincoln even more excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass.

Laura Lustaira: Arpina's right, I gave him The Crown of Endless Lust, a dark relic crafted in the flames of Lust allowing him to absorb the lust and libido of perverts and convert it into excessive amounts of raw omnipotent superhuman strength and omnipotent resilience, The Queen of Greediyaida gifted Lincoln the Crown of Endless Thirst, an artifact made from the bones of dead merchant gods, which allows him to absorb the greed of his enemies and convert it into raw strength and omnipotent resilience, The Queen of Wrathvaira gifted him the Infernal Crown of Blazing Judgment, a flaming relic that burns forever atop his head, feeding his strength with every injustice he witnesses, The Queen of Heresyvaira gifted him The Ankh of Rejection, a relic that lets him walk through holy flames unscathed and command beings that once ruled over men and monsters, and with it, he can also erase dogmas and remake truths, The Queen of Mosquitonaira gifted Lincoln The Crown of Blood, a blood red ancient relic that hovers above his head and with every victim Lincoln slays, the crown sucks up all the blood and feeds it to Lincoln and making him even stronger than ever.

Me: UNREAL!

Luna: It's all true.

Lincoln: And with my constant evolutions, the crowns and Ankhs I was given fused into a new crown and a new Ankh on The Winged Scarab of Anubisairaia: The Golden Crown of Almighty Godly Power and The Almighty Ankh of Divinity.

Me: So, that's why I kept feeling you growing even stronger than ever, it's not just using your Cell stingers to absorb villains, but also, those artifacts you also have with you. That really is awesome!

Amira Anubisairaia: Yes, and everything Lincoln told you last night was true, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely excessive virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Anubisairaia's Blessing of Blazing Desert Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and

999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Amira Anubisairaia: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell: Take it to your bedroom, you two!

Princess What's Her Name woke up to see Omastar staring at her

Omastar: Morning Princess!

Prncess What's Her Name: Oh morning Omastar.

Omastar: Time: for breakfast.

She got up and went and got dressed and went to the table.

Earthworm Jim: Well morning my Daffodil Petal.

Princess What's Her Name: .

We gave her toast and eggs.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was The Evil Masked Figure, and he's in

Coolsville along with an army of monsters with him: The Pterodactyl Ghost, The Tar Monster, The Black Knight Ghost, The Ghost of Captain Cutler, The Miner 49er, The Ghost of Redbeard, The Ghost Clown, The 10,000 Volt Ghost, Rambling Ghost, Old Ironface, Jaguaro, The Creeper, The Skeleton Men, The Cotton Candy Glob, The Gator Ghoul, The Swamp Witch and her Zombie, The Strawberry, Chocolate & Vanilla Technicolor Phantoms, The Laughing Green Phantoms, The 2,000,000-Year-Old Caveman, and The Ghost of Mr. Hyde.

Me: What the?! The Evil Masked Figure?! Wait, I heard Vypra has the real one in The M.O.E., then this means...! We got an old enemy of Mystery Inc. running loose in Coolsville!

Nico: And he's also got an army of monsters with him: The Pterodactyl Ghost, The Tar Monster, The Black Knight Ghost, The Ghost of Captain Cutler, The Miner 49er, The Ghost of Redbeard, The Ghost Clown, The 10,000 Volt Ghost, The Rambling Ghost, Old Ironface, Jaguaro, The Creeper, The Skeleton Men, The Cotton Candy Glob, The Gator Ghoul, The Swamp Witch and her Zombie, The Strawberry, Chocolate & Vanilla Technicolor Phantoms, The Laughing Green Phantoms, The 2,000,000-Year-Old Caveman, and The Ghost of Mr. Hyde.

Lincoln: They're no doubt clones that I'm going to absorb.

Caleb Maxwell: Something fishy's going on, we better head down there at once.

Lincoln: After we finish breakfast, that is. Plus, after what you did yesterday, you better keep that toxic waste dump of a mouth of yours under control, or you and your siblings are gonna be in for a lot worse.

Caleb Maxwell: Damn it...!

Mad Cat Max: Nice one, Lincoln. And honestly, if you so much as lose your temper and let that toxic waste dump of a mouth of yours let loose another string of bad words and curses one more time, I'm gonna talk with your mom about having you uninvited to my future wedding to your sister!

WE GASPED IN AMAZEMENT AT MAD CAT MAX'S COURAGE!

Caleb Maxwell: (Seriously Pissed off) What did you say?!

CALEB MAXWELL WAS SEETHING WITH UNHOLY RAGE!

UH OH!

Carla Claw: (Smirks) Nice one, kid, that display showing love always triumphs over evil, that's what Allie wanted to see from you again. (To Caleb Maxwell) Especially putting a cruel heartless sadistic demon like you in your place, Caleb. Face it, no matter how much you fight against the bad guys and make the lives of others easier, it doesn't change the fact you're still forever damned by all your dark actions. You took the lives of Drake's thugs in 1985: the final days of your cursed life on Earth, even if that darkness haunted you for years when you were twelve. It's also your fault for shutting out your mom and your sister when they wanted to help you, but you coldly shut them out and only let yourself be consumed by hatred and revenge.

Roxy Drake: Carla, cut it out! Caleb's gonna skin you alive!

Panther: (Smirks) That's it, babe, now deal the final blow that makes Caleb Maxwell finally lose his marbles.

Nico: Hey, guys, cut it out!

Mad Cat Max: No, Nico, this needs to be said. We've had to deal with your accursed dark hatred ever since your return to New York in 1996, and every night, we had to hear the screams of your victims along with your demonic laughter echoing in the city, everyone became afraid of you: innocent and guilty alike, you lost your sense of morality and human decency because of the nightmares you went through, but it was all your doing in the first place when you shut out your mom and sister who just wanted to help you, but no. If anything, you've become just like the assholes who ruined your life in high school and college along with becoming even worse than the dickhead who killed you in 1985.

THAT DID IT: CALEB MAXWELL'S CRIMSON RED EYES BECAME NEON CRIMSON RED AND HIS SCLEARA CHANGED FROM WHITE TO BLACK!

Claw Dane Drake: (Smirks) Well, well, I am quite surprised you said those words, Max. If it was any other person, Caleb would've killed them in cold blood. (To Caleb Maxwell) But it proves one thing: you've lost your edge, you're no longer the same monster who terrorized New York in 1996.

But, James Blunt grabbed him by the shoulder.

James Blunt: That's enough. I think you and your gang have gone too damn far, Caleb went through Hell because of it, but I never blamed him for what happened.

And it wasn't just him, but all of us, Cage Blunt, Travis Tackett, The NYPD Nightshift, and The Starfire Agency agreed, and as if the words of James Blunt were a balm to his soul, Caleb's neon crimson red eyes changed back to crimson red and the black sclera changed back to white.

James Blunt: Yet, your gang still wouldn't let him finally let go of the very darkness that haunted him. (To Claw Dane Drake) You and me, after Lincoln's rescue, we're taking this to the gym's wrestling mat! It's time I taught you a lesson in manners and discipline.

Nico: Uh oh...! This is gonna end badly.

We finished breakfast and we headed to Coolsville to help Emma Gale, Velma Dinkley, and Paige unlock their Rainbow Power and take down The Evil Masked Figure.

We were ofF

Nidoking: I belong to Jeanne Shura,

Jeanne Shura: We tear our opponents apart brutally.

Nico: Nice!

Jeanne Shura: It's fun.

Nico: J.D, don't take this the wrong way. And I know Dark Gale'swork is cleaned up. But wouldn't it be fascinating if we met a girl Gene Slammed into a Nidoking and a boy Gene Slammed into a Nidoqueen?

Me: That would be crazy silly. But cool.

Varie: It sure would.

Ash: Like Ralph would be a Nidoqueen and Emily as a Nidoking.

Me: That would be funny and silly

Horsea: It sure would.

Qin: Yep.

Camie: I agree.

Varie: Yep.

Me: Yesterday was intense!

Xenia: It sure was. Zick are you and Elena glad that Magnacat is gone?

Zick: Actually, yes. And he got killed 2 years in a row

Me: He sure did.

Qin: This time we were ready for him!

Lola: Yep.

Nico: (Snickers) He threw up like that.

Poromon: Can't believe you made him see...that!

May blushed.

Me: Funny but effective.

Qin: Yes it was.

Camie: Yeah.

Ymir: No kidding.

Me: And he was scared shitless when he saw my ultimate power.

Varie: He sure was!

Zick: Yep. And man my Akuma was scary!

Me: A Seven Headed dragon!

Nico: And also a bit weird...

Me: But at least we knew what each head was thinking.

Nico: True.

We walked around.

Sakura Knudson: Good to see Coolsville again.

Shaggy: Like, home sweet home!

Scooby Doo: Reah!

Scrappy: We sure missed this place.

Daphne: We sure have.

Fred Jones: This is gonna be a great day to be home.

Velma: It sure will be.

Shaggy: Like, let's see if there are any new restaurants!

Me: There has to be.

Qin: Yep.

Me: But Shaggy you just ate earlier.

Shaggy: Like we are always hungry. Lets go Scoob.

But Fred grabbed them both.

Fred: Oh no you don't! We got a mission to do.

Lincoln: Okay, guys, we're in for one intense battle, we're here in Coolsville to help Emma Gale, Velma Dinkley, and Paige unlock their Rainbow Power and take down The Evil Masked Figure.

Shaggy: ZOINKS! The Evil Masked Figure!? (Cowardly Whimper) We're out of here! BYE!

Erica grabbed them as they were about to run.

Erica Haddock: Not so fast you two. You two are staying with us whether you like it or not.

Shaggy: Like not on your life! NO WAY!

Scooby Doo: NOT ON YOUR LIFE!

Erica: You have no choice in this!

Shaggy: UH UH! NO WAY! No way are we going with you!

Scooby Doo: And you can't make us!

Erica: Wanna bet?

They were tied to a chair and we were pushing them.

Shaggy: She made us Scoob.

Me: You two are huge chickens.

Shaggy: Like you got that right.

They clucked like chickens!

Me: GEEZ! I swear you guys were not just born with yellow stripes down your backs but fully colored yellow.

Shaggy: Like yeah you got that right.

They showed us turning FULLY YELLOW!

Me: (Sighs) (Quietly) They should have put you in a nuthouse for cowardly gluttons.

Eli: (thinking quickly) Shame. Because I think I just sensed the Cotton Candy Glob's energy signal here. But I understand if you two want to pass up on eating him again...

RIP!

They busted out of the chair.

Shaggy:...well, maybe we'll stick around just to eat him

Me: Smart thinking bro.

Eli: Thanks.

But then...

SPLAT!

Nico got hit n the face with a glob of cheese!

Nico: Hey! (Slurps) CHEESE!

Me: The Cheese Monster is among them.

Qin: Yep.

We saw a Moltres!

Me: WOW! A Moltres! Perfect for you Emma.

Emma Gale: It sure is.

She landed by us and then we got a surprise. She glowed and transformed into a beautiful girl with orange and red hair and blue eyes and fire angel wings and had a beautiful orange dress.

Me: WHOA!

Horsea: She can transform like we can!

Moltres: That's right.

Emma Gale: Wow That is so awesome!

Moltres: It sure is Emma.

Emma gave her an apple.

Moltres: Why thank you very much.

She ate it.

Emma Gale: You're welcome. Want to come with me?

Moltres: Like you have to ask.

Me: Cool!

Poromon: YAY!

Nico: Oh sorry.

Carly: (giggles) Now it's your turn to try and call on people who are already here!

Nico: Yeah it is.

Me: That's funny.

Then a Bombardier landed in front of us.

Then a Crimson Topaz hummingbird landed on my nose.

Me: Wow a Crimson Topaz Hummingbird. You're far from home aren't you little guy?

Nico: Where did that come from?

Then a Sacred Kingfisher landed on my head.

Me: A Sacred Kingfisher! Wow!

Lola: Pretty.

Then a Scarlet Ibis and a Great Blue Heron came.

Me: Wow! A Scarlet Ibis and Great Blue Heron too.

Lola: 4 beautiful birds from different parts of the world.

Bombardier: (In a girls voice) My friends sure like you J.D.

Carly Atlas: (GASP) Aria Herodias!

She reverted back and was a girl with orange hair, orange eyes, orange angel wings, black and orange clothes and had Bombardier on her forehead and had Earthbound Immortal Aslla Piscu with the Hummingbird Nazca Line in front of it with the Great Blue Heron, Crimson Topaz Hummingbird, Scarlet Ibis and Sacred Kingfisher around it on her arm as a cutie mark and she had a nature staff.

Aria Herodias Atlas: Hello mom. Hey dad.

Carly went and hugged her.

Me: Wow! Your bird friends are beautiful.

Aria Herodias: Yep. The Crimson Topaz Hummingbird is Crimy. I found her in Brazil. The Sacred Kingfisher is Sacria. I met her in New Zealand. The Heron is Herria and I met her in Montana. And the Scarlet Ibis is Ibby. I met her in Venezuela.

Me: Wow that is awesome.

Fluttershy: Oh your friends are beautiful.

Poromon: They sure are.

Carly Atlas: Me and Aria had a lot of fun too.

Aria Herodias: My favorite time with mom is when me and mom went to the zoo and in the bird exhibits, I discovered my power to talk to birds and even have them help me out in many things.

Me: So you have the power to talk to birds.

Aria Herodias: That's right.

Maximum Ride: That is amazing.

Me: It sure is.

Aria Herodias: Yep. I will gladly help you all out.

Me: Okay.

Qin: Now we got a job to do.

Xenia: Yep.

I saw something.

Me: Look here.

We saw black globs of tar on the ground.

Nico: Hang on. Is that tar on the ground?

I wiped it with my finger and it was really sticky.

Me: Yep it's tar all right.

Nico: Tar Monster's here too!

Me: Yep. Lincoln's premonition warned us earlier.

Lincoln: (Sensed for The Evil Masked Figure) AHA! Gotcha! I just spotted The Evil Masked Figure, he's 20 yards away, and now, he's coming after us!

We took off into the air to take down The Evil Masked Figure and absorb the clones of the other monsters with him.

Nico: Let's follow the tar trail

We followed it as we flew.

We were flying in the air, and there we found The Evil Masked Figure along with the clones of The Pterodactyl Ghost, The Tar Monster, The Black Knight Ghost, The Ghost of Captain Cutler, The Miner 49er, The Ghost of Redbeard, The Ghost Clown, The 10,000 Volt Ghost, Rambling Ghost, Old Ironface, Jaguaro, The Creeper, The Skeleton Men, The Cotton Candy Glob, The Gator Ghoul, The Swamp Witch and her Zombie, The Strawberry, Chocolate & Vanilla Technicolor Phantoms, The Laughing Green Phantoms, The 2,000,000-Year-Old Caveman, and The Ghost of Mr. Hyde.

Me: There he is.

Lincoln: Alright, time to get in there, and I got the next song to use for the entrance.

Suddenly, Lincoln was surrounded by a sunlight yellow aura with light beams surrounding him and The Sun was shining even more brightly!

Lincoln: (Singing Divinely) Go ahead as you waste your days with thinking

When you fall, everyone stands

Another day and you've had your fill of sinking

With the life held in your

Hands are shaking cold

These hands are meant to hold (speak to me)

When all you got to keep is strong

Move along, move along like I know ya do

And even when your hope is gone

Move along, move along just to make it through

Move along

Move along

So a day when you've lost yourself completely

Could be a night when your life ends

Such a heart that will lead you to deceiving

All the pain held in your

Hands are shaking cold

Your hands are mine to hold (speak to me)

When all you got to keep is strong

Move along, move along like I know ya do

And even when your hope is gone

Move along, move along just to make it through

Move along

When everything is wrong, we move along

(Go on, go on, go on, go on)

When everything is wrong, we move

Along (along)

Along (along)

Along (along)

Along (along)

When all you got to keep is strong

Move along, move along like I know you do

And even when your hope is gone

Move along, move along just to make it through

When all you got to keep is strong

Move along, move along like I know ya do

And even when your hope is gone

Move along, move along just to make it through

When all you gotta keep is strong

Move along, move along like I know you do (I know you do)

And even when your hope is gone

Move along, move along just to make it through

(Go on, go on, go on, go on)

(Go on, go on...)

As Lincoln sang, he fired powerful waves of light, sunlight, fire, the seven colors of the rainbow, and white wolves at The Evil Masked Figure and the clones of the monsters, and they explode with such incredible power, and he was burned severely!

Me: Ooh, damn, that's got to hurt!

We landed.

Me: Nice entrance! (To Evil Masked Figure) Okay Jonathan Jacobo! We know that's you! You're under arrest!

Ymir: Who is Jonathan Jacobo?

Qin: He was the original Pterodactyl Ghost. He was also one of the men that helped in a massive multi-million dollar music piracy operation. He dressed as the Pterodactyl Ghost to scare off people.

Ymir: That is bad!

Qin: It was!

Nico took a step towards him…only for the Tar Monster's tar to grab his feet

Tar Monster: Now you are stuck in my trap!

I used my laser vision and hardened the tar and freed him.

Nico: Nice one!

Me: Thanks!

Ymir: Who is the Tar Monster Really?

Qin: His real name is Stoner, Professor Brixton's assistant. He was using the legend of the Tar Monster to scare away people so he can steal priceless treasures from an underground city in Turkey that was buried there by an earthquake centuries ago. He wanted that treasure all for himself.

Ymir: What a greedy jerk!

I fired laser vision blasts and hardened the Tar Monster's arms and they were solid!

Tar Monster: HEY!

The Skeleton Men chared at Shaggy and Scooby.

Harold got in the way and swung his nunchucks.

(CREEPING IN MY SOUL BY CRYOSHELL PLAYS)

Ice and energy swirled around him.

Harold: (SINGING DIVINELY AS ICE SWIRLED AROUND HIM)

I see your face before my eyes

I'm falling into darkness

Why must I fight to stay alive?

Heroes falling

Wake me, can't you hear me calling? (Calling, calling, calling...)

Out of darkness, they come crawling

Here I am

I am lost in your land

And I hope you will be

Creeping in my soul

Shadows fall, let me out

Hear my call

And I'll always believe

Creeping in my soul

I fade away into the night

My eyes are closing in

Shadows are fleeing from the light

My nightmares can begin

Wake me, can't you hear me calling? (Calling, calling, calling...)

Out of darkness, they come crawling

Here I am

I am lost in your land

And I hope you will be

Creeping in my soul

Shadows fall, let me out

Hear my call

And I'll always believe

Creeping in my soul

Creeping in my soul, it's getting out of control

I got to find my escape and get out of this black hole

'Cause justice in the world is hard to find

Time has come, got to make up my mind

No matter how deep or remote I hide

All my thoughts seem caught up inside

Creeps from the deep's gonna be freaking up your mind

Creeps from the deep's gonna be feeding off your spine
(spine, spine, spine...)

Here I am

I am lost in your land

And I hope you will be

Creeping in my soul

Shadows fall, let me out

Hear my call

And I'll always believe

Creeping in my soul

Here I am

I am lost in your land (here I am)

And I hope you will be

Creeping in my soul (I'm lost)

Shadows fall, let me out

Hear my call (I'm lost)

And I'll always believe

Creeping in my soul (soul, soul, soul...)

He bashed them down and mercilessly pulverizd them and then...

CRUNCH!

HE SMASHED HIMSELF IN THE CROTCH!

Me: (WINCES) OOOH! OUCH!

Qin: That had to hurt. The Skeleton men were actually Mr. Grimsley, the head of the Weather Department and his men. They were stealing Hurricane Research aircrafts and repainting them to sell on the black market.

Ymir: GEEZ!

Miner 49er raised his pickaxe

Star Swirl kicked him down.

Star Swirl: Time to show some magic!

He fired magic blasts and blasted him.

(EL DORADO BY ELTON JOHN PLAYS)

GOLD BARS AND MAGIC AND SUNS SWIRLED AROUND HIM.

Star Swirl: (SINGING DIVINELY)

Our glorious city

Was build by the divinities by Gods

Who saw fit to bestow

The gift of a pardise

Peaceful and harmonious upon

Us mere mortals below

And made El Dorado

The magnificent and golden

One thousand years ago

El Dorado, El Dorado, El Dorado

But all this was granted

For only one millennium

I know my legacy is to fulfill

My promise to all my people

Who have trusted me, the Gods

Will approve of us still

Preserve El Dorado

The magnificent and golden

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

The mountains so high and waters deep

Are her disguise

Her secrets are safe from foreign hands

And eyes forever

Preserve El Dorado

The magnificent and goldent

And I believe they will

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

El Dorado, El Dorado, El Dorado

He blasted the miner down with energy and gold and blasted him.

Star Swirl: Take that!

Qin: The Miner 49er was really an old man named Hank. He found a hidden well full of Crude Oil in a mine and wanted to keep it all to get rich. Oil is worth its weight in gold.

Ymir: WHOA MAN!

Me: Yeah no kidding!

Moltres charged at the Zombie and Sailor Saturn charged at the Swamp Witch and blasted them with intense fire and energy.

Me: Take that!

Qin: The Swamp Witch and the Zombie were really Zebb and Zeke. They highjacked an armored car and sunk it in the swamp and waited for the heat to die down and go find it. The Armored Car was full of millions of dollars in cash and coins.

Ymir: Whoa what a couple of fools!

Me: Yeah no kidding!

She fired waves of Saturns and energy and blasted the Swamp Witch and Zombie down!

Me: Take that!

Qin: YEAH!

Captain Cutler aimed his harpoon at us And he threw it.

Triple Berry jumped and grabbed it and threw it back and it skewered him through his crotch!

STAB!

It sent him flying and he got impaled onto a tree!

HE MOANED IN AGONY!

Me: WHOA! Nice one T.B.!

Triple Berry: Thanks! I'll finish him.

(READY FOR THE STORM BY ROWENA TAHENY PLAYS)

LIGHTNING, STORM CLOUDS AND RAIN APPEARED

Triple Berry: (SINGING DIVINELY)

The waves crash in and the tide pulls out

It's an angry sea, but there is no doubt

That the lighthouse will keep shining out

To warn the lonely sailor

And the lightning strikes and the wind cuts cold

Through the sailor's bones, to the sailor's soul

'Til there's nothing left that he can hold

Except the rolling ocean

But, I am ready for the storm

Yes sir, ready

I am ready for the storm, I'm ready for the storm

Oh, give me mercy for my dreams

'Cause every confrontation seems to tell me what it really means to be this lonely sailor

But when the sky begins to clear

The sun it melts away my fear

I'll cry a silent, weary tear

For those that need to love me

But, I am ready for the storm

Yes sir, ready

I am ready for the storm, I'm ready for the storm

Distance, it is no real friend

And time will take its time

And you will find that in the end

It brings you me the lonely sailor

And when you take me by your side

You love me warm, you love me

And I should have realised

I had no reasons to be frightened

And I am ready for the storm

Yes sir, ready

I am ready for the storm

Yes sir, ready

I am ready for the storm

Yes sir, ready

I am ready for the storm

I'm ready for the storm

She fired waves of lightning and it hit the spear and electrocuted him and reduced him to ashes instantly!

Me: WHOA! That was genius!

Qin: It sure was! Captain Culter was never at all to begin with. He and his wife were doing a massive yacht and boat highjacking operation to repaint boats to sell on the black market.

Ymir: WHOA! That is rough.

Me: It was.

The Black Knight Ghost clone raised his sword

CLANG!

Red She Hulk clashed with him all over with her sword!

Qin: The Black Knight Ghost was the disguise of the Museum Curator, Jeremiah Wickles. He was doing a massive art swindling operation and he kidnapped Professor Hyde White to prevent him from spotting fakes.

Shaggy: Like yeah and he was the very first villain we busted in a long time.

Red She-Hulk: Yep.

She fired waves of energy and blasted him into scrap metal!

Me: Maybe he can rent himself out as a suit of armor for one of our hallways.

Ghost of Redbeard: Time for ye to walk the plank!

Eureka Thurston: We'll see about that!

She spread her wings and flew at him and kicked him down.

Qin: The Ghost of Redbeard was really C.L. Magnus. He was a shipping Magnate and was about to lose his shipping lines unless he came up with lots of money and he thought why not steal the cargo of all his ships and sell the cargo.

Ymir: What a jerk!

Me: Yeah!

Eureka Thurston: No kidding there!

(SLEEPING SUN BY NIGHTWISH PLAYS)

SUNS AND ENERGY AND MOONS SWIRLED AROUND HER

Eureka Thurston: (SINGING DIVINELY)

The sun is sleeping quietly
Once upon a century
Wistful oceans calm and red
Ardent caresses laid to rest
For my dreams I hold my life
For wishes I behold my night
The truth at the end of time
Losing faith makes a crime
I wish for this night-time
To last for a lifetime
The darkness around me
Shores of a solar sea
Oh how I wish to go down with the sun
Sleeping
Weeping
With you
Sorrow has a human heart
From my god it will depart
I'd sail before a thousand moons

Never finding where to go

Two hundred twenty-two days of light

Will be desired by a night

A moment for the poet's play

Until there's nothing left to say

I wish for this night-time

To last for a lifetime

The darkness around me

Shores of a solar sea

Oh how I wish to go down with the sun

Sleeping

Weeping

With you

I wish for this night-time

To last for a lifetime

The darkness around me

Ghost Clown laughed

Matsuri: Okay clown boy! Come get some!

Me: First this one.

I used my hypnotic glare.

Me: Look into my eyes. And you will do as I say.

Ghost Clown: (Drooling) (Droning) Yes master.

Me: You will be turned into a chicken! (SNAPS FINGERS)

He acted like a chicken!

Ed: CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN! HUG A CHICKEN!

Ed hugged him!

Qin: Very clever! The Ghost Clown was really Harry the Hypnotist. He once worked in a circus. But they caught him stealing and sent him to jail. When he got out he returned to get revenge on the circus he worked for.

Ymir: Geez!

Matsuri: I know! I got this.

She went at him and kicked him down.

Gusty The Great: It's why I am known as the Pillar of Judgement.

Sunset Shimmer: Wow! That is amazing!

Qin: Yeah! Rambling Ghost was really Mr. Elsworth. He swore to get even with the entire Hawk Dome and staff after he was fired.

Nico: HEY!

Bridgette: I'm going to smash your head in for hurting Lori!

Sakura Knudson: And Scooby would never eat Acme Dog Biscuits if they were the last dog treats on the planet!

Can you hear me

Hear me calling you

(Can you hear me running) hear me running, babe

Can you hear me running (hear me running)

Calling you

She fired energy blasts and blasted the Cheese Monster.

Nico then jumped him and licked and ate the entire cheese monster!

Nico: (LOUD BELCH)

Nico was bloated as a thanksgiving turkey!

Qin: Nico is going to be stuffed for the whole day.

Me: Maybe for a few hours.

Bridgette kicked Old Ironface!

Qin: Old Ironface was really Mama Mione. She was a champion waterskiier that ran a great restaurant. She tried to smuggle prisoners from Skull Island Prison out of the country.

Ymir: YIKES!

Shaggy: Like yeah and she had a well stocked kitchen full of all of that delicious food.

Me: I remember that. That was amazing.

Bridgette kicked him.

(GRAVITY OF LOVE BY ENIGMA PLAYS)

LIGHTNING AND DOVES SWIRLED AROUND HER

Bridgette: (SINGING DIVINELY)

Turn around, and smell what you don't see

Close your eyes, it's so clear

Here's the mirror, behind there is a screen

On both ways, you can get in

Don't think twice before you listen to your heart

Follow the trace for a new start

What you need, and everything you'll feel

Is just a question of the deal

In the eye of storm, you'll see a lonely dove

The experience of survival is the key

To the gravity of love

The path of excess leads to the tower of wisdom

(The path of excess leads to the tower of wisdom)

Try to think about it

That's the chance to live your life, and discover what it is

What's the gravity of love?

Look around just people, can you hear their voice?

Find the one who'll guide you to the limits of your choice

If I feel in the eye of the storm

Just think of the lonely dove

The experience of survival is the key

To the gravity of love, oh (o fortuna)

She fired waves of water and lightning and blasted him down.

Me: Take that!

Jaguaro jumped at us but Verbina and Aster fired laser blasts and blasted him down.

Verbina: Take that you overgrown gorilla!

Aster: YEAH!

Qin: Jaguaro was really Barney the co-pilot. Barney used the Jaguaro costume to scare away the local natives to hide a diamond mining operation he was running.

Ymir: Not cool!

Verbina and Aster sang Neptune by 2002 and they fired waves of water and wind and blasted him down.

Creeper: Creeper!

She fired an energy blast and it hit him and exploded!

KRABBBBBBBBOOOOOOOOOOOOOOOOOOOOOOMMMM!

Me: Nice one!

Ymir: He looks nasty!

Qin: The Creeper was really Mr. Carlswell the Bank President. He was caught red handed because of a hidden camera that took a picture of him robbing the bank. He tried to get a photo back that showed him doing it.

Ymir: Oh man!

Lola: No kidding!

Mimi: Yeah that was crazy!

A new beginnin'

A reason for livin'

A deeper meaning, yeah

I wanna bathe with you in the sea

I wanna lay like this forever

Until the sky falls down on me

And when the stars are shining brightly in the velvet sky

I'll make a wish, send it to heaven, then make you want to cry

The tears of joy for all the pleasure and the certainty

That we're surrounded by the comfort and protection

Of the highest powers

In lonely hours (lonely hours, girl)

The tears devour you

Well, I wanna stand with you on a mountain

I wanna bathe with you in the sea

I wanna lay like this forever

Until the sky falls down on me

Oh, can you see it, baby?

You don't have to close your eyes

It's standin' right before you

All that you need will surely come

She kicked him down.

Sherry LeBlanc: (French Accent) I'll face him. You guys haven't assign me zis guy.

Me: Good idea Sherry.

She blasted him down with energy.

Qin: The Ghost of Hyde was really Dr. Jekyll. Not the one we know but it was crazy. After his experiments failed he turned to a life of crime. He became the notorious jewel thief The Ghost of Hyde.

Ymir: Oh man!

Me: Long story on that. I bought that necklace he stole and gave it to Varie.

She showed the necklace she had.

The Pterodactyl Ghost clone charged at us

Maximum Ride flew at him and kicked him.

She flew and blasted him down.

Maximum Ride: Take that jerk!

Evil Masked Figure: I won't go down that easily!

Me: I was hoping you would say that.

I teleported and kicked his mask off and it was JONATHAN JACOBO!

Me: Nice to see you again Jacobo. Prison hasn't been too kind on you huh? What happened? Did not like your fellow inmates or the food? You know that all we have to eat in the cafeteria is chum.

Poliwag used Water Gun on him.

SPLASH

HE WAS ALL WET!

Caleb Maxwell: I just realized it for myself, when I saw the clone of The Pterodactyl Ghost, I saw The Evil Masked Figure was giving it commands, the same commands that were used in the past.

Me: Hey, yeah, I remembered. I saw how The Pterodactyl Ghost acted when we went after it years ago.

Caleb Maxwell: And there is only one person who knew about how to use The Pterodactyl Ghost to his advantage back in the past to cover his crimes. Isn't that right, Jonathan Jacobo?!

Caleb Maxwell ripped the mask off of The Evil Masked Figure, and he was exposed as Jonathan Jacobo, the original Pterodactyl Ghost!

WE GASPED!

Me: Jonathan Jacobo, I should've know this was you from the very beginning!

Jonathan Jacobo: Curses! It won't matter, this isn't going to stop me from getting my revenge on you and Mystery Inc., Knudson!

James Blunt: Says you and every other villain Mystery Inc. busted in the past. (To Lincoln Musclethrob) Hey, you want to take a swing at him?

Lincoln morphed the tips of his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails into Cell's stingers and he stabbed them into the chests of the clones of The Pterodactyl Ghost, The Tar Monster, The Black Knight Ghost, The Ghost of Captain Cutler, The Miner 49er, The Ghost of Redbeard, The Ghost Clown, The 10,000 Volt Ghost, Rambling Ghost, Old Ironface, Jaguaro, The Creeper, The Skeleton Men, The Cotton Candy Glob, The Gator Ghoul, The Swamp Witch and her Zombie, The Strawberry, Chocolate & Vanilla Technicolor Phantoms, The Laughing Green Phantoms, The 2,000,000-Year-Old Caveman, and The Ghost of Mr. Hyde, and he began absorbing them and assimilated all their powers and abilities, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy

Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

And he also flexed his muscles even more which really aroused his harem even more, and at the same time, the clones began growing weaker as all their powers and abilities were being sucked out of them one at a time and was pumped into Lincoln, and they screamed in pain.

Then, when Lincoln was done and the stingers changed back, nothing was left of the clones except for his clothes, and Lincoln sucked out all of the remaining energy in the clones and they faded away and Lincoln let out a loud and massive roar of dominance and power as he pounded his chest like a Alpha Male gorilla and he flexed his massive muscles as fire and elemental forces burst out of his massive biceps and massive muscles!

Jonathan Jacobo: Hey, no fair!

Caleb Maxwell: Oh, cry me a river, moron!

Sally Gamble: (British Accent) Caleb, I'd watch your mouth if I were you, dear.

Carla Claw: Sally's right, you remember what you did yesterday, right?

Caleb got pretty steamed.

Allie Maxwell: Guys, I don't think constantly reminding him of what he did is going to better your situation with him, and it doesn't help the fact he was also caught in the gang's rise to power with The Syndicate coming to an end back in 1985.

Me: Forget it, Allie. They've antagonized him because of the fact that he's been on bad terms with them since 1985 and it continued on the day he came back from the dead in 1993.

Nico: Not only that, but as the cherry on top, they've constantly pissed your brother off by taunting him and that alone was enough to set him off.

Lincoln: And once that happens, well, you saw for yourself the kind of damage your elder brother had laid out before him.

Allie Maxwell: Which further deepened my desire to help others in need in my own way instead of following the same path Caleb set out on: my path would lead to healing and understanding and to reform the criminals so they wouldn't go back to a life of crime.

Caleb Maxwell: Whereas the path I set out on led me down a road to destruction and chaos, I sought only one thing:

revenge on the bastards who ruined my life, I no longer wanted justice, I wanted only one thing: blood. I wanted to crush their souls into dust and watch their blood run through my hands as it spills out into the night and onto the streets of New York.

Lori: In some ways, you two are total opposites: Allie Maxwell, New York's Dark Angel of Healing and Justice who at ten years old had to grow up after your murder sought to reform criminals and bring justice to those who suffered at your younger brother's hands.

Lincoln: And there's you: Caleb Maxwell, New York's Dark Angel of Destruction and Revenge who at twelve years old would begin a descent into darkness and deal with five years of living Hell from 1980 to 1985: four years of living Hell in High School and the year of darkness in college until your life was brought to an end in 1985, and eight years later in 1993, you would be brought back and in 1996 would return to New York and you would set out on a path of revenge and blood that would turn the streets of New York into the depths of Hell.

Caleb Maxwell: A path that led many criminals down to their deaths, and me being drenched in their blood.

Nico: Yeesh.

Lincoln: Now, it's high-time we finished off Jonathan Jacobo.

Me: We're sending you right back to prison for good, Jacobo. We already called The Coolsville Police Department, and they are on their way. You are done for, you greedy slob.

Caleb Maxwell: You're going to pay for what you did, you piece of shit! I'm gonna rip you in two and spill your guts!

Caleb Maxwell ran right at Jonathan Jacobo, but then, he stubbed his toe on a rock that was in the way!

Caleb Maxwell: WOO! WOW! OH! WHOA! (SCREAMING AT THE TOP OF HIS LUNGS) OH MY (WOLF ROARS) FOOT! WHAT KIND OF (WOLF ROARS) GENIUS PUT A (WOLF ROARS) ROCK IN A (WOLF ROARS) PATH! CAN'T YOU SEE I GOT A (CAR HORN) FOOT HERE?! OH! (DOG BARKS)

Caleb Maxwell kept on saying a bunch of curse words censored out by random animal sounds and car horns, and Allie Maxwell were counting the number of swears!

Allie Maxwell: Five, six, seven...!

Caleb Maxwell: (STILL SCREAMING AT THE TOP OF HIS LUNGS) AND A WHOLE LOT OF! (CAR HORN) WITH A SIDE OF (WOLF ROARS) AND A HEAPING HELPING OF (TIGER ROARS) AND A BUTTLOAD OF (LION ROAR)

Lily: Nine!

Suddenly, Allie Maxwell had thirteen fingers counted!

Allie Maxwell: Oh my God! Caleb used more land versions of The Thirteen Bad Words! CALEB, YOU DISGUSTING TOXIC WASTE DUMP!

WE GASPED IN UTTER HORROR!

Nico: OH MY GOD!

Me: HE USED MORE LAND VERSIONS OF THE THIRTEEN BAD WORDS?!

Lincoln: THAT'S DISGUSTING!

Lily: THAT WAS THE GROSSEST THING I HAVE EVER HEARD!

Rita: TOO DISGUSTING!

Lynn Sr.: GRODY! BLEGH!

WE TURNED GREEN IN THE FACE BECAUSE OF CALEB'S USE OF THE LAND VERSION OF THE 13 BAD WORDS!

BUT, WE WEREN'T THE ONLY ONES AFFECTED BY CALEB'S RANTING AND CURSING! WHEN JONATHAN JACOBO HEARD IT, HE TRIED TO COVER HIS EARS, BUT IT WAS TOO LATE, AND AS A RESULT, HIS EAR DRUMS BURST AND HIS EARS

Caleb Maxwell, Allie Maxwell, Tyler Maxwell, Alexander Maxwell, The NYPD Nightshift, and The Starfire Agency ran with Jonathan Jacobo following them!

Jonathan Jacobo: If you think I'm letting you little runts get away with this, you're mistaken!

But, it was too late, they were already at the doorstep of Shaggy's parents.

Caleb Maxwell and Allie Maxwell: Officer Rogers! Officer Rogers!

Then, the door opens and out comes Officer Sam Rogers and his wife who now looked like they did back in A Pup Named Scooby Doo.

Sam Rogers: Well, hello there. (Sees me) J.D. Knudson?

Me: Mr. and Mrs. Rogers, good to see you again!

Caleb Maxwell: Officer Rogers, (Points to Jonathan Jacobo) He said thirteen bad words in one sitting and made everyone in the town barf all over the place, and he screamed at the top of his voice like crazy.

Allie Maxwell: It was awful!

Caleb Maxwell: And he didn't care, Officer Rogers, he didn't care one bit! Such a stream of unchecked words that I've never heard in my days!

Officer Rogers: Like that is really bad. Plus, the officers are on their way right now.

THEN, THE SIBLINGS ROSE UP INTO THE AIR, AND THEY SMASHED MALLETS DOWN ON HIM, AND IT DIDN'T END THERE, THEY CONTINUED FIRING BULLETS AND DARK ENERGY BLASTS DOWN ON HIM! WE EVEN DUCKED OUR HEADS DOWN WHEN WE SAW BLOOD FLYING OVER OUR HEADS!

Then, Nico, Super Brother, Lincoln Musclethrob, Lincoln, and I trashed Jonathan Jacobo with really immense godly superhuman strength, and he was really thrashed all over the place.

James Blunt: (Thinking) Even after all the damage we did, Lincoln, Super Brother, Lincoln Musclethrob, Nico, and J.D. also did the same thing damaging him big time, impressive.

Caleb Maxwell: (Thinking) Yep, and soon, my two brothers are gonna initiate their demolition derby spree.

Suddenly, Lincoln was surrounded by an immense orange and yellow aura with flames surrounding her and with wolves surrounding him as The Sun shined even brighter and heavenly lights shined down from Heaven.

Eli: He's about to use the fire elemental variant of The Atavism of The White Wolf of Amaterasu!

Lincoln: (Speaking in Japanese) 夏の炎と天空の炎に呼びかけ、この忌まわしき悪を討ち滅ぼし、永遠の破滅の地へと送り届けよ！祝福された者たちの魂よ、蘇り、强大な狼の姿を取り、罪人たちに永遠の罰を与え、冥界の闇へと永遠に堕ちさせよ！　我が歌に天の審判を授け、この忌まわしき悪を永遠の安息の地へと送り届けよ！ (Translation: I call upon the flames of Summer and The Heavens to bring down this terrible abomination of evil and send him to his place of eternal damnation! Let the souls of the blessed rise and take the forms of mighty wolves that bring the damned their eternal punishment and send him to the darkness of the Underworld forever! Let my song bring forth the judgement of The Heavens and send this abomination to his eternal resting place!)

Lincoln sang a heavenly song and let out a howl as immense light shined down from the sky, The Sun, and from the Heavens and flames formed behind Lincoln and formed into red wolves with glowing yellow and orange

markings on their paws that look like flames and they ran at Jonathan Jacobo and attacked him with fierce fury.

Then, I held out my left hand and fired 999 massive balls of fire at Jonathan Jacobo, and they collided and exploded as they hit him, and I also unleashed a whole slew of attacks using the powers of Ifrit, Phoenix, Garuda, Ramuh, Titan, Bahamut, Shiva, Odin, Leviathan, and Ultima from Final

We all have our place

We can't make a rainbow without all the colors

And we can't make a friendship without one another

'Cause there is nopony quite like you

So let your magic run wild

Let your magic run wild

If you could only see everything you could be

You would spend your whole life shinin'

Let your magic run wild

Let your magic run wild

(Now it's the time to light up the sky)

Let your magic run wild

(Now it's the time)

Look at the night sky, filled up with stars

Each one is perfect, just as they are

But they're brighter together, each leaving their mark

So beautifully different, all lighting the dark

'Cause nopony sparkles quite like you, ooh

So let your magic run wild (now it's the time to light up the sky)

Let your magic run wild (now it's the time)

If you could only see everything you could be

Lincoln, Nico, and I: NOW, ROT IN HELL FOREVER, YOU PIECE OF CRAP!

Lincoln, Nico, and I did one final powerful energy slash that hit Jonathan Jacobo hard, and then, a massive explosion erupted as the gold chains exploded into pieces, and Lincoln, Nico, and I landed and Jonathan Jacobo was on his last legs and he was really really mangled.

(To Lincoln and Super Brother) Come on, men, let's knock this guy out and fast!

Lincoln, Super Brother, and Lincoln Musclethrob pulled their left arms back in a punching position and clenched their left hands tight and their massive left arm muscles and biceps bulged along with the veins, and...!

POW! WRESTLING BELL DINGS! T.K.O.! GAME, SET, AND MATCH!

THEY DELIVERED A MEAN LEFT PUNCH TO JONATHAN JACOBO'S FACE GIVING HIM A BLACK EYE AND KNOCKING HIM OUT!

Nicole: That was a total knock-out punch! Game, set, and match!

Gabriel Maxwell: Goddamn it...!

Caleb Maxwell: Saying goddamn it after Lincoln, Super Brother, and Lincoln Musclethrob knocked Jacobo out!? Gabriel, what's going on here?! You better spill it!

Gabriel Maxwell: Oh damn it! Fine! Remember when Dad's last attempt to kill you and Allie wound up getting him kicked out of the apartment? Well, I ran away from him, I couldn't take it anymore, his obsession of killing you and Allie for something that was Drake's fault was too much, so I left him and tried to find a way to help you, but I had no money. That was when I met Jonathan Jacobo who gave me money, but I hadn't realized he was one of Mystery Inc's old foes, I was hungry, tired, lost, and had no home. But, I didn't regret leaving Dad, his twisted obsession about killing you and Allie for Drake's crimes was already getting on the family's nerves, and they were thinking about kicking him out of the family, even Uncle Christiano was thinking it too same with Aunt Marlene.

Caleb Maxwell: So, why did you return to help your dad?

Gabriel Maxwell: It wasn't through family loyalty, I had to do something before Dad's obsession of killing you and Allie went too far, and I'm glad he hadn't known about Tyler and Timothy Maddock took Alexander in, otherwise...!

Alexander Maxwell: But even after Timothy took me in, I'd known what your hardass dad tried to do to Caleb and Allie, and I'd hated him for it, actually I hated that hardass for a long time, and Caleb and Allie were not the last ones he tried to kill, he tried to kill Tyler and I long ago as well, that was why Tyler was sent away, and it wasn't by the hands of those asshole relatives of Dad, it was because of us.

Tyler Maxwell: (Remembers the day) I...I remember, yes I remember that day. I can't believe Uncle Damien tried to kill me, and I was a baby back then...! Oh, that's why...!

Marlene Maxwell hugged Tyler Maxwell as he cried.

Caleb Maxwell: That's why everyone tried to stop me from finding Tyler, if Uncle Damien found out, he would've...!

Christiano Maxwell placed his left hand on Caleb Maxwell's right shoulder.

Christiano Maxwell: He would've killed Tyler and you as well same with Alexander.

Caleb Maxwell: But, didn't Alexander go through the blood exchange with Mr. Maddock?

Christiano Maxwell: Oh...right, now I remember. But, the only one hadn't done the blood exchange was...!

Caleb Maxwell: Gabriel!

Gabriel Maxwell flinched in panic!

We slapped the cuffs on him.

CLICK!

Jacobo: You're too late! I already sent the most strongest monster costumes to Anti Monitor. It's only a matter of time before he brings them to life!

Me: We'll be ready for them!

Xenia: Yeah!

Me: You are going back to prison forever Jacobo.

Jacobo: AND I WOULD HAVE GOTTEN AWAY WITH IT TOO IF IT WEREN FOR YOU MEDDLING KIDS AND YOU STUPID TEAM LOUD PHOENIX STORM!

Me: Tell it to the judge bub!

We tied up Jonathan Jacobo and handed him off to the cops. We cheered as we holstered our weapons and powered down, but we knew it wasn't over yet!

Gabriel Maxwell: Guys, wait! Please, Dad's been working to make things right.

Alexander Maxwell: Even if your dad does make amends, I don't care in the slightest! Anyone who's going to try and murder our elder brother, Caleb Maxwell, my younger brother, Tyler Maxwell, our younger sister, Allie Maxwell, and I for the crimes that shithead, Drake Maxwell, committed and all for revenge for the death of his wife and your brothers deserves no mercy!

Caleb Maxwell: Alexander...!

Gabriel Maxwell: (Sighs) I should've guessed it, you still hate my dad even despite him making his amends.

Alexander Maxwell: I can forgive most things, but your Dad's repeated attempts on the lives of Caleb and Allie, I can never forgive.

Alexander Maxwell had pure fury and hatred on his face: he, along with Caleb, Allie, and Tyler had hatred for Damien Maxwell for his attempts to kill them for what Drake Maxwell did in the past when he murdered his wife and two kids in cold blood.

Gabriel Maxwell: Look, I know you're never gonna forgive Dad for what he did, and I don't expect you nor your elder brother, Tyler, and Allie to forgive him either, but he's trying, so at least, try to accept it. Because if not, I'm gonna ask Lincoln, Super Brother, Lincoln Musclethrob, Nico, J.D., and the rest of the team to chase you four again! And I won't raise a stink if they mangle you four big time! (Sees us looking pretty miffed) Uh oh, I think it's too late!

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell saw us looking pretty miffed.

Allie Maxwell: Hey, why are you looking at us and are pretty miffed? Caleb was the one who...!

May: You, Tyler, and Alexander are just as guilty, Allie!

Allie Maxwell: What the Hell?!

Me: We knew Caleb would say the land versions of The 13 Bad Words again, that truly can't be helped because he's a nasty foul-tempered triggerhappy unhinged psychotic dark angel lunatic, but you three are also just as guilty, because you're just as ruthless and nasty as Caleb. (Smirks) And you know what's gonna happen now, right?

Allie Maxwell: Shit...! We're gonna get chased again!

Lincoln: Yep, you four better start running. (Smirks) Or better yet, here's my little surprise that'll freeze you four in your tracks.

Suddenly, Lincoln's deep sapphire blue eyes turned rainbow and his pupils turned into slits and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and the orange and aurora tips on the 999,999'11" large white feathers and the various colored tips on his numerous sets of large angel wings underneath started to glow and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun ring-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and the sides of his ankles and beside his thighs glowed, the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon tattoo on his bare chest glowed even more.

Suddenly, Lincoln's long wild flowing rainbow hair going down to his upper back started glowing along with the white and multi-colored streaks and the rainbow highlights in the bangs and multi-colored phoenix fire ombre streaks on the back, and he has a rainbow energy aura full of excessive tons of raw primal power and it was really really powerful, and then...!

MASSIVE AND POWERFUL MANLY WOLF HOWL AND LOUD ROAR OF MALE DOMINANCE!

A MASSIVE VORTEX OF RAINBOW ENERGY EXPLODED OUT BEHIND LINCOLN, AND IT WAS SO POWERFUL, ANY CRIMINAL CAUGHT IN THE PATH OF LINCOLN'S MASSIVE

AND POWERFUL MANLY WOLF HOWL AND LOUD ROAR OF MALE DOMINANCE WAS FORCED DOWN ON THEIR KNEES!

Me: WHOA! What power!

Nico: It's immense!

Lincoln's massive and powerful manly wolf howl and loud roar of male dominance also hit Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell, but they stood their ground, but barely.

Tyler Maxwell: What the?! What the Hell is that?!

Donkey Kong: It's similar to this.

Donkey Kong pounded his chest, and he transformed into Kong Bananza.

Nicole: Oh man, that's your Kong Bananza form, the raw primate power of The Kong Elder!

Donkey Kong: Yep, and Pauline's song also triggered that as well when we met The Kong Elder of Lagoon Layer. When we first met, she was only 13 and she was really nervous about singing, and she's a really great singer, and in this form, the raw power combined with my natural strength is enhanced allowing me to punch through concrete and other harder materials.

Donkey Kong pounded his chest and changed back to normal.

Me: Awesome! Which means Lincoln's unlocked a Wolf version of Kong Bananza!

Lincoln: (Echoing Deeper Manlier Godly Voice) That's right. All of the intense brutal training I'd done over the years in my werewolf form: having the powers of The Fire Moon of May and the eleven other Wolf Moons, absorbing the raw infinite power of the full moon, absorbing the raw strength and power of all the werewolves I'd slain and absorbed, the Alpha Male werewolves I faced off against and absorbed and assimilated all of their powers and abilities along with absorbing the Googol of Vigintillions of male Werewolfairans and Wolfmoonrairans and Werewolfaira and Wolfmoonraira and their cores along with their full moons and even absorbing the soul of The Werewolfairan and Wolfmoonrairan Gods and the werewolf gods I faced off against in many of my missions in many different worlds, this is the result: unlocking a new form I call OMNIPOTENT WOLF MOON ELEMENTAL RAGE!

Me: Intense...!

Wyrora Wolfmoonraira: In that form, he's known as Omnipotent Wolf Moon Rage Lincoln, Omnipotent Wolf Moon God of The Twelve Elemental Wolf Moons.

Lincoln: (Echoing Deeper Manlier Godly Voice)(To Caleb Maxwell and his siblings) Now, are you gonna stand and fight, or are you gonna turn tail and run away? (Smirks) (CRACKS KNUCKLES AND MUSCLES BULGE) Come on, don't be afraid, step on up if you think you're tough.

Gabriel Maxwell: I've got no choice, and despite my cousins hate my Dad, I'll face you.

Gabriel Maxwell went at Lincoln, but...!

WHOOSH!

LINCOLN MOVED IN THE BLINK OF AN EYE, IT WAS LIKE HE VANISHED! BUT, THEN, HE WAS RIGHT BEHIND GABRIEL MAXWELL!

POW!

GABRIEL MAXWELL FELT LIKE HE GOT KARATE CHOPPED ON THE NECK AND WAS KNOCKED OUT AS HE FELL TO THE GROUND!

Me: UNREAL!

Nico: He moved so fast, Gabriel didn't see him move and Lincoln knocked him out with a karate chop as he did that! So awesome!

Lincoln: (Echoing Deeper Manlier Godly Voice)(Smirks)(CRACKS KNUCKLES AND MUSCLES BULGE) Next...! (MADE THE GESTURE "COME ON" WITH HIS RIGHT HAND)

Allie Maxwell: He knocked out Gabriel?! Shit! CALEB, RUN!

Caleb Maxwell: No, I'm not leaving you three behind! I'm the elder brother, and I'm not letting you guys sacrifice yourselves!

Tyler Maxwell: Go on without us, Caleb! Mr. Blunt, Cage, Travis, you guys along with The NYPD Nightshift and The Starfire Agency, take Caleb and get back home to Gotham Royal York! We'll try to slow them down!

They unholstered their weapons and charged at Lincoln while Caleb Maxwell, James Blunt, Cage Blunt, Travis Tackett, Peace Salyers, Leela Salyers, Cronus Chase, The NYPD Nightshift, and The Starfire Agency ran to their cars: The Starfire Agency in Tucker Williams' car, The NYPD Nightshift to their cars, and Cage Blunt, Travis Tackett, Peace Salyers, Leela Salyers, Cronus Chase, and James Blunt to Cage's car.

SCREAMS!

Caleb Maxwell: ALLIE! TYLER! ALEXANDER!

Lincoln defeated Allie Maxwell, Tyler Maxwell, and Alexander Maxwell with a fierce barrage of punches and kicks and knocked them down, and he tied them up along with Gabriel Maxwell.

Peace Salyers: Cage, drive!

Cage Blunt turned the car on and The Starfire Agency did the same along with The NYPD Nightshift and they began the drive back to Gotham Royal York with Caleb Maxwell levitating on the roof of Cage's car. But then, Cage Blunt saw Lincoln and all of us heading for them!

Justice , and he started shooting at us, but we dodged, deflected, and blasted the bullets like crazy.

Lincoln: (Echoing Deeper Manlier Godly Voice)(Smirks) Alright, Big Claw Gang, you're up!

Suddenly, Caleb Maxwell spotted The Big Claw Gang's car heading for them, and that pissed him off!

Caleb Maxwell: WHAT THE HELL?! HE GOT THE BIG CLAW GANG JOINING AS WELL! (ENRAGED SCREAM)

Suddenly, Caleb Maxwell had black and red energy surrounding his guns along with black and red darkness, and he swung his guns wildly and fired dark energy slashes at them hoping to kill them in an accident, but they dodged them, and that really angered him badly and he swore again! But, then, he saw Nico and I blocking their path!

Caleb Maxwell: I'm gonna make sure you don't get in my way again!

Caleb Maxwell fired a wave of blood that made the cars faster, and he made a ramp, and they went up the ramp and flew over us and they landed and drove off again!

Nico: Psychopathic bastard!

Me: Unhinged muttonhead!

We cursed at Caleb Maxwell and gave him a taste of his own medicine, and it caused Caleb Maxwell, James Blunt, Cage Blunt, Travis Tackett, Peace Salyers, Leela Salyers, Cronus Chase, The NYPD Nightshift, and The Starfire Agency to cover their ears!

Travis Tackett: Damn, J.D. sure has a rotten mouth on him!

Cage Blunt: Even worse than us and Caleb. (Sees another obstacle) Oh crap! Caleb! We got company!

Caleb Maxwell saw Goten and Trunks blocking the way, and they used Ed Cowart's Harmony Rainbow Potara earrings and fused to become Gotenks.

Caleb Maxwell: Oh Hell no!

Caleb Maxwell: Unless you want to be slashed, stabbed, and shot until you're bleeding on the streets, you're getting the Hell out of our way now!

Gotenks: I don't think so. You've gotten away for too long, you unhinged lunatic.

Suddenly, Gotenks used The Super Ghost Kamikaze Attack and sent many ghosts at Caleb Maxwell.

Caleb Maxwell: DIE!

SHEEN!

CALEB MAXWELL STABBED ONE OF THE GHOSTS IN THE CHEST! BAD MOVE!

KRABOOM!

THE GHOST EXPLODED, AND CALEB'S RIGHT ARM GOT HIT HARD AND IT WAS BLEEDING HARD AND HE LET OUT THE LOUDEST SCREAM EVER!

Then, the other ghosts latched onto him and exploded, and Caleb Maxwell screamed in agonizing pain and as the smoke cleared, Caleb Maxwell was badly pulverized and bleeding, but he's still alive, but he was really pissed off!

Gotenks: Now, what are you going to do, Caleb? Going to abandon your attempt escape and charge at us with vengeance? Or continue to escape? But, that'll mean turning your back on your siblings and that'll make you even worse than Drake Maxwell.

Caleb Maxwell let out a furious scream and charged at Gotenks with his massive greatsword in hand, but Gotenks had his massive greatsword in hand, and they clashed with unimaginable fury: Caleb fought with vengeance born from the years of abuse and darkness and he was fighting against the fusion of Goten and Trunks with their combined strengths, powers, and abilities: something Caleb was so unprepared for. Yet, he fought against other uneven odds before, but even now, it wouldn't matter.

Cage Blunt: Caleb, don't even try to fight him, just kick him away!

Caleb Maxwell blocked Gotenks' massive greatsword with his massive greatsword, and then...!

POW!

CALEB MAXWELL KICKED GOTENKS IN THE FACE AND SENT HIM FLYING, AND AS THE CONVOY OF CARS DROVE AWAY, HE WAS CACKLING MALEVOLENTLY AND HE MADE A DEMONIC FACE BY PULLING HIS EYELIDS AND HIS TONGUE FLICKING LIKE CRAZY, AND WE ALSO SAW IT AS WELL!

Gotenks: What a cheat.

Nico: And he also made that demonic face at two Saiyan warriors?! He is so dead...!

Alexander Maxwell: Hah! Good luck, Monkey Butt! You can't kill someone who's already dead!

Allie Maxwell: Caleb's a former undead turned true immortal, Alexander, but yeah, you get the point.

Nico: (Smirks) Well, we know they're heading back to Gotham Royal York, and you four are gonna be helping us give your elder brother the fright of his life far worse than what he went through in the 80s.

Allie Maxwell: We'd rather drink out of a toilet than help you give Caleb more nightmares again!

Tyler Maxwell and Alexander Maxwell also said so!

Claw Dane Drake: Stubborn like Marlene Maxwell? Well, I'll fix that. (Chuckles)

The convoy of cars arrived in Gotham Royal York.

Cage Blunt: Whew! What a chase!

Travis Tackett: You're telling me! And did you see that form of Lincoln's?! He beat Gabriel Maxwell and Tyler, Alexander, and Allie who were the most violent other than Caleb.

Leela Salyers: And we let them get captured! We got to rescue them!

Peace Salyers: The team's not gonna do anything bad to them, but I did hear Nico say they're gonna help in giving Caleb the worst kind of scare he hadn't seen since the 80s.

Caleb Maxwell: And I heard them say they'd rather drink out of a toilet than help the team, but that was a bad move! We are members of Team Loud Phoenix Storm, and it's all my fault! When I came back to New York in 1996, I let the darkness of my past back in, and it also got to Allie, Gabriel, Tyler, and Alexander, and they've become just as bad as me!

Suddenly, Caleb Maxwell found Tyler Maxwell, Alexander Maxwell, Gabriel Maxwell, and Allie Maxwell, and they're at the empty shell that was once LaGuardia High School!

Caleb Maxwell: That conniving Claw Dane Drake, he's taken Tyler, Alexander, and Allie to LaGuardia High School! That place still harbors nasty memories for me! Come on, let's head down there at once and then, The Big Claw Gang are gonna get it!

Caleb Maxwell ran to LaGuardia High School with James Blunt, Cage Blunt, Travis Tackett, Peace Salyers, Leela Salyers, Cronus Chase, The NYPD Nightshift, and The Starfire Agency following, and as soon as they stepped inside its empty halls, it was like entering back into a long forgotten nightmare.

Jack Howard: I never thought we'd be brought back here.

Caleb Maxwell: Tyler, Alexander, Gabriel, Allie? Are you here?

They looked through every abandoned room and hallway, but then, Caleb Maxwell felt a sharp pain in his head: it was his memories of the nightmares of LaGuardia High School: the memories of physical and emotional abuse, degradation, humiliation, hatred, wrath, and blood Caleb had to endure in the 1980s came back to him, and his eyes started bleeding from the corners and his nose also started bleeding as blood came out of his nostrils!

Roxy Drake: Crap.

Racheal: We got to find Tyler, Alexander, and Allie, and then, we need to get out of here!

Suddenly, they heard Allie Maxwell's voice from the ventilator!

Allie Maxwell: (From the ventilator shaft) Caleb! Caleb, are you here?!

Caleb Maxwell: Allie, I'm here! Where are you at?!

Allie Maxwell: (From the ventilator shaft) Claw Dane Drake and The Big Claw Gang are holding us hostage in the gym! We refused to help Team Loud Phoenix Storm scare you, but in reality, this was part of Claw Dane Drake's plan, he knew about the other demons you still have inside you: the ones born right here in LaGuardia High School! They're the source of your rage and anger, you have to end it and fast!

Caleb Maxwell: But...! But, I can't! Those shitheads from LaGuardia destroyed my reputation, they've made my life Hell! I will never let them out! THEY DESERVE TO SUFFER HERE!

Allie Maxwell: (From the ventilator shaft) You have no choice, if you don't end this, Claw Dane Drake is going to have us dumped in a pool of water with electric eels he snatched from the aquarium that Syd's mom works at! You have to end it, Caleb!

Caleb Maxwell: Damn it...!

Suddenly, the P.A. system came to life.

Me: (Through the P.A. system) We had no intentions of scaring you, Caleb, but The Big Claw Gang still can't stand the demons inside you.

Nico: (Through the P.A. system) And they were right here in LaGuardia the whole time. Anyways, you heard what Allie said, you got to get rid of the demons inside you.

Lincoln: (Through the P.A. system) Hurry, get to the gym!

They headed for the gym, and they found Tyler Maxwell, Alexander Maxwell, Gabriel Maxwell, and Allie Maxwell tied up and Shroud, Panther, Mad Cat Max, Patch, Hex, Sally Gamble, Ichiro, Nekome, and Claw Dane Drake were there.

Caleb Maxwell: Dane, this has gone too damn far, even for you! Now, let Tyler, Alexander, Gabriel, and Allie go now!

Claw Dane Drake: No, not until you suffer just like before. (Hears the moans of pain) And here they are now!

Suddenly, many figures came out, it was all the students and teachers who made Caleb's life a living Hell in the 1980s and who got killed in The LaGuardia High Bloodbath in 1984 when they were turned into vampires and killed by Caleb, and they were screaming out for Caleb's blood, Caleb Maxwell's eyes and nostrils started bleeding even more, but then...!

Caleb Maxwell: YOU DON'T SCARE ME ANYMORE! I am done letting the darkness of my past ruin my life!

Suddenly, Caleb Maxwell unholstered his massive greatsword and he began drawing a symbol on the ground: it was a circle with runes inside the circle and a cross in the center. Then, it started glowing.

Caleb Maxwell: Powers of the darkest night, spirits from beyond the grave, from the black embrace of the darkest night, may the demons of the past be banished from this plane and may they be sent back to their eternal slumber and may they never return to plague this world once more!

Then, the circle glowed even more, and the demons of Caleb's past screamed in pain as steam was coming off of them, and then, they disintegrated into dust and were sent back to Hell as the circle vanished, and Caleb grabbed Tyler, Alexander, Gabriel, and Allie and they all got out of there and just in time as the school began to collapse, and all that was left were ruins of a forgotten past.

We were also outside.

Caleb Maxwell: This is the end of the nightmares that plagued me in LaGuardia High and a permanent end to my dark past.

Me: Caleb, we swear, we didn't...!

But, Caleb Maxwell ran to us and hugged us!

Caleb Maxwell: I know...! You didn't want to do that, but Claw Dane Drake did this to draw out the last demons of my past.

Claw Dane Drake: That was the reason why you were still acting like a monster, and I wasn't alone in this. You got all that, Marlene?

Caleb Maxwell: Mom?! You also helped?

Marlene Maxwell: Sorry, Caleb. But, if we didn't do something, those demons were gonna one day come out of the school to get their revenge on you.

Nico: And we saw how ruthless Claw Dane Drake really was.

Roxy Drake: You shouldn't be surprised though, he was charismatic, but he's also ruthless. Even Caleb saw how ruthless he was towards Drake Maxwell.

Caleb Maxwell: Yes, I remembered it all too well, that alone still gave me chills back then.

Lincoln: It was also my fault letting them help out as well given how crazy they can get, and how much you got pissed off at them in the past.

Allie Maxwell: That may be true, but if you didn't ask them to help out, Caleb wouldn't have stood his ground and finally brought an end to the darkness that began right here in LaGuardia High School in the 1980s.

Carter Kenrick: And seeing the very demons who made Caleb's life Hell, that alone would scare even the hardest detective.

Casey Antonio: Same with me, and I've worked in cases involving troubled youths, but the case of Caleb Maxwell, that alone haunted me for years.

Buffy Blain: Including his murder case, we spent years trying to find Drake Maxwell, but no luck. But, when Allie joined us, that helped us greatly.

Allie Maxwell: I did what had to be done, I swore to help reduce crime by helping to reform criminals who were caught up in crime and send the really bad ones to prison, and also, to avenge Caleb's death, but not through bloodshed.

Lincoln: Yet, that proved how different you were to Caleb.

Moltres: Yeah no kidding.

Nico: Nice job, Moltres.

Moltres: Thanks! That was cool!

Emma Gale: Yeah it sure was!

Poromon: Want some beer?

Moltres: No thanks. Makes me sick.

Poromon: Oh boy.

Poliwag: (Does Puppy Eyes) Pwetty Pwease?

Nico: Poliwag that's enough.

Moltres: Nice try pipsqueak.

Poliwag: HEY!

Nico: I have something I want to show you all later on.

Me: Cool. Looking forward to it.

Nico: Oh Needle Man, what do you like to do in your free time?

POINK!

Nico: YEOWCCCH!

Nico got poked in his butt by one of Needle Man's needles!

Nico: OW! Why you little!?

Needle Man: Sorry. That was unintentional. Also I work in helping in Sewing classes and it is fun.

Me: Nico.

Nico: Now for the Anothers

Lincoln: (Sensed The Anothers) Ah, and the Anothers are coming.

Eli: (Sensed them) Lincoln's right, the Anothers are coming, and one of them is Another Princess What's Her Name.

Princess What's Her Name: Another Me? How interesting.

Eli: (Sensed massive energy signals) WHOA! And some of the Anothers are The Princesses of Felucia and Kashyyyk and The Keyblade Knight of Bikini Bottom!

Me: WHOA!

Sandy Cheeks: Jumping Beans on a Trampoline! If it's who I think it is...!

Lincoln: We are in for one Texas-sized reunion!

Me: Yep.

Qin: Wow!

Me: So Needle Man, Nidoking, Nidoqueen, Naganandel, Weedle and Needle Kirby are up and we have Another Volt Catfish, Carl, Frank, Metalhead, Kelthor and Slab to face.

Qin: Yeah!

Me: Cool.

Nico: There they are!

We saw Another Carl, Frank, Metalhead, Kelthor and Slab.

Me: WHOA!

Qin: This will be fun.

They reverted back and were the gene-slammers of Dancing Fairy and Watapon And the Princesses of Felucia and Kashyyyk.

We were introduced to Lainey Gannesh and Wendy Watapon as well as...

Faybell Felucia, Princess of Felucia and Empress of the Felucians, she's Lincoln's Guardian Angel from the planet Felucia and she's one of the most powerful among Lincoln's Guardian Angels. She's the Princess of Felucia and one of The Princesses of The Planets, they are princesses of many of the planets of the universe like Coruscant, Kamino, and beyond, and they have the same powers as ALL THE GUARDIAN ANGELS OF LINCOLN LOUD like always and beyond. But they are stronger than the Sith and the Jedi and more, and they have fought against many dangerous threats to the universe, and that also included The Sith and the notorious Sith Lord, Palpatine! And she also knew of what happened long ago when The Xiaolin Monks defeated Chase Young back in 2015 and banished him to the distant volcano planet, Dhakgun, and where he set up his base on Mount Horrorflame where he continued to wreak havoc all over the universe and where he was responsible for starting the events that led to Andross becoming power mad and many more that led to so many other lives being destroyed before we permanently ended him and fulfilled The Prophecy of Amaterasu. Faybell Felucia came to Royal Woods where she met Lincoln and she swore to protect and defend him from his many enemies and she taught him everything that she knows, and she even took him to Felucia and she really trained him even more, and over time, he gained the same power and strength she had, and he even took down a couple of Clones and Droids, and he and Faybell Felucia also destroyed an army of Sith loyalists when they invaded the planet of Felucia, and when Näkhäsh, Father of Shadows and Creator of the Dark Side of the Force, who was responsible for The Sith, Palpatine, The Dark Side of The Force, and everything evil in the Star Wars universe who had his goal to spread his shadows and destroy all life in the entire universe like a cancer was banished to The Black Fire Vortex of Neverending Oblivion along with his shadows, Faybell Felucia felt it in The Force, and she knew that the evil that plagued the galaxy for countless eons was finally wiped out for all eternity and will never ever be reborn. Lincoln made for her a powerful sword made from Felucia's iron ore and Neutronium, and to show her thanks, she kissed Lincoln on the lips which he also returned, and as a result, when he comes of age, he'll marry her along with the rest of his harem, and Faybell Felucia despises the Sith with a blazing passion and she swore to make sure they along with Näkhäsh pay dearly for their crimes against the galaxy!

And...

Kelly Kashyyyk, Princess of Kashyyyk and Empress of the Wookiees, she's Lincoln's Guardian Angel from the planet Kashyyyk and she's one of the most powerful among Lincoln's Guardian Angels. She's the Princess of Kashyyyk and one of The Princesses of The Planets, they are princesses of many of the planets of the universe like Coruscant, Kamino, and beyond, and they have the same powers as ALL THE GUARDIAN ANGELS OF LINCOLN LOUD like always and beyond. But they are stronger than the Sith and the Jedi and more, and they have fought against many dangerous threats to the universe, and that also included The Sith and the notorious Sith Lord, Palpatine! And she also knew of what happened long ago when The Xiaolin Monks defeated Chase Young back in 2015 and banished him to the distant volcano planet, Dhakgun, and where he set up his base on Mount Horrorflame where he continued to wreak havoc all over the universe and where he was responsible for starting the events that led to Andross becoming power mad and many more that led to so many other lives being destroyed before we permanently ended him and fulfilled The Prophecy of Amaterasu. Kelly Kashyyyk came to Royal Woods where she met Lincoln and she swore to protect and defend him from his many enemies and she taught him everything that she knows, and she even took him to Kashyyyk and she really trained him even more, and over time, he gained the same power and strength she had, and he even took down a couple of Clones and Droids, and he and Kelly Kashyyyk also destroyed an army of Sith loyalists when they invaded the planet of Kashyyyk, and when Näkhäsh, Father of Shadows and Creator of the Dark Side of the Force, who was responsible for The Sith, Palpatine, The Dark Side of The Force, and everything evil in the Star Wars universe who had his goal to spread his shadows and destroy all life in the entire universe like a cancer was banished to The Black Fire Vortex of Neverending Oblivion along with his shadows, Kelly Kashyyyk felt it in The Force, and she knew that the evil that plagued the galaxy for countless eons was finally wiped out for all eternity and will never ever be reborn. Lincoln made for her a powerful sword made from Kashyyyk's iron ore and Neutronium, and to show her thanks, she kissed Lincoln on the lips which he also returned, and as a result, when he comes of age, he'll marry her along with the rest of his harem, and Kelly Kashyyyk despises the Sith with a blazing passion and she swore to make sure they along with Näkhäsh pay dearly for their crimes against the galaxy!

Me: Wow! Nice to meet you girls.

Faybell Felucia: Same here.

Kelly Kashyyyk: You too.

Nico: That is cool that you girls are from those planets. Awesome.

Chewie agreed too.

Kelly Kashyyyk: It's good to see you too Chewbacca.

Wendy Watapon: Friendly and amazing.

Lainey Gannesh: That's right.

Me: Cool.

Girl Jordan: Lets separate you girls first.

Girl Jordan and Leeli held hands.

(YURGEN'S TUNE PLAYS)

The skies had leaves and flowers flying in the wind along with sea dragons singing in the background

Girl Jordan and Leeli: (SINGING DIVINELY AS LEELI HAD FIREFLIES SWIRL AROUND HER AND GIRL JORDAN HAD HER AQUA BLUE AURA FLARED UP)

O holoré lay thee low

Me: Let him try.

Horsea: He won't be back for at least a week

Me: Good.

Then Another Volt Catfish and Princess What's Her Name came.

Me: There they are.

Another Volt Catfish: (In a girls voice) YEEHAW! This is gonna be as fun as a Texas Rodeo.

She reverted back and we were introduced to Saria Cheeks, Keyblade Knight of Bikini Bottom, she's Lincoln's Guardian Angel from Texas and Lori's classmate in Math, and she's the older sister of Sandy Cheeks with brown hair and green clothing. She's The Keyblade Knight of Bikini Bottom and friends with SpongeBob and the others. She's an awesome scientist who's made incredible inventions, gadgets, and gizmos, and she's also a powerful Karate Master who's a 1st Degree Black-Belt who also trained Lincoln in the art of Karate and he'd become a 1st Degree Black-Belt, and she's also one tough squirrel with a love of Texas and spicy BBQ nuts with the powers of fire and water, along with being born with fiery angel wings, immense superhuman strength, immense superhuman reflexes, immense superhuman agility, immense superhuman endurance, immense superhuman durability, immortality, invincibility, Omnipresence, Omnipotent Power, Omniscience, omnipotent powers of fire and water, Cosmic Pyrokinesis, Cosmic Hydrokinesis, and powers of acorns and explosives. Plus, she also found out that Lincoln also has quite the love for Texas as well because of going with his Guardian Angel from Texas, Mary Garcia, and she also saw him arm wrestle with the biggest and toughest bodybuilders in arm-wrestling and even wrestling as well. She and Lincoln one time invented The Mega Ulti-Meatum Mammoth which is 2 triple cheeseburgers stuffed inside 2 giant cheeseburgers and has a giant sesame seed bun and is topped with bacon, lettuce, tomato, pickles and ketchup. She alongside the Kingdom Hearts Protectors and Lincoln helped Sora defeat the forces of evil and protect the worlds and even learned of new worlds that only she, the Kingdom Hearts Protectors, Lincoln, Sora, and his friends knew about. Lincoln made Saria Cheeks a green bikini, and to show thanks, she kissed Lincoln on the lips. As a result Lincoln promised that when he comes of age, he will marry Saria Cheeks along with the rest of his harem, and she hates Flip and Bubble Bass with a blazing passion: Flip because of his numerous many crimes and to slake his insatiable greed and kill Lincoln and his family and friends, and she's dealt with him more times than when she had to deal with Mr. Krabs' worst cases of greed and Bubble Bass because he's nothing more than a gluttonous jerk to everyone in Bikini Bottom.

Sandy Cheeks: YEEHAW!

Nightstar Dark: She was cut out of our family because she did something really terrible.

Me: What did she do?

Nightstar Dark: Uh I forget that part. But it was bad.

Me: Oh boy.

Hikari Glow: But we found out that she left a MASSIVE inheritance for the Neos daughters. We didn't know about it and collected it.

Nico: That's the gene-slammers of the Elemental HERO Neos monsters.

Me: Wow!

Then, all of the other Googol of Vigintillions of male Kitsuneairans came to Lincoln.

Inari Kitsuneaira: That's correct, and this was something Azeria wanted to do. (Smiles) And just as we saw, you've indeed grown that much stronger and much taller, you're now taller than me, and you're also even more buffer and muscular than all of us males, and it's no wonder my daughter couldn't even keep her hands off you as you grew into the man she and the others had helped you become.

Lincoln: Yes, that's indeed correct, sir, and there's something I need to tell you.

Inari Kitsuneaira: I know. You had the dream, it's time.

Azeria Kitsuneaira felt the heat of Lincoln's raw display of raw manliness and male dominance.

Azeria Kitsuneaira: The roar of male dominance, the display of raw manly power! It's been a very long time hearing it. But, before you absorb our planet, The Temple of The Fox God, the planet's vast temples, the planet's core, and Kitsuneaira's burning Sun of Fox Flames into your body, it's been two years since we last had an...intimate moment.

Suddenly, Azeria Kitsuneaira went up to Lincoln and she placed her hands on his massive hairy pecs and they kissed with a smoldering intensity and he wrapped his arms around her waist and he deepened the kiss even more as she wrapped her arms around his neck: they were engaging in a smoldering intense make-out session as they kissed deeply and passionately, and Amira Anubisairaia also kissed and bit Lincoln on the right trapezius, neck, twelve-pack abs, and massive pecs, and when she slowly removed her lips and licked the love marks, they glowed with smoldering heat and fire and Lincoln was also glowing as his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails were wagging.

Lincoln: (GROWLS)(Smirks) It's been a while since you last left your lipstick marks and bite marks on me. Now, it's my turn.

Suddenly, Lincoln wrapped his massive muscular arms around Azeria Kitsuneaira's waist and pinned her to the ground with her legs around his waist, her stomach pressed against his twelve-pack abs, and her massive bust pressed against Lincoln's massive pecs and he leaned his head down to her face and kissed her again on the lips with intense passion which she returned as she still had her hands on his massive hairy pecs, and then, Lincoln leaned his head down to the right side of her trapezius, and he slowly bit her and fed on her blood, and his rainbow, white, golden yellow, and blue energy aura with elemental forces and mythological animals flare up extremely as he gained an extremely astronomically huge and massive power boost and he also gained the very same powers as her, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

Then, Lincoln slowly unlatched his fangs from her right trapezius and the marks sealed up and Lincoln kissed the spot where he bit her, and an Elemental Thunderbird Necklace of Eternal Love appeared on the neck of Azeria Kitsuneaira with orange gems on the gold lightning bolts and orange crystal links and jade beads from her merged Crystal Necklace of The Buddha and Jade Necklace of Shangdi along with a white and gold-accented Elemental Thunderbird Choker of Eternal Love on her neck and rainbow Thunderbird wedding ring on her left pinkie.

They stayed in that position with Lincoln on top of her as she took time to rub his massive muscles and massive hairy pecs.

Suddenly, Lincoln felt more power surging through his body as his rainbow, white, golden yellow, and blue energy aura and holy white aura and blue cosmic energy aura exploded even more with power, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and

The sudden surge of power caused Lincoln's white shorts and loincloth to tear to shreds leaving him in the nude, but it led to Azeria Kitsuneaira looking at Lincoln whose neon glowing deep sapphire eyes were now full of a smoldering desire and lust to have sex with her as it led to an intense smoldering lovemaking fest which ended many hours later with Lincoln letting out loud roars and manly wolf howls of dominance, and a nude Azeria Kitsuneaira left feeling pleasured.

Azeria Kitsuneaira: (In Heaven) Oh God, you've become such a...primal...virile, and manly beast, Linky.

Lincoln: (GROWLS) Ooh yeah! Oh man, this feels even more incredible. RRGH! (WOLF ROAR)

Then, when Lincoln was done, his rainbow, white, golden yellow, and blue energy aura with mythical animals, beasts, and animals and his rainbow protective aura and holy white aura was like a raging fire, then, a rainbow fire aura flared up around the two auras as well, and then, he disappeared in a flash of light and reappeared in space.

Then, he flew into Kitsuneaira's burning Sun of Fox Fire and he sucked it in and absorbed it into his body, and his abnormally massive and powerful upper and lower body muscles bulged even more as the visible veins bulged out even more and were throbbing with raw power and white hot liquid fire coursing through his body, and his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath his enormous white angel wings spread out and his large gold halo and second smaller halo of light and large gold Amaterasu's Heavenly Mirror of The Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of The Four Holy Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four orbiting large gold rings on each corner and the gold halos and second smaller halos of light above his Bracers and ankles and beside his thighs glowed and the rainbow flame patterns and rings on his obliques and sides and the rainbow flame patterns on his forearms, the rainbow tips and rainbow markings on his large brown wolf ears, and the rainbow tips and rainbow markings and rainbow flame patterns and phoenix feathers on his 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails and rainbow sun and moon on his bare chest glowed.

Lincoln: (GROWLS) Ooh yeah, this feels incredible. RRGH! (WOLF ROAR)

When it was done, Lincoln's rainbow, white, golden yellow, and blue energy aura was raging like a wild fire and he had a rainbow, white, golden yellow, and blue fire aura surrounding him and the rainbow, white, golden yellow, and blue protective aura as well as he pounded his chest like a gorilla and he was sweating even more, and despite being asleep, Arachneva Jorogumaira felt it as she smiled in her sleep.

Lincoln: Now, that was so incredible! (Flexes his massive arms and his massive biceps bulged even more with veins forming)(GROWLS) RRGH! (Smirks) My harem's going to be in for one awesome surprise along with the others.

Lincoln disappeared in a flash of light and came back to his room, and as soon as he did, his harem were up and they got his note along with sensing his sudden energy and power surges.

Lily the Mermaid: We got the note, and you explained everything. Plus, we also felt your sudden energy and power surges. (Smirks)(Rubs Lincoln's massive pecs) And you're even more insanely ripped than ever and full of even more infinite energy.

Lincoln: (Seductive Wolf Growl)

Suddenly, Lincoln's Mark of The Incubi on his left thigh started glowing with intense red light, and Lincoln gained another extreme increase in his already abnormally high sex drive, hyperpuberty, and genes that he inherited from his parents, and the supernaturally potent and powerful aphrodisiac pheromones that enhanced his own infinite-times high levels of libido and other sexual aspects was out in full force and his eyes turn from deep sapphire blue to deep blood red with slit pupils: the effects of The Mark of The Incubi have taken hold of him, but it suddenly became even stronger due to the powers of the Eroticairans of Planet Eroticaira he has and his primal urges went wild.

The noses of Lincoln's harem literally gushed out blood like a fountain, and they swarmed around him and they felt every last muscle in his body as he proceeded to do the bodybuilding poses he'd used in the competitions he won in the past: Quarter Turns, Front Double Biceps, Front Lat

Spread, Side Chest, Back Double Biceps, Rear Lat Spread, Side Triceps, Abdominals and Thighs, Most Muscular, Vacuum Pose, and Moon Pose, and that made them go even more wild, and he let out a manly wolf growl of pleasure from their touches as they rubbed his massive pecs, biceps, forearms, legs, back, and twelve-pack abs.

Lincoln's Harem: (Swooning) So manly...!

Erosa Eroticaira: (Swooning) Oh my God, we never get tired of him doing bodybuilding poses and he's still such an absolute pro!

Suddenly, Lincoln pounced on his harem and he was on top of them and they were on his bed.

Lily the Mermaid: Whoa...! (Thinking) Now, he's really REALLY AROUSED!

Then, he kissed all of them passionately on the lips as they engaged in a hot make-out session, and when they were done making out, the girls had massive atomic red blushes on their faces, hearts in their eyes, and their noses were gushing out blood like fountains!

Girl Jordan: And that much more passionate and even more hotter than ever.

Suddenly, Lincoln's room glowed and expanded even more: his gym had expanded with more weight machines, equipment, and dumbbells, more libraries of spellbooks and volumes of histories from civilizations of ages and eons past were included along with the expansions of their merged castle, hot springs, massive extra-extra large never-ending expanding bathroom for him and his expanding harem, and massive extra-extra-extra large never-ending expanding bed for him and his expanding harem.

Anna Anyanova: That was the surprise you had planned for us. But, you're gonna have to explain it tomorrow.

Lincoln: I will. (Smirks Seductively) Now, then, where were we?

Lincoln and his harem had another intense and passionate lovemaking session, and they went back to sleep a few hours later. Then, as morning came,In Nico's room as he was sleeping, me, Poromon, Poliwag, Manaphy and Horsea came in with the express intent of making mischief. We tiptoe to the middle of the room, and I makes some hand gestures. Counting down.

Poromon: "2, 3, I am going! Aah!" [Nico screams, suddenly awakened. It is apparent that me and the mascots have jumped on his bed.]

BOING!

SMASH!

Nico got his head stuck into the ceiling!

Nico: (MUFFLED) HEY! ARE YOU ALL NUTS!

I pulled him down.

POP! CRASH!

I pulled him down and he crashed onto the floor!

Me: Sorry Nico! Just wanted to get you ready for Ghost pepper omelette and pancake day!

Nico: Oh right! Be right there.

In the Keyblade Graveyard

Anti Monitor and Teridax were looking at the costumes Jacobo sent them

Teridax: Hmm...

Anti Monitor: Jacobo sent impressive costumes

Teridax: Should we start sending each of them after Team Loud Phoenix Storm?

Anti Monitor: No. let them have their day off. Besides, we don't want to waste all of them too quickly

Teridax: Good point

Anti-Monitor: But this should be fun.

With that, Anti Monitor started bringing a costume to life…

TERIDAX LAUGHED MALEVOLENTLY LIKE A CRAZED MAD SCIENTIST!

He saw them come to life and he laughed!

Teridax: YES! YES! THEY LIVE! THEY LIVE! THEY LIVE! (LAUGHING MANIACALLY)

Anti-Monitor: Okay you got to stop that. You've been watching way too many mad scientist movies.

Teridax: Sorry.

They were ready.

Nico went downstairs for breakfast

Everyone later came.

Me: Morning everyone!

Lincoln, his harem, and his kids got up, brushed their teeth and showered, and got dressed, and we had a massive breakfast ready with steak, eggs, and bacon, and Lincoln was piling on the protein.

Lincoln: Morning guys!

We gave everyone eggs and omelettes and pancakes that were glowing neon red.

Lynn: COOL! Ghost Pepper Omelette and Pancake Day! Sweet!

Lincoln: You got that right!

Everyone got to eating breakfast.

Then...

SUN FIRE, VOLCANIC ERUPTION, NUCLEAR EXPLOSION, FIRE BURNS AND FLAMETHROWER BLAST!

MASSIVE BLASTS OF FIRE EXPLODED OUT OF EVERYONES MOUTHS AND WE ABSORBED ALL THE FIRE!

Me: WHOA!

Nico: (Italian Accent) THAT'S A SPICY MEAT-A-BALL!

Lynn: Whoa! Someone's really piling on the protein!

Me and Nico: He needs it as always.

Lincoln: You got that right.

J.D. 2: And I felt your sudden power and energy surges last night, Lincoln, all of us did.

Lincoln 2: (Through the rainbow Thunderbird and animals on Lincoln's forehead) I knew you'd be the first to react, J.D., let me explain.

Then, Lincoln 2 explained everything, and when he was done, we were shocked.

Nico: Oh man, you found another planet in The Forbidden Zone? Awesome!

J.D. 2: I'm afraid this was no ordinary planet. Lincoln, do you have a book about the world you went to?

Lincoln ran to his room and flew to the top of his massive vast collection of libraries and found the very book and brought it to J.D. 2.

J.D. 2: I knew it.

He opened the book, and we saw it: the planet Lincoln saw in his dream.

Me: Whoa! what is that place?

J.D. 2: This, J.D., is Kitsuneaira, a massive red planet of fox fire and foxes whose landscapes are decorated with endless temples and a massive palace at the heart of the planet and protected by the Kitsuneairans, a race of omnipotent powerful nine-tailed fox angels who are descendants of The Nine-Tailed Fox and known for their great and immense powers of illusions, disguises, and fox fire, the female Kitsuneairans are known for their beauty and skills in seduction towards males, and the male Kitsuneairans who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength, war, and seduction towards females, and they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, fox fire, illusions, disguises, beauty, and charm, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility.

He finished and returned the book to Lincoln's room, but we were shocked!

Me: (GASPS) Whoa!

Naruto: That's incredible.

Then, we saw Azeria Kitsuneaira enter and she sat with Lincoln.

Me: Whoa, and who's the nine-tailed fox angel that's joined us?

Anna Anyanova: This is Azeria Kitsuneaira, Queen of The Kitsuneairans of Planet Kitsuneaira, she's Lincoln's Guardian Angel from Planet Kitsuneaira, a massive red planet of fox fire and foxes whose landscapes are decorated with endless temples and a massive palace at the heart of the planet. Azeria Kitsuneaira is the Queen of the Kitsuneairans, a race of omnipotent powerful nine-tailed fox angels who are descendants of The Nine-Tailed Fox and known for their great and immense powers of illusions, disguises, and fox fire, the female Kitsuneairans are known for their beauty and skills in seduction towards males, and the male Kitsuneairans who'd spent their lives fighting and proved their manly virile dominance and had the rugged good looks of the male Gods of ancient times and extremely built godly muscular bodies with abnormally massive and powerful upper and lower body muscles and twelve-pack abs to prove it and they were not only natural born fighters born for strength, war, and seduction towards females, and they also have vast countless eons of combat experience, omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman elephant level testosterone, excessive tons of incredible godly excessive superhuman libido, excessive tons of incredible godly excessive superhuman elephant level virility, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, fox fire, illusions, disguises, beauty, and charm, and the ability to grow stronger, and incredible godly powers and immense virility, libido, and male fertility. In addition to being a powerful and strong hand-to-hand combatant, powerful skills in wrestling, fighting, and martial arts, she has immense omnipotent power over everything related to the nine-tailed fox, godly superhuman strength, power, godly superhuman durability, godly superhuman endurance, godly superhuman adrenaline, and the power to summon the spirits of lust to control her enemies, and with every challenge, her power only grew stronger. Azeria Kitsuneaira was born with enormous angel wings with fire reflecting in the enormous crimson red feathers, numerous tails, the voluptuous body of all the female Goddesses times infinity and beauty and charm that makes any man fall for her charms, and she carried the heart of a fox goddess within her wielding the raw might of her people times infinity, as well as omnipotent power, immortality, invincibility, Omnipotence, Omniscience, Cosmic Awareness, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, and immense omnipotent powers of fire, flames, fox fire, illusions, disguises, beauty, and charm. When an army of male Infernairans showed up to destroy The Temple of The Fox God, she and her men captured them and brought them to their temple and down into their underground dungeons where they along with many male prisoners who were caught trying to rape the female Kitsuneairans are then put into this machine with tubes attached to their bodies, and as they activate it, a blood red liquid is then pumped into their bodies, but here's the thing: the liquid in the glass jar in the machine is a blood red serum that's a massive cocktail of excessive tons of Universe 666 Nico's stolen and perfected Untamed Mega Savage Serum along with excessive tons of Regina Fessterox's Savage Serum, Perfect Gene-Slammer serum and Perfect God serum, muscle mass growth serums and potions, muscle mass growth supplements, brain growth serums, brain growth supplements, testosterone growth serums and potions and virility and fertility growth serums and potions, and they are turned into 999,999'11" massive hulking musclebound brutes with dark hair on their forearms, dark stubbles of chest hair on their massive pecs and dark stubble on their jawline, their muscles had grown excessively which caused their shirts and pants to rip completely off revealing their abnormally massive and powerful upper and lower body muscles which bulged out even more as the visible veins bulged even more and were throbbing with raw power and white hot liquid fire coursing through their bodies and twelve-pack abs, and given excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, but their minds are full of lust and they are kept in their cells and they're bound by their wrists and ankles to be absorbed by the chosen one of their prophecy. After what happened, Azeria Kitsuneaira set out to find the one that her people have talked about in an ancient prophecy: a young man with unimaginable charm, charisma, and the powerful spirit and determination that carries the legacies of the many races who'd fallen victim to The Infernairans, and that young man...was Lincoln Loud. Azeria Kitsuneaira descended unto Earth and Royal Woods in a fox form where she met Lincoln, and when he saw her reveal her true form to him, she swore to protect him with her heart. She trained Lincoln in The Path of The Nine-Tailed Alpha Male Fox God: training him in hand-to-hand combat, close-quarters grappling, using his tails as a weapon, wrestling, martial arts, raw adrenaline, raw might, raw strength, raw power, male dominance, male aggression, and the powers of illusions, disguises, and fox fire, and under her gaze and guidance, Lincoln gained even more omnipotent power, Omnipotence, Omniscience, Cosmic Awareness, excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, excessive tons of incredible godly excessive elephant level libido, and excessive tons of incredible godly excessive elephant level virility, immense omnipotent powers of fire, flames, fox fire, illusions, disguises, powerful hand-to-hand combat, close-quarters grappling, wrestling, martial arts, raw adrenaline, raw might, raw strength, raw power, male dominance, and male aggression, and she used her mystical arts to further evolve his immortality and invincibility even more, and his already immortal and invincible body was enhanced beyond comprehension, and she knew deep down that Lincoln's a True Alpha Male Werewolfairan-Vampirairan-Cyborg Hybrid, an extremely powerful, godly, gigantic, massive, handsome, sexy, and extremely super strong manly wolfman and God with rugged good looks and endowed with abnormally massive and powerful upper and lower body muscles and twelve-pack abs and numerous massive and long brown wolf tails that are just as strong as his body which also grows even more stronger than ever along with enormous white angel wings and numerous sets of large white angel wings underneath his enormous white angel wings, and he becomes even more ripped than ever due to continuing on with bodybuilding and working out even more, and because of it along with the diet plan his Guardian Angels gave him, along with his hyperpuberty and genes, Lincoln gained the excessively godly powerful, massive, and excessively godly muscular body: every last massive muscle in his upper and lower body was shredded with incredible definition and bulging even more with visible veins bulging out even more and throbbing with raw power and white hot liquid fire coursing through his body and bursting with raw power, long wild and flowing hair, chiseled jawline with dark stubble on the jawline, dark hair covering his muscular forearms, and dark chest hair covering his massive pecs, and that drew out her primal lustful instincts like no one else ever had, and she saw he was the one her people described in the prophecy. More than once, she kissed him deeply and full of smoldering passion, covering him in love bites causing him to come home glowing, breathless, and wagging his numerous tails like crazy, and her love for him had only intensified, and they also engaged in a smoldering lovemaking session that lasted for so many hours, and she was left glowing with energy and lust. She helped Lincoln build even more godly muscle, honed his instincts, and sharpened his inner and outer beast with sacred training from her people's priests. Serena also gave him the ability and power to grow even more stronger with every hit he took, and she gifted him The Divine Will of The Alpha Male Fox God that her people worshipped, a powerful force of virility and strength that made Lincoln the embodiment of Kitsuneaira's future, and with every time he has sex with his harem, he grows even stronger than ever. Lincoln absorbed the Googol of Vigintillions of her fellow male Kitsuneairans along with using his Cell stingers on his numerous tails to absorb the Googol of Vigintillions of male prisoners and assimilated their excessive tons of godly excessive muscle mass, excessive tons of incredible godly excessive brute superhuman strength, excessive tons of incredible godly excessive superhuman speed, excessive tons of incredible godly excessive superhuman agility, excessive tons of incredible godly excessive superhuman reflexes, excessive tons of incredible godly excessive superhuman durability, excessive tons of incredible godly excessive superhuman endurance, excessive tons of incredible godly excessive elephant level testosterone, and excessive tons of incredible godly excessive elephant level virility, and pure rage that's converted into more incredible superhuman strength and muscle mass, and he absorbed Kitsuneaira itself along with The Temple of The Fox God, the planet's many temples, the planet's crimson red core, and Kitsuneaira's burning Sun of Fox Fire into his body to preserve their legacy. One day, she received a greatsword crafted by Lincoln himself, engraved with runes and forged from Kitsuneaira's sacred ore, and to thank him, she kissed Lincoln with overwhelming smoldering passion and their hearts pounded like drums, and Lincoln returned the kiss with equal smoldering passion, and promised that when he comes of age, he will marry her and the rest of his celestial cosmic harem, and she hates the perverts with an extremely bloody passion and won't hesitate to castrate them, and she hates all of Lincoln's enemies with a fury as hot as Kitsuneaira's fiery core, and swore to use the flames of her people to burn them all to ashes.

WE GASPED!

Nico: Oh my God, I remembered hearing the legends about her! She's really strong and powerful!

Gabriel Maxwell: Oh please, she's not that strong, she's weak, and I'll prove it by cutting her head off and her tails and slicing her body into slivers and burning them alive!

Gabriel Maxwell tried to slice Azaria Kitsuneaira apart, but Lincoln slashed him really hard on the chest with his gold-plated claws and drew heavy amounts of blood!

Lincoln: You try that one more time, Gabriel, and I swear I will skin you and your hardass dad alive!

Damian Maxwell: What?

Caleb Maxwell: Lincoln, what's going on?

Lincoln: (Sighs) Caleb, Allie, Alexander, Tyler, Mrs. Maxwell, can you get the rest of your family here?

Nathan Maxwell: We're already present at the table, what's wrong? We saw what Gabriel tried to do and...! (Realizes something) You found something really bad, huh?

Lincoln took out Damian Maxwell's journal, and what we saw was absolutely disgusting: it turns out he made a deal with Alexander Michaelson's dad, Nathaniel Michaelson, to kill Lincoln's Guardian Angels, Lincoln, and all of TLPS and The M.O.E., and it was dated before our LEGO DC Supervillains saga, and it turns out Gabriel Maxwell was also in on it as well, and with his new power, he would see it as easy, and he saw them as easy prey to murder and he even said some derogatory remarks about them calling them whores, bitches, sluts, and way worse that we wouldn't dare to repeat!

Plus, it also revealed that Damian Maxwell The Hardass hadn't changed at all, he was still the same pathetic heartless and murderous monster from the memories of Caleb and Allie Maxwell, and the things Gabriel said were also lies, he also plotted with his dad to kill Caleb and Allie as revenge on Drake Maxwell for the murders of Gabriel's siblings, his younger brother, Michael, his younger sister, Felicia, and his mom and Damian's wife, Jessica.

WE WERE SO DISGUSTED, AND WHEN CALEB MAXWELL AND THE REST OF THE FAMILY FOUND OUT, THEY WERE BEYOND PISSED OFF!

Caleb Maxwell: Gabriel, I can't believe you! I expected this from your hardass dad, but you! You were my cousin, but instead, you proved to be just as bad as your hardass father!

Finally, Gabriel Maxwell showed his true colors and tried to slice off Caleb's head, but Caleb ducked and shot him in the stomach, as Gabriel Maxwell screamed in pain! Suddenly, we saw something happen to Gabriel Maxwell as the powers he gained from his training with us were forever lost, and the powers of The Serpent King, Orochi, broke free from his control, and Gabriel Maxwell screamed in pain as the dark energy engulfed him!

Then, he let out a scream as his angel wings and numerous angel wings fell off replaced by demonic wings and his halo and four large orbiting gold rings were destroyed, and his voice became demonic, and as the dark energy faded, he went through a dark change in appearance: Gabriel Maxwell's long dark brown hair turned black and he no longer had the red highlights and red phoenix fire ombre streaks, his peach-colored skin turned pale like a vampire's pale skin, his outfit changed into a long midnight black trenchcoat with red inlay inside the coat and for the coat's collar, black jacket, short-sleeved black shirt with a snake on it, long black pants with belt and silver snake head for the belt buckle and silver snake heads around the belt on his waist, black knee high boots with silver snake heads for the buckles of the boots, and black fingerless gloves with silver-armored claws covering his fingers, and Gabriel's vampire cross tattoo was actually revealed to be a fake: he didn't go through with the blood exchange because of the evil and hatred he had inside him!

And finally, his massive Gabriel Maxwell's True Cosmic Eternal Harmony Heaven Cosmos Divine Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel Scythe of True Cosmic Eternal Harmony Heaven Cosmos Infernal Darkness Hellfire Firestorm Almighty Snake Demon True Immortal Demon Snake Phoenix God Archangel Justice was replaced by The Spirit Reaper, the large menacing scythe of The Serpent King, and his crimson red eyes had snake pupils like those of Orochi and his reincarnation, his face was covered in the same markings that Orochi had, and he had a horrific dark purple and blue aura around him.

Gabriel Maxwell: (Demonic Voice) We were so close...! Dad, you said our plan was going to work out!

Damian Maxwell: It should've, Nathaniel said Dark Chase Young made sure of it!

Princess Ankhstarena: But, you didn't count on the fact that Lincoln would resurrect me, and that I'd take him to my Temple of Eternal Purification to permanently purify him.

Lincoln: So, everything you said to us was a lie. You played all of us for fools, and you tried to destroy us after making a deal with Alexander's father and Dark Chase Young, and all for your obsession of revenge against Caleb, Allie, Tyler, and Alexander for the murders of your mother and wife and two younger siblings which was all Drake Maxwell's fault.

Damian Maxwell: SHUT THE FUCK UP, YOU OVERGROWN WOLFMAN! WHY DON'T YOU GO BLOW YOUR FUCKING BRAINS OUT, YOU USELESS BUTT MONKEY!

POW!

MARLENE MAXWELL PUNCHED DAMIAN MAXWELL IN THE FACE!

Christiano Maxwell: I guess the circle of violence has restarted, or rather, it was always inside you two.

Allie Maxwell: Gabriel, Uncle Damian, you're both dead...!

Damian Maxwell and Gabriel Maxwell disappeared into The Simulator!

Nico: Damn them, they got away!

Azaria Kitsuneaira: They're in The Simulator, but we'll make sure those two die here and now, and everything Lincoln told you last night was true, and all that hard training I'd put you through really sharpened you into the very warrior you've become and even going to my planet also helped greatly, Lincoln, and we also had known Lincoln's quite the virile stud since he was born with hyperpuberty, and the genes of his parents and his own extremely excessive virility, fertility, testosterone, extreme levels of libido, and excessive sex drive, and because of that along with the combination of his diet plan that we gave him, along with his hyperpuberty and genes and constant years of training, he gained the powerful and massive body that all bodybuilders could only dream of: the body of all the male Gods and the ancient male warriors of ancient times and bodybuilders of history combined, and that along with his personality, gentleman nature, and noble heart, he'd attracted tons of girls, and every lovemaking session he has with his harem, his future wives winds up getting impregnated by him in less than a second, and it doesn't take long for the effects of pregnancy to kick in, which are much faster than ever, and last night, after he fed on my blood and marked me, he gained Kitsuneaira's Blessing of Fox Fire Justice, and each Forbidden Zone Planet Queen have given him our individual blessing when he fed on our blood. (Still rubs Lincoln's massive pecs) And who could've guessed the 11-year-old boy I met long ago would grow up into a 10,000'11" extremely tall, very handsome, hulking, sexy, strong, buff, and extremely manly rugged heartthrob hunk of a wolf man with really massive and powerful upper and lower body muscles and twelve-pack abs with enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings underneath and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 massive and long brown wolf tails. You've really grown a lot and turned into a man, and you've also grown even more larger in muscle mass far more than the males of my planet, you can land an airplane on that massive, wider, and more muscular back, (Rubs his legs) squash a melon with those really muscular quads and thighs. (Rubs his twelve-pack abs) And even cut a rock into a diamond on those rock-hard twelve-pack abs, and there's not even a tape measure long enough to measure your chiseled chest or massive biceps.

Lincoln let out a wild growl as he wrapped his massive arms around her waist even more and brought her closer to his body even more and she really felt how much stronger he really is.

Azaria Kitsuneaira: (Smirks) And don't think I forgot you're also quite the charmer and ladies man to boot as well, not to mention you were quite the wild untamed beast last night.

Caleb Maxwell, Tyler Maxwell, Alexander Maxwell, and Allie Maxwell didn't say anything, they were pissed off!

Maria: Yikes, those four are really pissed off now!

Nico: After what we saw today, I don't blame them.

Lincoln: I got an idea for your rescue, Nico, why don't we go into The Simulator and for this one, we're heading to Klendathu to blow the bugs apart left and right. Plus, one of my Guardian Angels is there who happens to be The Princess of The Terran Federation and Empress of Klendathu, and she hates the bugs with a blazing passion. Plus, if we're in there, there's no doubt we'll be running into Gabriel and Damian Maxwell, so...!

Nico: That's not a bad idea, Lincoln, not only will we blow the bugs apart left and right, but we'll also make sure Gabriel and Damian Maxwell pay for playing us for fools!

Me: Those fuckers are gonna pay!

Poliwag licked one and belched fire into my face and I absorbed the fire.

I laughed.

Me: (LAUGHS) Funny!

We laughed!

Lynn: I love this day for spicy food. Because it's fun!

Lincoln: You said it!

Ymir: It sure is good. (Eating Eggs) Mmm! (BURPS FIRE)

We absorbed that.

Me: WOW! HOT!

Nico: No kidding.

Poromon ate some.

He belched out fire into Nico's face.

Nico: Ow.

Me: Funny.

Poromon: Sorry.

Horsea ate some.

Horsea: Delicious! (BELCHES FIRE)

She belched fire at Maria and it hit her arm and it boiled.

Maria: WHOA!

Manaphy ate some and then belched fire!

Manaphy: (LOUD BELCH!)

She belched fire and it hit Nico and burned his butt!

Nico: YEOWCH!

Maria put the fire out.

SIZZLE!

Nico: AHH!

Poromon: This is spicy!

Qin: I like it!

Xenia: Me too.

Me Yep.

Varie: So awesome.

Horsea: It sure was

Me: Yep.

But then...

KRABLAM!

NICO GOT BASHED ON HIS HEAD WITH A HUGE BUNCH OF BANANAS!

Nico got knocked down and had a HUGE LUMP on his head!

Nico: OW!

Me: GEEZ! You got hit hard.

Nico: WHO DID THAT?!

Nico looked around and saw that no on did it.

Qin: No one did it.

Lola: Yeah.

Nico: Well something did it.

Poromon: I don't see anyone else

Me: Me neither.

Little did we know that there was something in our air vents hiding.

But then...

KRASPLAT!

NICO GOT HIT IN THE FACE WITH A HUGE WATERMELON!

Nico: OW!

Poromon: I'll protect you until we find who it is!

Nico: Thanks.

But then...

SPLAT! SPLAT! SPLAT SPLAT SPLAT! BONK BONK! BOOF! SPLAT SPLAT BOINK!

Nico got hit with melons, coconuts, pears and fruit of all kinds! Poromon tried to stop it but wasn't fast enough!

Nico: WHO KEEPS THROWING ALL THIS...

KRASPLAT!

Nico got hit in the face with a huge watermelon!

Nico: Just have to bear with it until later in the rescue.

BONK!

Nico got hit with a coconut!

Nico: OW!

Patrick: DAHAHAHA! THAT GUY GOT HIT IN THE HEAD WITH A COCONUT!

Nico: Patrick that guy was me!

Patrick: Sorry.

Poliwag: Just hang in there Nico.

Suddenly, Lincoln's deep sapphire blue eyes, the rainbow iris of his Third Eye and the eyes on the shoulder blades of his enormous white angel wings and 999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999,999 sets of large white angel wings under his enormous white angel wings, his cutie mark tattoo on his back and Thunderbolt cutie mark with surrounding elements on his massive left pec, and his large gold halo and smaller halo with intricate designs made of light and The Sun and The Moon in it in the center and large gold Amaterasu's Heavenly Mirror of Four Holy Beasts with gold sun-shaped frame around it with embedded colored gems behind the large gold halo behind his head and four large orbiting gold Amaterasu's Heavenly Mirrors of Four Holy

Beasts on each corner with gold sun-shaped frames around them with embedded colored gems behind the four large orbiting gold rings on each corner and six gold halos and second smaller halos with intricate designs made out of light and The Sun and The Moon hovering above his large gold Bracers of The Universe, his left ankle and right ankle, and beside his left and right thighs glowed, and the rainbow colored iris of Lincoln, Lori, Leni, Luna, Luan, Lynn, Laney, Lucy, Lana, Lola, Lisa, Lily, Lynn Sr., and Rita's Third Eye, and everyone else's Third Eye glowed even more and our rainbow energy auras, rainbow protective auras, and rainbow fire auras flared up even more, and a one-way viewing window formed, and we saw who the figure was in the vision: it was Gabriel and Damian Maxwell, they're on Klendathu in The Simulator and are aiding the bugs in the attack on The Federation!

Lincoln: Those two bastards...!

Me: I can't believe they're now helping the bugs in the attack on The Federation!

Nico: That's it, they're dead along with every last butt-fucking ugly bug there!

Nathan Maxwell: I should've kicked Gabriel and Damian out of the family a long time ago after the funerals for Michael, Felicia, and Jessica had I realized they would fall into darkness because of the hatred and evil they had towards Drake. But, that ends here and now! Caleb, I want you, Allie, Tyler, and Alexander to lead all of us in the charge against those two bastards!

Caleb Maxwell: Understood, Cousin Nathan.

Caleb Maxwell faced his entire family.

Caleb Maxwell: Everyone, what we are about to do is not just to protect our family and bring death unto the traitors, Gabriel and Damian Maxwell, it is for the future of every last man and woman on Earth and we will not allow them to run free any longer! For Team Loud Phoenix Storm, for our family, and for every last man, woman, child, and every living thing on Earth and the universe and beyond, we shall hunt down and destroy the traitors, Gabriel and Damian Maxwell, and make them pay for restarting the cycle of hatred and violence that Drake Maxwell had set in motion all of those years ago! This is where we permanently end the cycle of hatred and violence perpetuated by that shithead, Drake Maxwell! NOW, WE RIDE INTO BATTLE! GABRIEL MAXWELL, DAMIAN MAXWELL, YOUR LIVES ARE FINISHED!

Maxwell Family, NYPD Nightshift, and The Starfire Agency: AND NOW, YOU SHALL PAY THE PRICE FOR YOUR TREACHERY! (ROARS OF BATTLE)

They got on pitch-black motorcycles that roared like legions of wild beasts and they had all kinds of weapons galore: handguns, machetes, bullets, daggers, shotguns, machine guns, swords, you name it!

Nico: WHOA! Damn, you guys are ready for war!

Me: They pissed off the wrong family, now justice is coming for them!

Lincoln: That's for sure, they're not only out of the team, but they are also out of the family, so that's double karma for those two snakes. Alright, now let's finish breakfast and head into The Simulator to destroy The Bugs and punish Gabriel and Damian Maxwell for their treachery.

Nico: Let's do this.

We finished breakfast and we headed into The Simulator which activated and we were on Klendathu to help The Saber Team unlock their Rainbow Power and meet Lincoln's Guardian Angel there and blow up the bugs and Klendathu and kill Gabriel Maxwell and his hardass dad, Damian Maxwell, for their treachery!

We went to the Simulator room.

Me: I'm ready to kick some butt.

Xenia: Me too.

Qin: Yeah!

Lola: This is gonna be fun.

Earthworm Jim: G-ROOVY! We're ready to kick some butt too!

Boss: You said it. (Stupidly) Um what are we doing?

Ymir: (Confused) Are the Amoeba Boys that stupid?

Blossom: They are the worst ever villains in our rogues gallery. They are criminals that can't do ANYTHING right.

Blossom Z: That's right. Just like in our universe.

Qin: Yep.

Nico: Jim, I want to thank you, the Amoeba Boys, and your teams for coming

Earthworm Jim: No problem Nico. This is gonna be so fun and cool!

Gardevoir: It sure will be.

Nico: Gardevoir, who do you belong to?

Gardevoir: You're looking at her.

Lionheart Starburst Katou Waved.

Nico: Oh yeah. I forgot about that.

Lionheart Starburst Katou: And she is so cool too.

Jeri Katou: I agree on that too.

Me: Yep.

Nico: Just wanted to be sure.

Me: Cool.

Psychoblood: I visited Chris down inTartarus Canyon and I snapped her neck and splattered all her blood, guts and inards all over her cell. Look.

She showed a viewing window and we saw a SLAUGHTERFEST!

SHE WAS VICIOUSLY DISMEMBERED TO SHREDS AND BLOWN INTO A MILLION PIECES WITH BLOOD AND GUTS SPLATTERED ALL OVER!

Me: OH SICK!

Qin: NAS-TY!

Nico: On the brightside, now that prison has more room

Me: True.

Psychoblood: Just glad I can be at peace.

Me: Yep.

May: I agree there. Also Yesterday's Skylanders Adventure was so fun. The Princess Festival was the most fun of all.

Manaphy: It sure was! Mama had fun there.

Poromon: I wanted you to use a bazooka

Manaphy: Not in a contest like that. They will think I'm nuts.

Poliwag: Good point.

Nico: But we all had fun in that.

Tara: We sure did.

Sarah Gunnerson: Yep.

Varie: That was fun though.

Whitney: And my Akuma being a Miltank of Nacho Cheese sauce was fitting for me.

Me: Why is that Whitney?

Whitney: Because my uncle is a Miltank Dairy Farmer and I like helping him out on his farm a lot.

Ash: I remember seeing that and it was cool.

Brock: That sure was.

Me: That makes perfect sense.

Nico: Also what was just as fun though? Kicking Psy-Crow's feathery butt.

Qin: YEAH!

Earthworm Jim: We made sure he ate dirt!

Nico: And we had it in Italy

Nicole: I picked it to be in Italy for a reason. Whenever I would play the game Earthworm Jim 2, the music for the levels called Puppy Love would make me think about Italy and pizza. So I thought Italy would be perfect.

Jessie: The music in that game was called Tarentella Napoletana. It's a traditional Italian Dance.

Me: That one always makes me think of pizza.

Poromon: No kidding!

Me: That was the most fun we've ever had!

Lana: And the best part is I got to show Goma Rosalia how many bugs I can eat.

Pumbaa: The queen of bugs strikes again!

Hymeno was turning green around the gills.

Me: Uh guys you don't want to have Hymeno lose her breakfast.

Gira: Even though me and my team fought bugs on a daily basis before

Me: Too true on that.

We went into the simulator and it activated and we were flying over the arid surface of the planet Klendathu.

Me: Planet Klendathu.

Lincoln: Alright, guys, we're here on Klendathu in The Simulator and we're in for one bloody fight, we're here to meet my Guardian Angel here and help The Saber Team unlock their Rainbow Power and blow up the bugs and Klendathu and kill Gabriel Maxwell and his hardass dad, Damian Maxwell, for their treachery!

Me: Never thought we'd be here, but Gabriel and Damian really crossed it big time when they let their treachery out.

Nico: Especially trying to kill Lincoln's Guardian Angel and burn her sliced up body to ashes?! What kind of sick person does that?! I'm sorry, but those two have got to go!

?: That's for sure.

Suddenly, we saw a tall girl with blonde hair, blue eyes, blue angel wings, the Anti-Bug tattoo on her right arm, and the symbol of The Federation on her forehead and on her blue royal princess dress appear.

Lincoln: (GASPS) Denise Klendathu Flores, Princess of The Terran Federation and Empress of Klendathu.

Me: Wait, she's The Princess of The Terran Federation, and she's the Empress of those damn bugs?!

Anna Anyanova: That's right, this is Denise Klendathu Flores, Princess of The Terran Federation and Empress of Klendathu, she's Lincoln's Guardian Angel from the planet Klendathu and the twin sister of Dizzy Flores, and she's one of the most powerful among Lincoln's Guardian Angels. She's the Princess of The Terran Federation and Emperess of Klendathu and one of The Princesses of The Planets, they are princesses of many of the planets of the universe like Coruscant, Kamino, and beyond, and they have the same powers as ALL THE GUARDIAN ANGELS OF LINCOLN LOUD like always and beyond. But they are stronger than the Sith and the Jedi and more, and they have fought against many dangerous threats to the universe, and that also included The Sith and the notorious Sith Lord, Palpatine! And she also knew of what happened long ago when The Xiaolin Monks defeated Chase Young back in 2015 and banished him to the distant volcano planet, Dhakgun, and where he set up his base on Mount Horrorflame where he continued to wreak havoc all over the universe and where he was responsible for starting the events that led to Andross becoming power mad and many more that led to so many other lives being destroyed before we permanently ended him and fulfilled The Prophecy of Amaterasu, and despite being The Princess of Klendathu, she hates the bugs, and she makes sure peace between the Federation and the Bugs of Klendathu is not accepted under ANY CIRCUMSTANCE because the bugs are too dangerous and ruthless! Denise

Klendathu Flores came to Royal Woods where she met Lincoln and she swore to protect and defend him from his many enemies and she taught him everything that she knows, and she even took him to Klendathu and she really trained him even more, and over time, he gained the same power and strength she had, and he even took down an army of bugs, and he and Denise Klendathu Flores also destroyed an army of Sith loyalists when they invaded the planet of Klendathu and they also killed more bugs and they even killed The Brain Bug, and when Näkhäsh, Father of Shadows and Creator of the Dark Side of the Force, who was responsible for The Sith, Palpatine, The Dark Side of The Force, and everything evil in the Star Wars universe who had his goal to spread his shadows and destroy all life in the entire universe like a cancer was banished to The Black Fire Vortex of Neverending Oblivion along with his shadows, Denise Klendathu Flores felt it in The Force, and she knew that the evil that plagued the galaxy for countless eons was finally wiped out for all eternity and will never ever be reborn, and she also found out we'd destroyed Klendathu and exterminated all of the bugs, and she was glad we did so, she knew how dangerous the bugs were and any idea of peace between The Federation and the Bugs of Klendathu is futile. Lincoln made for her a powerful sword made from the last of Klendathu's iron ore and Neutronium, and to show her thanks, she kissed Lincoln on the lips which he also returned, and as a result, when he comes of age, he'll marry her along with the rest of his harem, and Denise Klendathu Flores despises the Bugs of Klendathu especially when she'd saved her twin sister, Dizzy Flores, from getting killed by The Bugs, and she swore to destroy them all!

Me: Whoa! Dizzy's going to be in for one awesome reunion when we get back.

Denise Klendathu Flores: That she is. Now, we got to get to work, we got to help The Federation in getting rid of those butt-ugly bugs and blow up Klendathu. Plus, I also found out about Gabriel and Damian Maxwell's treachery, those two bastards are dead when we get them.

Caleb Maxwell: No one touches them but me, my family, and my friends. It's my fault for even giving that stupid bastard a chance to redeem himself, but he was always like this, his hatred for the worst member of our family poisoned him after the deaths of his wife and two children and that hatred and poison also spread to his eldest son, and as a result, both of them have become bitter heartless assholes who want nothing more than to kill us for something that Drake did, and they're gonna die like the bastards that they are.

Amira Anubisairaia: We'll need to first take care of the bugs attacking the base.

Lincoln: There's also Gabriel and Damian as well, and they aren't going to give in that easily. But, we are ready for them.

James Blunt: It doesn't matter if they were once Caleb's cousin and uncle, they not only played us for fools, but even after all those years, Damian's delusional hatred hadn't truly left him at all, and now, we find out Gabriel also harbored that same delusional hatred as well. (To Marlene and Christiano Maxwell) I know he was your brother, but...!

Christiano Maxwell: No, it's alright, James. The brother Marlene and I once knew from childhood was gone a long time ago, in his place is a bitter heartless twisted man full of hatred at my sister's kids.

Marlene Maxwell: I feel bad for Michael, Felicia, and Jessica. Their spirits have seen the two boys they had known for years turn into absolute monsters, and they've told us through a medium that they are disowning them. Their hatred just cost them their lives.

Jenny heard a Pokemon cry.

Jenny: Look guys.

We saw a Meltan.

Nico: Yeah. But seriously! WHO IS THROWING FRUIT AT ME!?

Then we heard laughter and saw an Ambipom laughing hysterically!

Me: An Ambipom!

It was laughing hysterically at Nico!

Nico was REALLY PISSED!

Nico: Can you please stop doing that?!

KRASPLAT!

She threw a watermelon and it smashed onto Nico's head!

Nico: HEY!

DING!

A Canteloupe hit him square in the crotch!

We winced!

Me: Okay cut that out!

Ambipom: (In a girls voice) Sorry about that!

Devack: Camille! Wow!

She reverted back and was a girl with yellow hair, yellow eyes, yellow angel wings, Black and yellow clothes and had Ambipom on her forehead and had 3 bunches of bananas in a triangle with the Monkey Nazca Line and Earthbound Immortal Cusillu and had a coconut on her arm as a cutie mark and had a banana spear in her hand.

Camille Devack: Glad to see you father and sorry about all that Nico.

Nico: It's fine. But it really hurts!

Me: Now you know how it felt for me when I got hit by fruit and coconuts.

Nico: I know.

Camille Devack: Ouch.

Me: Do you have any good memories of your dad?

Camille Devack: I sure do. When me and him were at the Renaissance Fair and I clobbered the guy with a massive barrage of watermelons.

Me: NICE!

Camille Devack: Yeah!

Devack: I have never laughed that hard before from that.

Nico: What guys are you talking about?

Me: The Vegetable Justice game. You know like where you throw tomatoes at a guy that sticks his head out of a wall and he insults you.

Suddenly, the skies turned black and red, and the loud roars of motorcycles echoed throughout the planet of Klendathu as the bugs screeched in anger! Then, Caleb Maxwell, his siblings, The NYPD Nightshift, and The Starfire Agency, and the entire Maxwell Family charged with their motorcycles roaring like beasts freed from their cages, and they began shooting at the bugs with bullets and they also fired black and crimson red energy blasts, darkness, blood, dark magic, black magic, and Satanic Magic, vampire bats, phoenixes, and angels at the bugs!

Then, they also slashed at them with swords and machetes! THEY WERE SLAUGHTERING THE BUGS LIKE CRAZY AND THEY LET OUR WAR CRIES OF WRATH AND RAGE!

God Phoenix God Archangel of Truth, Justice, Love, Compassion, Hope, Forgiveness, Valor, Virtue, Determination, Loyalty, Honesty, Generosity, Kindness, Selflessness, Courage, and Trust) That is just the beginning of what's about to come.

?: You two are done for.

Suddenly, the spirit of Caleb's father, Marcus Maxwell, appeared at James Blunt's right side, and the vampire cat's right hand was surrounded by white heavenly flames.

Marcus Maxwell: I am not going to let you two pieces of crap kill my kids because of what Drake did a long time ago. What happened to Michael, Felicia, and Jessica was all Drake's fault, but trying to kill my elder son, my two other sons, and my youngest daughter, that is going too far. I knew you were a hardass, but I never would've guessed you would become a bastard and traitor to your own sister and older brother! You've crossed a line, Damian, I don't consider you my brother-in-law anymore, and as for you, Gabriel, I can't believe that you would follow the same path as your father, I had thought you were on the side of your cousins, but I was wrong. I no longer consider you my nephew, and here's this bit of shocking news: Jessica, Michael, and Felicia wanted me to tell you that you two are truly the scum of the Earth for betraying your own family and for an obsession about getting revenge on her brother-in-law's three kids for getting caught in the middle of Drake's rampage. They no longer want to think of you two as family anymore, and that they are disowning you two. That means you two are dead to them, and you're already dead to the family.

I made a promise to Marcus Maxwell before he finally moved on to the afterlife along with the others, and that was I would be the one to look after the family especially Caleb because he'd been through Hell. I helped in whatever way I could to heal his broken heart and soul, and I will not allow bastards like you to ruin that any longer. This is where you die here and now, Gabriel Maxwell and Damian Maxwell, and you're gonna experience the same kind of pain Caleb went through!
